1-4 Meredith H. Neal - There is much confusion on this name. He was a Methodist Minister, South. He came to White County in 1852 and lost his wife the same year. He returned to Tenn. in 1853 and took charge of the South Memphis Methodist Church. He returned to White County in 1874, then back to Tenn. in 1877 and died there in 1883.

The following information is on Meredith H. Neal but do not know which one for there was more than one.

1. Meredith H. Neal filed his Credentials in White County, July 5, 1852, from Bishop James Osgood Andrew.
2. M. H. Neal filed Credentials from Madison Co., Ark. Minister of Spring Creek Church of Christ - filed in White Co., Jan. 21, 1857.

4. Meredith Neal - Confederate States Army - Buried in Good Springs Cemetery

1-5. James M. Neal, born Aug. 15, 1815 - died Nov. 15, 1852 in White Co., Ark. Buried at Gum Springs Cemetery with his wife Harriet - born Aug. 16, 1816, died May 1, 1859.

1-6. John H. Neal - born Feb. 25, 1830 in Maury Co., Tenn., died Oct. 9, 1896 in White County, Ark., and is buried in Oak Grove Cemetery, Searcy. He married Mary Clay, daughter of Lewis and Mary Clay, Aug. 18, 1852 in White Co., Ark. She was born May 19, 1834 and died Nov. 24, 1863 in White Co., Ark. and is buried at Smyrna Cemetery. He then married 2nd to Kiddie Ann Neal, widow of his nephew, John W. Neal. She was born Kiddie Ann Holland, Sept. 27, 1839, in Wake Co., N. C. and died in White Co., Ark. Jan 29, 1917, buried in Oak Grove Cemetery. Do not believe she had children by either marriage.

Children - 1st marriage.

1-8-1 Augustus E. Neal - born 1854 died 1887, White Co., Ark.

Nov. 13, 1884

## 3rd Generation - through William D. Neal

1-3-3. John W. Neal - born Aug. 24, 1836, in Tenn. Died in  
White Co., Ark. Aug. 9, 1862. He married Kiddie  
A. Holland, Sept. 8, 1859.  
No known children.

1-3-4. William M. Neal - married Nancy E. (or J.) Yanice (Yancy?),  
Apr. 7, 1859. M. would probably be for Meredith  
and it is possible that the Meredith Neal in Good  
Springs would be William M. It would be almost  
certain that he served in the Civil War if 4 of  
the brothers of James R. served as is stated in  
his biography. He is found on the census of 1860  
and 1880.

## Children:

- 1-3-4-1. J. (son) Neal - born 1860

 BIOGRAPHICAL & HISTORICAL MEMOIRS OF EASTERN ARKANSAS  
 GOODSPEED - Pages 212-213 & 214

James R. Neal is a citizen of Centre Hill, popularly and well known as a prosperous farmer of White County. He is a native of Fayette County, Tenn., and was born in 1840, being the son of William D. and Mary A. J. (Parham) Neal, also of Tennessee origin. William D. Neal's birth occurred August 14, 1809, and in business was a prominent planter of Tennessee. He was married August 19, 1831. His father was also a native of Tennessee, who lived and died there. He had a family of eight children: Betsey, Ann, William D. (the father of our subject), Meredith H., James M., Polly, Nancy and John H. Our subject's maternal grandparents, Thomas and Nancy Parham, were natives of Georgia, and came to Tennessee in 1820. William D. Neal was the father of fourteen children: James T., Martha J., John W., William M., James R. (the principal of this sketch), Elica T., Samuel A., Nancy E. (now Mrs. Clay), Sarah A. (Hicks), Eunice M. (Harrison), Susan H. (deceased), David J., next an infant (who died before it was named) and Newton H. Mr. William D. Neal came to Arkansas in 1842, settling in Searcy County, and in 1853 moved to White County, where he bought a farm of 160 acres, all timbered land, and cleared about sixty of these. James R. Neal spent his early boyhood on the farm and attended the subscription schools. He was married to Mary J. Holland, a native of North Carolina, as were also her parents and grandparents on both

sides. James R., his father and four of his brothers were all in the Confederate service. He enlisted on September 13, 1861, in T. H. McRae's regiment, for twelve months, at the end of which time he enlisted for three years or during the war. He participated in the battles of Prairie Grove, Helena, Little Rock and many others, and received his discharge June 5, 1865. He was married while in the service and while home on a furlough. After the war he settled on a farm in this county where he has since resided. To this union were born seven children: Alice C. (Brumlow), Kiddee S., Lucy A. (deceased), Mary J. (Harrison), John W., Ella F. and Henry W. Mr. Neal is a Mason, and belongs to Centre Hill Lodge No. 114. Himself and wife are members of the Missionary Baptist Church; he has a fine farm of 160 acres, with fifty improved and in a high state of cultivation. He is a prominent Democrat, and takes an active interest in all public improvements, or all work for the good of the community.

John H. Neal, Searcy, Ark. This much respected citizen and pioneer came to White County, Ark., in 1850, and settled in Searcy, where he followed merchandising. In 1851 he embarked in the grocery and general merchandising business, and this continued until 1854, he being one of the pioneer business men of Searcy. In 1854 he engaged as clerk in dry-goods business houses, and this continued until 1861. He was born in Maury County, Tenn., in 1830, being the youngest in a family of nine children, born to James and Sarah (Dodson) Neal, natives, respectively, of North Carolina and South Carolina. The father was a planter, and at an early day moved to Tennessee, where he died, in Fayette County, in 1845. The mother died the same year. In their family were the following children: William D. (married, and came to Arkansas in 1844, settled in Searcy County, and followed farming. He enlisted in Van Buren County, in 1861, and received a gunshot wound through the thigh. He was taken to Camp Dennison, Ohio, remained as a prisoner until exchanged, and returned in 1863; he died in 1869). Meridith H. (came to White County, in 1852, and lost his first wife the same year. He was a Methodist Episcopal, South, preacher, and returned to Memphis in the fall of 1852, taking charge of South Memphis Church. In 1874 he returned to White County, Ark., and in 1877 went to Tennessee, where he died in 1883). James M. (married, came to White County, October, 1850, and settled in what is now Des Arc Township, where he opened up a farm. His death occurred in 1852). Nancy (married P. L. Downey and moved to Searcy County, Ark., in 1846. Her death occurred in about 1857 or 1858), Elizabeth L. (married W. R. Johnson and moved to Searcy County, Ark., in 1846. She died in Fulton County, Ark., in 1877), Mary G. (married J. J. Crouch, a Methodist minister, and came to Searcy County, Ark., in 1849. He was a pioneer preacher of that county. Her death occurred in 1850), Martha A. (now Mrs. Evans, the only surviving daughter, lives in Izard County) an infant named Sarah. John H. Neal was reared to farm life, received his education in the schools of Fayette County, Tenn. He commenced for himself at Searcy, Ark., in business, in 1850, and continued thus employed for some time. He was married in Searcy, Ark., in 1852, to Miss Mary A. Clay, a native of Louisiana, but reared in Missouri, and the daughter of Lewis A. and Mary

Clay, natives of Virginia. Her father came to White County, Ark., at an early day and died in Searcy in 1874. The mother died some years before. To Mr. and Mrs. Neal were born five children, three now living: Augustus E. (died in 1887, at the age of thirty-three years), James A. (died in 1865, at the age of ten years), John D. (is a prominent educator, and is teaching in the public school at Newport, Ark., where he has taught for six years), Henry Clay (is married and resides in Corsicana, Texas, and is engaged in commercial pursuits) and Mary A. (who is now Mrs. Hale, resides at Texarkana, Ark.) Mr. Neal lost his wife in November, 1863, and was married again, in White County, in 1864, to Mrs. Kiddy A. Neal (nee Holland), a native of North Carolina, and the daughter of Willis B. and Lucinda (Barbee) Holland, natives of Wake County of the same state. The father was a planter by occupation, and in February, 1851, immigrated to Henderson County, Tenn., where he continued his former pursuit, and in connection taught school. In 1852 he came to White County, Ark., resided in Gray Township for three years, and in 1854 moved to Des Arc Township, settling where Centre Hill is now located. He sent in the petition and established the postoffice at that place, and was made the first postmaster. In 1860 he moved to Van Buren County, and in 1863 returned to White County, where he remained until 1865, and then moved to Searcy. His death occurred at that place on March 7, 1869. His excellent wife survived him until January 22, 1888. The father was county surveyor, surveyed and resurveyed a great deal of the county. Socially, he was a member of Searcy Lodge No. 19, A. F. & A. M., was also a member of Tillman Chapter No. 19, R. A. M., and was High Priest of the same. He was also a member of Searcy Council No. 12, and aided in the organization of Centre Hill Lodge No. 114. He was a charter member and was Worshipful Master of that lodge. There is a lodge, Holland Lodge No. 158, in Van Buren County, which was named for him. To Mr. Neal's second marriage were born no children. Socially, Mr. Neal is a member of Searcy Lodge No. 49, A. F. & A. M., and was the second Mason initiated into that lodge, having joined in 1852. He has been Worshipful Master of the lodge, and assisted in organizing Centre Hill Lodge No. 114, and was Worshipful Master of that. He is a member of Tillman Chapter Lodge No. 19, R. A. M. and has been High Priest in the same. He is also a member of Searcy Council No. 12, and has thrice been Illustrious Master of it. Mr. Neal is a member of the Eastern Star Chapter No. 5, and is one of the representative men of the county. Mrs. Neal is a member of the Eastern Star, has been Worthy Matron several times, and was elected First Grand Matron of the State, in 1876, and served one year. She is a member of the Baptist Church, and he a member of the Methodist Episcopal Church, South, and both have been members for thirty-six years. During the war Mr. Neal was postmaster and justice of the peace, and after the war (in 1871) he engaged in the undertaking business, which he has carried on successfully ever since that time.

U. S. HOUGH FAMILIES in 1880 WITH CHILDREN UNDER 10 YEARS  
BY Granville W. Hough

In order to determine educational needs, special arrangements were made in 1880 to determine all U. S. households with children under ten years of age. The special lists which resulted are arranged by state in what is called the Soundex System. About one-fourth of all families and census entries are recorded in this system. Counties where the young HOUGHS are found are generally the counties where the single adults and families with older children are also found.

The compilation which follows shows the family heads by state and county, age, state or county of birth, and earliest known ancestor in the U.S. Because of the settlement of the U. S. from East to West, the listings start from the West Coast and work back across the U. S. following the immigration paths. Corrected and full information will be given where it is known.

Editor's Note: Many Many thanks to Granville W. Hough, 1026 North Richman Avenue, Fullerton, California 92632 for all this very valuable information. For additional information on the Hough and Huff Families, Mr. Granville W Hough has recently completed a text of 155 pages, including indexes, and bound in soft cover. A brief record of non-descendant Hough and Huff families in Mississippi. For comparison and interest, also is listed Hough and Huff Family heads on the 1790 census, known immigrants, and other family founders. Work is being continued on these Families on a national scale.

"Tis not the rich, the great, nor the high born, but the combination of all through generations that makes the superior man. All high born are not necessarily of the best, nor because a man is rich or a big general or senator is he necessarily of the best, for though some rough diamonds are of value and though we find fine things in all nature, still the best come of cultivation through generations, and so we wish to find in the study of GENEALOGY the rough diamonds, nature's gems and the cultivated variety and to all give honor."

QUERIES

One of the most frequent requests for help is to obtain a birth certificate. (or death) These records have been kept (in Arkansas) since Feb. 1914 and may be obtained from Arkansas State Department of Health, Bureau of Vital Statistics, 4815 West Markham, Little Rock, Arkansas 72201. Enclose \$2.00.

Many people have filed delayed birth certificates and it is often possible to obtain a certificate on a person born well before 1900. This is especially true if they have participated in the Social Security program. Some records are missing after 1914 because a doctor was not present at the birth or death and it was never reported. Forms may be obtained from the above source for filing a delayed birth or death record. If it is not on record with the Bureau of Vital Statistics, there is no way a birth or death certificate can be obtained.

Some substitutes are available for establishing birth and death dates: Old Bible Records, tombstone inscriptions, old newspaper items, and county records. Birth records are not usually found in county records, but the death date is often given in the Probate Records when there is a will or the estate goes into Probate Court. Census records serve to give an approximate year of birth.

The Genealogical Assistance Committee will answer all letters enclosing a stamped envelope, giving suggestions on Arkansas material, researchers, etc. They do not offer free research.
