PRESIDENT'S PAGE -

In reviewing the past year's work, I must first of all give much deserved credit to all of you members who have generously given of your time to the work of our ARKANSAS GENEALOGICAL SOCIETY.

Everyone has been most helpful in sending in family data to our capable, energetic editor, Mrs. M. B. Cia, and she has incorporated all of this data to provide us one of the most interesting, useful publications available in our field.

Much interest was generated by the two Seminars we sponsored, and many new members were added as a result. Mr. Ronald Bremer of Salt Lake City conducted the Seminars and all who attended were impressed with his "know-how" and methods of imparting his knowledge to those of us, both novices and "old heads" who could be present.

Our membership of AGS has grown to a record number of some 520. About 30 of these are from various libraries, about 10 represent exchanges with other Societies, and the remainder represent individuals.

We added one Honorary member to our list this year; Miss Jane Lyle of Little Rock is a pioneer genealogist; she is a charter member of AGS and we are most happy to confer this honor upon her.

The announcement of the publication of our Ancestor Chart book was made at the Annual meeting and it contains 66 charts of members and friends. These are mentioned elsewhere as to availability and price. We only grazed the surface with these 66 charts, and already have enough on hand to publish several more books; let me urge you to send in your chart for inclusion in one of the future publications.

We are pleased with the formation of a new Genealogical Society in Batesville; it was organized September 4, 1975 with the intent of promoting the purposes of the AGS in Northeast Arkansas, particularly in the counties of Independence, Jackson, Sharp, Lawrence, Stone and IZARD Counties. Their president is Mrs. Chalman E. Green of 2165 Lyon Street, Batesville, Arkansas 72501 and their Secretary is James L. Morgan of 314 Vine Street, Newport, Arkansas 72112. This group has already volunteered their services in the work of indexing the 1976 ARKANSAS FAMILY HISTORIAN. We certainly appreciate this offer and are most happy to accept.

Now, let me thank you for electing me again -- to serve you in 1976. I hope that we can continue to work together for the betterment of our Society and the constant generating of more interest in our hobby (obsession, that is!). Thank you, again, for your trust in me and I hope to warrant that trust.

Our next Quarterly meeting will be held December 6, 1975 in Newport, Arkansas. Quarterly meetings are open to all members and, if you like, join us there about 11:00 at the Library, browse around the library, have "Dutch Treat" lunch with us and stay for the business meeting.

This is the last publication for year 1975; don't forget to send in your membership dues for 1976.

Sincerely,

Roberta Hollis, President
(Mrs. Hayle P.)

NOTICE! NOTICE! NOTICE! NOTICE!

The first Volume of our ANCESTOR CHARTS #1 THRU #66, OCTOBER 1975 was released at the Workshop. There will be several more issues as we are gaining new members, and we already have enough charts to fill several volumes. If you have not sent your Chart, it is still not too late, but lets get going! My Chart was not ready for Vol. I but it is now! Volume I is \$3. (make check to: Ark. Genealogical Soc. and send it to 4200 "A" St., Little Rock, Ark. 72205) Only 300 were printed so do not wait very long, as many are already sold!

QUERIES

The Arkansas History Commission has been mentioned before but I would like to bring its full importance to the attention of our members. It is our STATE ARCHIVES, authorized and financed by the Arkansas Legislature. It is located in the Old State Capitol, 300 West Markham Street, Little Rock. A beautiful building, but not suitable or adequate for our State Archives.

Dr. John L. Ferguson is the State Historian and has a staff of eleven people. They are responsible for all public appearances, ordering, cataloging, indexing, filing, filming, film processing, correspondence, assisting the public in research, etc., (in other words: FULL OPERATION). They are very efficient and courteous and will make every effort to help with research problems but they do not have sufficient personal to do your research for you. They expect to serve over 5,000 patrons and handle over 10,000 pieces of mail in 1975.

Anyone interested in Genealogy will profit by a visit to the Arkansas History Commission. There are ten microfilm readers, and one person is always on duty to put the film on the readers, check out books and offer assistance in locating needed material. When needed, a second person will come in to help, if at all possible. Sometimes they just do not have a second person. It is necessary for all microfilm to be loaded and removed by a member of the staff because all people are not familiar with the operation of the readers the microfilm must be returned to the correct box, and be replaced in the correct file. Books and manuscripts must be protected from mutilation and theft by the public. They have Census records for all the various states, Biography files, Military records, County records, Cemetery records, books, magazines, old newspapers, Post Office records, and many others depending on what has been given to this office, and what their budget will buy.

This is OUR STATE ARCHIVES, and it needs our support. Go by and use these important records, and see for yourself what we have and what we need. Let's let out Governor and Legislature know the services that are provided and the need for adequate facilities and personnel to take care of the preservation of the Historical Heritage of our State. Let's give them our recognition and support.

MRS. LEISTER E. PRESLEY

The Genealogical Assistance Committee will answer all letters with encloses S.A.S.E. (Self addressed Stamped Envelope). We do not offer free research, but will make suggestions as to where to search or will try to suggest a researcher who works in the section of the state where your Ancestors may have lived. Send to:

IMPORTANT NOTES FROM YOUR EDITOR!

This is the last issue for 1975! Before you forget (or get left off the membership list for 1976) use the pink slip in the front of this issue and send your 1976 renewal. To the many who have already, without a reminder, sent in their money, our most humble thanks! This has saved postage and of course once your card is moved to the 1976 new file, you will not wonder if enough copies will be printed. This year has already seen two reprints, in addition to a complete new publication, our own ANCESTOR CHARTS.

We did hope to print two volumes in 1975, but time ran out. We will try to get an early start in 1976 and see how many we can publish. Enough for several issues are already on hand, but it will take some doing to get them in order to print and indexed, so if you have not sent your ancestor Chart already, it is not too late (take your time, and make it as complete as possible, but do send it!)

For the present we do have some material on hand for our Arkansas Family Historian, but remember it takes much material for an entire year, so check your own Family Histories and if you have enjoyed the information others have shared with us this year, they may also enjoy knowing about your family and the more we get into print the less chance of loss by fire, etc. So remember the more you share, the more someone else will share with us.

December 6, 1975 will be our last meeting for 1975! This will also be a different type meeting. See details below:

The winter Board Meeting of the Arkansas Genealogical Society, Inc., will be held at Newport and neighboring Jacksonport on Saturday December 6. All Members of the Arkansas Genealogical Society are invited to attend this meeting, which will serve as a regional meeting by permitting members in Northeast Arkansas who might not otherwise be able to attend a meeting to participate in the activities of the Society.

The initial meeting point will be the Jackson County Library at Walnut and Third Streets in Newport. A tour of the Library will begin at 10:30 a.m. After a dutch treat lunch at one of the nearby restaurants, the meeting will continue at the Jacksonport Courthouse Museum at the Jacksonport State Park, three miles west of Newport on Arkansas Highway 69. This part of the meeting will feature a special tour of the museum conducted by Lady Elizabeth Luker, curator of the Museum and an Honorary Member of the Arkansas Genealogical Society. We are looking forward to seeing you at this meeting.

NEW OFFICERS AND DIRECTORS FOR 1976

Our new Vice President is Marion S. Craig, M.D.; Corresponding Sec., Mrs. Vernoise Chambliss; Herald, Mrs. F. E. McGowen; Historian, Mrs. Larry P. Clark; Secretary, Ms. Margaret Hubbard; Treasurer, Mrs. Gerald B. McLane (these offices were divided because of the added work load this year, with 530 members). New Directors: Mrs. C. G. Ball; Mrs. Carroll C. Cannon; Dorr W. Powell; T. O. Hamaker,

Again a special thanks to all of you who have written nice little messages, especially about our Arkansas Family Historian. There is just no way, I can answer all of your friendly remarks, but while stamping the labels, I have many friendly little things running thru my mind! Sometimes wonder if you are still in the same place this time!!! (we do have some in trailers and they are not the only ones that MOVE) most everyone is notifying well in advance, before they do move now, and that really saves problems.) Some few are the only member in their STATE (isn't that unbelievable? but word is getting around. Last year only a few members lived in Louisiana, now we have many, and will welcome many more. Sometimes a name stands out, as having promised Family Records material (I remember those) and especially the ones who have sent material. Some have offer to help others, in some area (out of reach to many members). We have some semi-invalids, some deaf & dumb (all are eager to work on their family records.)

Again last but certainly not least! Our SPECIAL SPECIAL thanks to Ms. Margaret Hubbard for our 1975 Index. We have lost count of the Indexes she has not only made, but typed ready for reproduction in our Arkansas Family Historian. This time again we are reaching your mail box early!

Many THANKS to everyone for helping to make this OUR QUARTERLY!

Sincerely,

Elaine Cia
