ANDERSON

I need information concerning Robert Anderson, a Civil War soldier who is reported to have lived in Culpeper, Van Buren Co., Ark. A check of the pension records did not reveal information. It is said that he lived with a sister in Culpeper at the time of his death about 1907-10. He is reported to have been an officer serving from the state of Mississippi in the battles of Bull's Run and Shiloh, moving to Arkansas following the end of the war.

BIRD - GUYTON - SMITH - WHITAKER

My gr-grandfather, Abraham Guyton Bird, born Mar. 22, 1823, S. C., died Aug. 11, 1864, in a Civil War prison at Rock Island, Illinois. He married Martha Dees, Nov. 26, 1857, Columbia Co., Ark. His father's name may have been John, James or Joseph Bird, married Mary "Polly" Guyton, moved to Alabama, maybe Pickens Co. Said to have died in northern Arkansas with relatives, Birds, Guytons, Smiths or Whitakers. These families seem to move together, but do not find definite records on the Birds.

This is how these families are connected: Joseph Guyton married Hanna Whitaker. Their son, Abraham Guyton, born 1765, died 1816, S. C., married Martha "Patsy" Ellis, born 1769, died 1838, Union District, S. C. Three of his sisters married Smiths, sons of Henry and Catherine Smith. Mary "Polly" Guyton, daughter of Abraham, born 1800, married --- Bird, had son, Abraham Guyton Bird. Would like to hear from anyone with these names.

DAVIDSON - McKAY

I am trying to locate a cemetery in or near Helena, Ark. that would have been in use as early as 1855. I am interested in finding out about a Richard E. Davidson who died in 1855. Also his wife, Isabella, who I think possibly died ca 1862-64, and also a two-year-old child, Izilla McKay, who died there in June, 1861. I know this child was a child of my grandparents, Thomas Henry McKay and Fanny McKay, and am trying to establish the relationship of Isabella to them. My grandparents lived in Helena at the time of the 1860 census and are listed in the household of Isabella Davidson. They left Helena in 1862-63, moved to Prairie Co., where my grandfather was killed by raiders who went through the country raiding, killing and plundering after the war was over. Would like to contact anyone who has cemetery records.

GARNER - BARNES

Need parents of Emily Barnes who married James Lambert Garner on Nov. 13, 1850 at his mother's home in Dardanelle, Ark. According to family history, she had a twin brother, James, and her mother's maiden name was Coffee or Coffey.

Also, need help on James Lambert Garner's parents. His mother's name was Rebecca, and according to family history, her maiden name was Parker, the sister of Henry Sharpe Parker. Was Rebecca Garner the same one who married a John Franklin on May 11, 1848? James and Emily Garner named their seventh child John Franklin Garner. James Lambert Garner had an older sister, Dionisha. They called her Mintie and she married a John Poindexter, who died leaving two sons; she then married Zack Baker. Zack Baker was killed during the Civil War, as was the oldest Poindexter son. I will be willing to help on these lines, as I have access to this information.

QUERIES

NEFF - STEELE

I am trying to locate the cemetery and date of death of Elizabeth Steele Neff, who died ca 1900-02 at age ca 73. She is supposed to be buried in a cemetery in the southeastern part of Little Rock on the Sweet Home road. Can someone tell me what cemetery this might be?

I understand there is or was a school in Little Rock at 12th and State Streets, named Fort Steele and that it was named after a relative of Elizabeth (Steele) Neff. Supposedly, he was a "Yankee" general in the Civil War. Where might I be able to find information on this?

Elizabeth Steele Neff moved to Little Rock after 1880, a widow with five sons and one daughter: William "Bill"; Frank; Robert "Bob"; Semour "Sammy" or "Sean"; (Elizabeth) Emma; and (Tillison) "Thomas" Edward. The older sons worked for the railroad in Little Rock. Any information would be more than appreciated.
