EDITOR'S NOTE: J. M. Wolf, 11011 Hedwig Shadows, Houston, TX 77024
"I am enclosing my recently completed Outline of the WOLF FAMILY for publication in our ARKANSAS FAMILY HISTORIAN. I am working on a much more comprehensive History of the Family and would appreciate any leads on Wolf information anyone may come across in the future."

The Wolf Family History is truly the history of the American Pioneer, moving ever Westward in search of the newer and better lands. According to Family Tradition, our first known ancestor, Michael Wolf (Woolf), brought his sons: Michael, Jacob, David, and Wolfgang, to America in 1750. This has been verified to some degree by the passenger list of the ship "Richard And Mary" which arrived in Penn. in 1754. All of the names mentioned above are found on this list.

The Family moved to North Carolina before the Revolutionary War and settled in Salisbury District, Rowan County, N. C. In 1799, the Family moved once again, this time to Hopkins County, Kentucky, where they remained until 1820.

The Wolf's came to Arkansas when it was known as Arkansas County, Missouri Territory. They settled in the present day counties of Baxter, Marion, and Izard. The men of the Wolf Family have served in the Revolutionary War, The War of 1812, The Civil War, The Spanish-American War, The First World War, The Second World War, and the Korean War. The Civil War, which saw more than 30 Wolf Family Males serve the Confederacy, destroyed the unity of the Family and caused most of it's members to migrate to Texas in the 1870s.

I will attempt to outline this large Family in the following narrative, and will include, at its' end, a letter written by my grandfather, Dr. Joseph Marion Wolf, which may shed some additional light on the life of the Arkansas Pioneers.

I. Jacob Wolf, the earliest member of the family on whom any verified information has been established. He was apparently born in Germany ca 1740 and came to America with his father and brothers in 1754, landing in Pennsylvania. He moved to North Carolina before the Revolution and settled in Rowan County, North Carolina. The earliest date on him is 1783 when he became Constable of Rowan County. In the 1790 Census, Jacob Wolf of Rowan County, N. C. shows one white male over 16 years of age. He served with a company of rangers during the Revolutionary War, under Capt. Peter Hedrick. He moved with his son, Michael, to Hopkins County, Kentucky in 1799 and hence to Izard County, Arkansas, in about 1820. He died in Izard County after 1830. I know the names of only two of his children:

1. George Wolf lived in Hopkins County, Kentucky from 1799 to 1821 when he moved to Lawrence County, Missouri.
2. Michael Wolf, b.? d. after 1840. (See II)

II. Michael Wolf, the son of Jacob Wolf, was probably born in Pennsylvania about 1760. He married Catrina Hedrick (Heidrich) of

WOLF FAMILY (Con't page 2)

Salisbury District, Rowan County, North Carolina ca 1780. He owned considerable farm land in Rowan County as well as a blacksmith shop in the town of Salisbury. It was in North Carolina that his first four children were born. In 1799 Michael moved, with his father, brothers, wife, and children, to Hopkins County, Kentucky. He received a Land Grant on Deer Creek, a branch of Green River, in what is now Christian County, Kentucky in 1803. Michael became an established citizen of Hopkins County, owning several farms and appearing as an executor on a number of Wills. During the War of 1812 he served as Captain of his own Company in Caldwell's Regiment of Mounted Militia in General Samuel Hopkins Campaign against the Indians in the Fall of 1812. In 1820 Michael, his Father, Jacob, and all but one of Michael's children, followed his eldest son, Jacob, to the Territory of Arkansas, settling near the present town of Norfork, Arkansas. He died between 1840 and 1850; he and his wife are both buried in an old cemetery "near the first Masonic Lodge built in Northern Arkansas, located on the bank of the White River about 4 miles down river from Norfork. III. Major Jacob Wolf, the eldest son of Michael and Cathrina Wolf, was born in Rowan County, North Carolina, May 12, 1786. He was married three times; the 1st to Miss Mildred Meredith of Kentucky on March 9, 1809 in Hopkins County, Kentucky; the 2nd to Elizabeth Lantz Saunders a native of Ohio, they were married in Arkansas ca 1823; the 3rd time to a Mrs. Shipp a native of Georgia. The Major was blacksmith and farmer in Kentucky before he moved to the Arkansas Territory between 1809 and 1820. He came to Arkansas as an Indian Agent and established the village of Liberty at the North Fork of the White River. The Major was a soldier, statesmen (served 10 years on the Territorial Legislature), Baptist Deacon, blacksmith, and farmer. Note: (1) I have not expounded upon the collateral lines involved in this outline, however, in the event any of the readers of the Arkansas Family Historian are interested, I have a great deal of information on the Eaton Family and the Adams Family (thanks to Sue N. Farrand) Which I will be glad to share.

(2) On October 9th, 1975 Miss Mary Gertrude Wolf, my paternal Aunt, passed away. I, and anyone else interested in the Wolf Family History, owe her a great debt of gratitude; for it was her wealth of memories, covering a period of 95 years that gave me both the information and the inspiration to begin delving into the Family History.

MARY WYRICK, born in S. Carolina, 1 January 1806, died 29 July 1861. Footstone on Mary Wyrick had the letters M.W. It was told to me that at one time there were three tombs here in this cemetery, but I did not find the third. There are large holes dug near the Cemetery and this was done by people looking for buried treasure. This couple well could be some of the first settlers in Columbia County. Jacob Wyrick was killed in a Saw Mill Accident.

Submitted by: Gunter L. England, 526 West Vandervort, DeQueen
Arkansas 71832

The Twenty-third Annual Reunion of the Buffington - Gunter families was held on the regular meeting day, the Sunday before Labor Day, September 5, 1976, at the home-place of the family in Arkansas at College Hill (Columbia County). The estate has been in continuous family ownership and presently belongs to Franklin and Jean Gunter.

Family members came from as far as Pawcatuck, Connecticut, Louisiana, Mississippi, Oklahoma, Texas, and all over Arkansas.

More than 110 members enjoyed their family kin. Six babies less than one year old attended.

A sumptuous meal of barbeque and delicious dishes brought by each family were enjoyed by all at noon.

The reunion Chairman, Mr. Gunter England, advised descendants of Godfrey Hartsfield how to become members of the Sons of the American Revolution.

EDITOR'S NOTE:

The following article was written by Dr. C. Richard King, Austin Texas, for the Texas Co-op Power newspaper, September 1976 issue.

Jacob and Holland Hankins, born 1872, were twin sons of Frank Hankins, born 1847, Tennessee. Frank Hankins was son of William Harrison Hankins, born 1825, Tennessee and Martha (Albright) born 1826, North Carolina.

William Harrison Hankins was son of Carter Hankins and Lucinda (Austin) who came to Drew County, Arkansas before 1850. William Harrison Hankins and family settled in that part of Arkansas between Drew County and Pine Bluff, Arkansas. In the 1860 census, they were counted in Jefferson County and in 1880 in Dorsey County.

Our many thanks to Mrs. L. S. (Marie Hankins) Orrick, 3629 Wedgway, Fort Worth, Texas 76133 for bringing this to our attention and sharing with us. She also wrote Dr. King for permission to share this with the members and readers of our Arkansas Family Historian and received a letter giving his permission.

HANKINS NORMAL COLLEGE

A SCHOOL FOR THE PEOPLE

PAGE 12 • CO-OP POWER

By DICK KING

■ "THE LITTLE COLLEGE on the hill" is no more, wrote historian Rupert N. Richardson.

"Many decades have passed since last its bell tolled the noon hour or closed the day's classwork at five or six o'clock. The torch it bore was not a brilliant one, but it gave a sure light, and around it gathered scores of youths who later served their country well."

Such a college was Hankins Normal, whose students became judges, congressmen, university professors, teachers, housewives, ranchers, and civic leaders—but most of all, solid citizens.

Hankins Normal's history began when Tom Vaught, his wife, eight children, and a dog named Jim arrived in a three-wagon caravan from Black Springs, Arkansas. It was in 1896 that the Vaughts unloaded their household goods in Eastland County, Texas.

When it was called to his attention that the Leon Springs School trustees had been unable to secure a teacher, Tom Vaught suggested that they contact an educator he had known in Arkansas. The school administrators did so and were delighted with the man who took charge of their school.

Grand View trustees, experiencing the same problem, decided to follow the same procedure. They asked Vaught to contact a teacher. He wrote J. H. Hankins, who accepted the job. A year later, J. H.'s twin brother, J. F. Hankins, began teaching at Breckenridge.

In a short time, Gorman, a community boasting a bank, railway station, two cotton yards, the usual mercantile, ready-to-wear, and grocery stores, hired the Hankins brothers as superintendent and principal of the school.

When the twins took over, they brought with them an accumulation of four college degrees, administrative ability, common sense, and superior teaching techniques. As Mrs. Bob Boucher of Post explains it, they we-

teachers "from the innate part of their souls."

In 1905 they realized a dream—opening a college. When they swung open the doors to Hankins Normal, they attracted students from Stephens, Eastland, Comanche, and Erath counties.

With the backing of Gorman merchants and area farmers, the Hankins twins built a three-story academic center. On the first floor were classrooms. The main auditorium which also served as a study hall occupied the second floor. And on the third floor were laboratories for business courses.

Eventually, the college had a staff of a dozen teachers who saw that their students learned Latin, English grammar, oratory, expression, bookkeeping, shorthand, typing, history, literature, music, and science.

Within several years, the campus included a dormitory for men students, who found that large wash tubs could be used not only for baths but also for bouncing down stairs.

Women students who came from out-of-town rented rooms in private

homes. One 83-year-old resident of Gorman says practically every house in town had a Hankins student at one time or another. Board cost \$10 to \$12 a month.

The boys' dormitory burned, and in 1912 the doors of Hankins College were bolted. The classroom building was converted into a private residence, and the Hankins families eventually moved to Lubbock, where they were quite successful in real estate, cotton and cattle. Ever interested in education, J. H. donated two whole city blocks for the building of the

Texas Technological College campus.

By the early days of the depression, former Hankins students had begun to make names and places for themselves, and it was suggested that they hold a reunion.

For years, exes were devoted to homecomings. Even during the World War II years, they missed only two get-togethers, even though transportation was limited by gas and tire rationing. Then, in 1965, 15 Hankins exes met in Gorman. Thirteen voted to do away with the annual event.

THOMAS IRVIN ROOP
by - B. O. Roop

My father, Thomas Irvin Roop, 402 West 4th Street, Heavener, Oklahoma recalled one of the early events of his youth.

While his father, William Henry Roop and his mother, Margaret Rebecca (Gragg) Roop, were living in the vicinity of the "Page Community", Choctaw Nation, Indian Territory. Mr. Roop heard about the construction of the proposed QUEEN WILHELMINA INN atop Rich Mountain, a few miles to the east in Arkansas.

He and his sons had made their living "working timber", selling railroad ties, and saw logs; from Blansett in Scott County, Ark., west down the Blackfork River Valley, through Blackfork, Arkansas and Page, Indian Territory and on south as far as Tusklahoma along the Kiamichi River in the Choctaw Nation, Indian Territory for some 18 years, and it was here on the Kiamichi River near Tusklahoma, that TOM ROOP was born in a covered wagon 25 September 1892, with a Choctaw Indian Woman acting as Mid-wife.

It was while living at Page, that W. H. Roop heard that trouble was being had, wearing the steel rims off the wagon wheels from having to use the brakes so much on the descent down the mountain, from the construction site of the QUEEN WILHELMINA INN.

He approached those in charge of construction and ask for the job of hauling supplies up to the Construction site, and was welcomed to the job.

This was about 1898. He took six Donkeys and used them with two "strapped packs" that would hold about 100 pounds each and with these donkeys he would "pack" up sand, cement and lime and other materials that could be handled with these pack animals. This from an elevation of some 950 feet on the Valley floor to about 2800 or 2900 feet on top of the mountain, and a distance of some three miles or so.

After he got enough money from these donkeys, he went south toward Mena, Arkansas to "WHITE ROCK PRAIRIE" and bought a team of large white horses and a wagon and used these to haul the heavier and more bulky materials up the mountain.

After unloading the supplies and materials up on top of the mountain, he would cut a small tree with a heavy brush top, and tie it to the coupling pole on the wagon; to act as a "drag" or an additional brake. He didn't have to use the brakes on the wagon much as he descended the mountain and in so doing, saved the steel rims of the wagon wheels from severe wear, and the team "didn't have to pull very hard to come down the mountain either".

Through the years, I have thought about the labor and hard work involved in the original construction. The number of trips that the team could make each day; the numerous "rest stops" necessary to let the animals "blow" and water.

Now days the ascent is made on a hard surfaced road in an air conditioned car, in a matter of 5 to 8 minutes, from the valley below.

Even more interesting to me is to reflect on what my Grandfather would think about the huge railroad steam engine, sitting on top of the mountain; and it makes me wonder how he would have solved that problem with his donkeys and team.

One thing couldn't have improved much though through the years, and that is the view and scenic beauty of it all, here hight atop RICH MOUNTAIN, that places God's green earth so near heaven, that little additional effort is required to look up and about, and see the wonder of all in God's creation.

EDITOR'S NOTE: Our thanks to B. O. Roop, Route # 1, Fayetteville, Ark. 72701 and to Bill C. Hulsey (one of our Ark. Family Historian members) for thinking about our members & readers and getting the authority to release this very interesting, and heart warming bit of material from B. O. Roop. These two men are working together on the HULSEY-ROOP-BARNES Family History. For those readers who live so far away, and will never see and enjoy RICH MOUNTAIN, a word of sympathy, as it is truly a wonderful sight, and to spend the night there is another wonder. Drop Mr. Roop a note if you too have enjoyed his article.

TROOPS told that some Arkansas Troops were among those brought

Aug. 1862. More than 2,000 were ill here at the time
(hot weather, measles epidemic after exposure at Vicksburg, poor water

were buried here at that time. Any clues or scraps in Arkansas Family

ANTHEM T. A. Anthem, Route 2 Box 95A, Liberal, Kansas 67901
BATES When Albert Ansley ANTHEM and his parents came to America about April 1846, they settled near Batesville, Indiana. His parents died of typhoid fever about 1852, when Albert was 6 years old. Albert was put in an orphanage by an Uncle Tom ANTHEM, who did not care for him. Albert later ran away from the orphanage and stayed with some colored people until he was old enough to work. We have no record of where this orphanage was or the name of it. We have no record of the name of the colored people he stayed with or where they lived. Albert was a Drummer Boy at an early age in the Civil War. He was a Confederate (or Rebel for the South). We have no record of time or place where he enlisted in the War. Albert had a scar across his forehead, he said he got when he stopped to pick some apples and one of the enemy soldiers cut him with a saber and left him for dead. Albert remembered very little about his parents. He thought his mother's maiden name was Bates, and she was a very large German woman. His father was a very small Bohemian. He did not remember either of his parent's given names. Albert thought his Uncle Tom Anthem was a Minister and had 15 children, and Tom's father was a Saloonkeeper. Albert was very young, when he last saw his uncle, so Uncle Tom could have been an adopted uncle. Albert had a 4th grade education & was a blacksmith. We do not know where he received this training, he talked very little of his past life.

Albert Ansley ANTHEM was born on a ship between Germany and the United States, 7 April 1846 (another record 1856) and died 11 October 1923 at his farmhome 13 miles south and 4 miles west of 8th & Main Street at Woodward, Okla. 16 Sept. 1893, Albert ran in the Oklahoma race for land and homesteaded a farm northeast of Fay, Okla., in Dewey County.

On October 8, 1903 at Fay, Okla. "Indian Territory" in Dewey County he married Kate REININGER, born 30 Oct. 1872 at Columbia, Ill., and died 2 June 1952, at Alva, Okla., in a nursing home. Both Albert & Kate were buried at South Persemin Cemetery, 14 1/2 miles south and 3 miles east of 8th & Main Street at Woodward, Okla. This place that Albert & Kate ANTHEM lived, was homesteaded in Kate REININGER's name (only it was spelled REINGER). The location of this place is Township 21 north, Range 21 West, Section 32 in Woodward County, 160 acres. When they arrived to homestead, they came as brother & sister and stayed in Woodward, OK.

They came from Fay, Okla. in a covered hayrack with 4 head of horses to pull it. Their twins were about 6 months old and they put them in a wooden cradle, Albert had made. They put a kerosene lantern near the cradle to keep the babies warm. The twins were named Tracie & Henry ANTHEM. They also had a spring-wagon with blacksmith tools and furniture, etc. and two horses to pull that. They came on 15 Dec. 1904.

After Albert's death in 1923 this place was sold to Ross Bellows, later Ross died and his son "Bud" Earl Bellows, got this farm as his part of his father's estate, he is still the owner in 1973.

While Albert lived on this farm, he played in a neighborhood band known as the "Carlile Band". He played a c b "flat" Clarinet. This was about 1911. This material was written by Theodore & Verla ANTHEM

QUERY - We have a receipt where Albert Ansley ANTHEM paid taxes in Phillips County, Ark., 7 Feb. 1884 for 1883. We also have a receipt of a registered letter No. 29 from the Post Office at Marvill, Ark., received 30 June 1883, this was addressed to G. W. James & Ross - Boston, Mass. There were four of us children: Tracie (dau.) Henry (twins) Henry died when he was about 14 months old. Tracie is still living; John died in 1949; Theodore Anthem. We are all married and have families. We have never found any others by the name of ANTHEM and we have looked about every place. We would appreciate any information about any of these people or anyone by the name of ANTHEM. Will exchange data.

 had its origin in America. A friend and I are nearing
 completion of a book to include all the Census returns of Stafford Co.,
 VA from 1810 thru 1850 w/master index; an originating county for many
 Southern families...I recently transcribed all the Tackett families from
 Ark. from 1900 Soundex (also Miss., MO., Kans., Iowa, Ala.) so have made
 a low of "new" connections. Of course, we can't publish the 1900 Census

HOBBS Mrs. Nanetta(HOBBS)Tice, 175 Jackson Ave., Bradford,
Pennsylvania 16701 - My HOBBS data is on file at Nash-
ville, Tenn., and several other places. The immigrant, Vincent HOBBS,
Sr., (1735 to Md.; ca 1769 to S. W. VA. near Abingdon) had a son JOB
who went from VA. to Knox Co., Tenn.; to Illinois and finally to
Madison Co., Arkansas, where he applied for Rev. War Pension 1859 at
age 100. He lived a couple of years after that. I don't know about
his own children, if any, and am at present typing up the pension
papers from the Archives, since the script is hard to read. It will
be some time before I have it finished, since my time is limited,
however I have the Family Line in typescript, for anyone who wants it,
available for cost of xerox at 10 cents a sheet, which is the library's
charge. I also require money for first class postage. It would run
three or four dollars for all depending on what the person wants. It
does not include the pension papers typescript, which is not ready, nor
any children of JOB, but for anyone descended from JOB (knowing they
are his offspring) there is enough for a D.A.R. or S.A.R. membership,
through JOB and his father, VINCENT HOBBS, SR. Children of Vincent
HOBB, Sr., are shown, including JOB.

came from the Family Bible: Henry Peoples, born 10 Aug. 1864, Louisiana,
his family moved to Magnolia, Columbia Co., AR. Any information will
be greatly appreciated & I will gladly exchange.

WHEN YOU HOPE FOR AN ANSWER TO ANY GENEALOGICAL QUESTION

TUFTS W. R. WISSEMAN, 521 South Dyre Ave., West Islip, N. Y.
SCOTT 11795 - I am researching my wife's family & have determined that her great great grandfather's son Major A. A. TUFTS (1847-1909) lived and died in Camden, Ouachita Co., AR. He was a prominent citizen and it is my thought that perhaps his descendants are still in the area. More interest is in his parents, etc. but these are a few facts about A. A. Tufts, born 3 Sept 1847, Milwaukee, Wis., parents, Amos TUFTS, 1801? to 1854, Medford, Mass, wife Adelia Shipper, 1812-1869, Springfield, Mass. Brother - Theodore A. TUFTS, 1841-1921, (my wife's great grandfather. His wife was Nellie SCOTT of Camden, AR. they married Feb. 1873, she was daughter of the Hon. Christopher C. SCOTT, 1840-1860s Assoc. Justice of the Supreme Court of Ark. Service, Major in U.S. Army from Illinois. Settled in Camden, Ark., May 1867, was Deputy Clerk of Ouachita Co., 4 years. Elected County & Circuit Clerk, 2 yrs. Admitted to the Bar. Receiver of the U. S. Land office 1871-73, 1885 & 1889. Supreme Rep. of the Knights of Pythias of Ark. Grand Commander of Knights Templar. Shriner, Elk, & Odd Fellow. Died 4 Feb. 1909 in Camden, Ark. Questions: What reference information can be suggested about Major TUFT'S parents & Ancestry? Would any of the fraternal orders noted above have required a family history? Would there be any newspaper articles about marriage, deaths, etc., be available. Any help would be appreciated. I have the following: BIOGRAPHY: Maj. A. A. Tufts, Camden Banker, died 2/4/1909, Gaz. 2/5/1909, p. 7, c 5. TUFTS, Mrs. A. A., of Camden, daughter of Mrs. E. S. Scott of Camden, Confederate Women of Arkansas - pp. 46-48. TUFTS, Alfred A., Ouachita Co., So. Ark. p 701. Also, Ark. Gaz. Death notice of Maj. TUFTS, 2/5/1909.

SMITH Charles N. Ferguson, 306 W. Beard St., Shawnee, OK
74801 - Mattie J. SMITH, born 15 Nov. 1852, Ark.
Recently I found some pictures of persons named SMITH & they look like maybe of Indian Ancestry. These are either Mother & Father or Brother & Sister or both of Mattie J. SMITH. Their names are John SMITH, Mary SMITH, J. M. SMITH - probably James Monroe, C. A. SMITH - probably Clara Attie. Mattie J. SMITH was 1/4 Choctaw Indian & these people look as though they might be 1/2 to full Blood Choctaw. They possibly lived in Arkansas in the 1800s. I appreciate the help I have already received from the Arkansas Family Historian, maybe someone can help with this information.

DAVIS Mrs. Anna L. Simmons, 304 E. St., Lincoln, Neb. 68508
I have been doing research on a DAVIS line, located
in Baxter Co., Ark. The Court house burned ca 1890 and most of the
earlier records seem to have been destroyed. I am aware of a History
of Baxter Co, by Mary Ann Messick & am in the process of getting a copy.
Any other ideas as to books or records that might contain Genealogical
material would help. Some of my relatives still live in Baxter Co,
but they can only give bits & pieces of information, as they are too
young to remember some of the things I need. Any suggestions or help
would be appreciated & I will gladly exchange.

SHORT Lou Short, 25911 Pinewood Lane, Laguna Hills, CA 92653
While looking through the Ark. Family Historian on page
11 & 13 a list was published that came from the "Arkansas
Babtist". The date was 13 Feb. 1861. There was a R. C. SHORT (p. 13)
Hot Springs, Hot Spring Co., and an S. SHORT (p. 11) Haynesville, (LA)?
Would there be any Biographical information on these two men? Any
information would be very helpful. (Ed. Note: Robert SHORT is listed
in this Co. in 1870 - Hot Spring Co.)

DAVIS/ BYERS L. A. Busby, 1009 Tipperary Dr., Dallas, TX 75218
SHANNON I believe due to an error on the part of the Post Office
my address has been changed by AGS in error. My address is still as
above, no change. My wife and I were in Little Rock recently, doing
research. Maybe someone can help - A Dr. Davis of Little Rock wrote
me sometime back regarding the surname "BYERS"/ Bynes branch of the
SHANNONS. This letter has been misplaced - does anyone know his present
address? I think I have his information, and would like for him to write
me again. I called the two listed in the phone directory. I will be
very grateful.

TYLER Edythe (Edith Tyler) Lackey, 217 S. Holly, Sallisaw, OK

in the early History of our family, who cam in from the Carolinas via
Kentucky and Va. I'm most interested in the Genealogical Records &
need more information on how to go about it. Searcy Co., Ark. "Tacker
& Tyler".

HEASLET Mrs. J. P. Cornelius, 3203 Illinois, Baytown, TX 77520
I would like to have information on JAMES MARION HEASLET
shot & killed in Mena, Polk Co., Ark. just before 1900. I would like
to know where his home was, as I was told he was buried on his property.
His son was COLUMBUS "BUD" HEASLET (also spelled HEASLET? HEAZLET.

RIGDON Mrs. Jim (Zuma) Hibbard, 323 N. Mead, Shawnee, OK 74801
Our father, RUFUS M. RIGDON, born 1881 was supposedly
1/2 Choctaw Indian. My brother, sister and I have been trying to locate
some of our father's relatives. We would like to find out our grand-
mother's maiden name on our father's side. We thought he was born in
Lonoke County, Ark., but they have no records back that far. Can any
one give me any information or some clue as to how I should start to
research on this family. I would be happy to exchange any data.

FLOOD Joyce Martin, 323 Summey, Wichita, Kansas 67217 - I
SPARKS am trying to put together our family history. I only
have the names and a town in Arkansas (don't know if they were born
there, or just lived there, dates unknown). SIMON S. FLOOD, b. Ozark
Franklin Co., Ark. SARA JANE SPARKS, Ozark, Franklin Co., Ark. Any
help would be greatly appreciated.

CAMPBELL Zeddie Carr Campbell, Jr., 1423 Verdun Street, Winston
MORGAN Salem, North Carolina 27107 - I am writing in regard
HOWARD to a Family History on (PIERCIVAL) PIERCE CAMPBELL of
STORY North Iredell Co., N. Carolina. Pierce CAMPBELL, had
JOHNSON two sons, by the names of WILLIAM (Billie) CAMPBELL &
WILLIAM R. CAMPBELL. The two Families moved to Arkansas
sometime after, or around 1850. Billie CAMPBELL'S two children: Alfred
& Teresa CAMPBELL are mentioned in their Grandfather's Will that was
written in 1844. The William R. Campbell Family also moved to Arkansas,
but at this time I have no information as to the exact date when they
left Iredell Co., N. C., and moved to Ark. One of William R. Campbell's
sons, HENRY CAMPBELL became a Doctor, and one of his daughters, ALICE
CAMPBELL married a STORY. By around 1925, Mrs. STORY stated that upon
the death of Dr. HENRY CAMPBELL the Family was all together, and they
would not be able to attend the CAMPBELL FAMILY REUNION, that has been
held intermitterly in Union Grove, North Carolina since October 1925.
From information related to me by one of my cousins, the CAMPBELL
Families that left North Carolina for Arkansas, settled somewhere near
the White River in Izard or Sharp Counties (maybe near Ash Flat, Ark.)
A man by the name of Cave Johnson and his wife Fannie L. JOHNSON, claim-
ing to be descendants of Pierce Campbell, got the Clerk of Court, then
WILL McLEOD, in Ash Flat, Ark., and Henry L. Roberts, Justice of the
Peace to contact a Lawyer in Yadkin Co., North Carolina, to handle the
matter for them. The date of the action was May 22, 1869. Either CAVE
JOHNSON'S mother or his wife would have had to have been a CAMPBELL for
him to claim a share of Pierce CAMPBELL'S ESTATE. It has been told to
me that after some time CAVE JOHNSON got his part of the ESTATE. If
there is anyone that can help me locate the descendants of these fam-
ilies, I would greatly appreciate it, (or supply any information about
them). William (Billie) Campbell married Jessie Morgan. William R.
Campbell married Polly Howard. Alice Campbell married a Story. Cave
& Fannie L. Johnson are their heirs.

CRAIG Nancy Goodspeed, 1111 Holcomb Rd., Kelso, WA 08626
Our family information indicates that my great Grand-
mother and Great Grandfather died in Arkansas. WILLIAM H. CRAIG, died
March 1905 and his wife ARMANDA MICHAEL CRAIG, died June 1905, they
were living in either Pulaski or Sebastian Counties. I would be happy
to have an obituary from a newspaper or know of any other source that
might have this information.

HEBRON & Little Rock, AR 72204 - I keep hoping before too long,
WATTENSAW: the New Hope and Hebron Cemeteries in North Lonoke Co.,
CEMETERIES Ark., will be published. A lot of Families in those
on Highway 31 (North of Lonoke) will be of interest to
many of us, Arkansas Family Historian readers.

CHESEBRO CA 94590 - My father Charles Edward CHESBOROUGH (Chesbro

like to know the birth place of his parents, also their
names. Did he have any brothers or sisters, if so, their names? Where
any information on this family might be found. I will gladly share any
data.

KOONTZ Mrs. Irene Koontz, 5592 S. Highland, Yorba Linda, CA
HOUSTON 92686 - I am in search of information on ALEXANDER DAVID
JOHNSON KOONTZ, who moved to Arkansas approximately 1871, with
PARKER wife ELIZABETH HOUSTON 7 children. Elizabeth died 1874,
Johnson Co., Ark., married MOREY JOHNSON of Johnson City
1875, married Elizabeth PARKER of Johnson Co., Ark., 1883. He died 1899.

MCKAY Mrs. Lynn Crites, 408 South A St., Farmington, MO 63640
OLIVER TOM MCKAY married to HATTIE OLIVER, lived in Russellville
HENRY Pope Co., Ark. MCKAY was believed to have been a Doctor.
LIPPEATT On 24 July 1895, son OLIVER was born (my Grandfather) in
GALLOWAY Russellville, AR. Approximately 1904 ELLEN was born, &
shortly after that TOM MCKAY died. We know very little
about Tom McKay, really, just his name and that he was a Doctor. We
assumed he practiced medicine there in Russellville until he died.
HATTIE OLIVER later remarried SILAS HENRY, who owned plantations near
Wrightsville, Ark. I've been told OLIVER MCKAY, as a young man drove
the fire wagon and the hearse in Russellville. On 11 May 1917 OLIVER
MCKAY married, Esther Galloway LIPPEATT, in Russellville. The last time
my parents were in Russellville, my mother checked the Marriage Records
application for her parents, Oliver & Esther & couldn't find anything.
She was really stumped.

My Great Grandmother, ESTHER MARSDEN GALLOWAY, ran a board-
ing house in Jenny Lind, Sebastain Co., Ark., in the late 1800s or 1890s.
Her daughter BENITA MARSDENA GALLOWAY, married John William LIPPEATT
on 11 Feb. 1897 in Jenny Lind, Ark. We don't know much about LIPPEATT
except he was foreman at coal mines in Jenny Lind, Russellville, and
Coal Hill, Ark. I don't even know where they are all buried, I do know
where Esther Marsden Galloway's parents are buried. Richard Marsden is
buried in Oak Cemetery, at Ft. Smith, Sebastain Co., Ark. Don't have
any dates on him. His wife Jane Robinson & supposedly her father, name
unknown, are buried in Douglas Cemetery at Jenny Lind. John Wm.
LIPPEATT's parents were Thomas & Sarah LIPPEATT. Thomas died in 1894,
place unknown. SARAH remarried to a MICK McLAUGHLIN and died Feb. 1920,
place unknown. If any of these names sound familiar or anyone can think
of someplace to someone for me to contact, please let me know. Any little
piece of information will be well appreciated.

Hillery & Susan Blacksher CURTIS. Hillery & Susan CURTIS are buried
at Forks of the Creek Cemetery north of Hector, Pope Co., Ark.

My mother-in-law, Mary Tennessee CURTIS PRESSON, is a daughter
of James & Louisa CURTIS. She was born in Pope Co., near Hector, 19
Nov. 1898. Mary "Tennie" CURTIS married Dec. 1920, Sallisaw, OK to
Beverly Bryant PRESSON, another Arkansas Family from Sebastain &
Franklin Counties. In the 1940s they moved from Oklahoma to Perry-
ton, TX. Beverly Bryant PRESSON, died there in 1955 and is buried
there. Mary "Tennie" is now 78 years old and in good health. She
lives near us in Pampa, TX. We made 2 trips to Hector in 1976. She
still remembers lots of the people even tho she was only 9 when her
family moved to Oklahoma.

Some of the families who intermarried with the HUGHES, CURTIS,
MATHIS or MATHEWS families are the BREWERS, MORRIS, PETTY, CHURCH,
McALISTER, CROUCH, COFFMAN, KENDRICK, LONG, BROWN, ROSS, RIGGS.

If anyone has any information about these families I would
like to correspond with them. Also I have collected a lot of in-
formation on Pope Co., and have a lot of Pope Co., Records and if
I can be of help to anyone, I will be glad to answer their letter,
for a S.A.S.E. (Self addressed stamped envelope).

FROM THE EDITOR

DEAR MEMBERS AND READERS OF OUR ARKANSAS FAMILY HISTORIAN:

To those of you who were unable to attend our Annual Meeting in October, we are sorry. Those who did attend had a delightful day. Mark your calendar now for the first Saturday in October, to be in Little Rock for the Fifteenth Annual Meeting, 1977. Place to be announced later. Mrs. Cleo Hughes, Archivist from Nashville, TN, told about many sources of information to be found in the Tennessee Archives.

New officers for 1977 will be as follows:

Marion S. Craig, Jr., M. D. President (Little Rock)
T. O. Hamaker, Vice President (Magnolia, AR)
Mrs. Gerald B. McLane, Treasurer (Hot Springs, AR)
Mrs. C. G. Ball, Recording Secretary (North Little Rock, AR)
Mrs. Carroll C. Cannon, Corresponding Sec. (Forrest City, AR)
Mrs. Larry P. Clark, Historian (Little Rock, AR)
Mrs. Hayle P. Hollis, Herald (Camden, AR)
James L. Morgan, Parliamentarian (Newport, AR)
Mrs. Mario B. Cia, Sr., Editor (Little Rock, AR)

1976 has been a wonderful year for most of us. Our membership has just grown and grown! We have run out of Arkansas Family Historian Quarterlies for the third time, first the March issue, then the June issue, and now already the September issue is out. But we just try to reprint, soon as the paper company can get our kind of paper and we get time to print, then collate, and finally get them to all the new members. Most of you have learned to value each and every issue of your Historian, and have found a good safe place to keep them (many are being bound in hard back covers). Do not destroy one copy (back issue or present issue). We have a list of members who are trying to complete their volumes & add to their Libraries & many of the early issues are no longer in print. We only reprint for the current year (which is some job to supply each new member with all the issues for the present year).

Our more than wonderful Membership Chairman, Ms. Margaret Hubbard has typed for this issue the entire membership to this date - November 1, 1976 - so now we can all know the members who belong to our Arkansas Family Historian. This has been a big undertaking, as some of the new members send their money to her and some send to 4200 "A" Street, which is fine, all reaches the same bank. Many have already paid their 1977 membership, some have paid thru 1979!

With all the Ancestor Charts being printed into four Volumes to this date, and our Arkansas Family Historian reaching most members on time, and our bills most all paid, we really do think we are all a pretty happy group.

Those of you who have not seen your Ancestor Charts in print yet, do not give up! Volume V has been gathered and will be available sometime before March 1977. Volume VI has been started already. After the desired number of Charts have been completed by the members, then they are numbered, printed, indexed, collated, stapled, and then ready for sale. So much work is done after they reach our Headquarters. The new members usually send their Charts right back, soon as they can, and the long-time members take a little longer.

We are really keeping a good record, for very little returned mail, for those who move and forget to let us know (that really costs money) are becoming less and less. We have paid as much as 58 cents to get one Quarterly back from the mail-man. And we have to pay that, so we can tell, who it belongs to! The straighten out the address, and pay to get it started the right direction again. But out of over 700 sent in September only 7 returned (for one reason or another). We thought that was a pretty good record.

Already work has been done toward the March issue for 1977. That does not mean, we do not welcome additional material. We are always happy to see our material on hand in good condition. When you send information to be shared with others, and you want to help your editors, type with a good dark ribbon, clean the keys, single space (we hate to waste paper) just after the title, please give your name, address & zip code. Often some member will want to contact the contributor & add to the published material. Leave about 1 & 1/2 inch at the top and at least 1 inch margin. From one to 10 pages in length. If the article should be longer, use 14 inch paper, as it can be reduced to the correct size.

Many have made good contacts thru the Query section. You are always encouraged to help with even a tiny clue. Sometimes just to mention a County or township where the surname is found will help.

Our thanks to you many times again for the nice letters, and notes telling us how you enjoy our publication, and how you have been helped (that pleases us!) Many have thanked us for telling about the new books which are either new or being reprinted and where they can be gotten. Our thanks to R. W. Dhonau for compiling a more complete list for us. If you have recently published or getting ready to publish a book of interest to Arkansas people, let us know.

Very few people can boast of being married Fifty years, but this is my father-in-law & mother-in-law and on the 25th day of September 1976 they celebrated their 65th Wedding Anniversary. Elaine Cia (Mrs. M. B. Cia, Sr.) The following picture appeared in the GUARDIAN, Oct. 1, 1976 (a Catholic newspaper, issued in Little Rock, Arkansas).

THE GUARDIAN, OCTOBER 1, 1976

Married 65 Years

Mr. and Mrs. James Cia of Route 1, Roland, who operated a restaurant at West Markham and Spring Streets, Little Rock, for many years, observed their 65th wedding anniversary last Saturday. Mr. Cia, who is 85, and his wife, the former Verna Maioli, who is 84, were married in North Adams, Mass., Sept. 25, 1911. Both were born in Italy and are naturalized American citizens. They are communicants of St. Francis Church, Little Italy. They have three surviving sons, Wilbert, Mario and Harry Cia, all of Little Rock; nine grandchildren and 11 great grandchildren. Another son, Capt. Johnnie Cia of the Little Rock Fire Department, was killed in the wreck of a fire pumper 15 years ago. Mr. Cia has one living brother, Vincent, of Peru, Ill. REMEMBER - NOW IS THE TIME TO RENEW YOUR ARKANSAS FAMILY HISTORIAN MEMBERSHIP. The only way to get your name on the 1977 Membership list, is to pay your membership! Our year begins January 1 and ends December 31. Many have already paid for 1977 and one has paid thru 1979! "She would hate to miss one issue". That is one way to be more safe than sorry!

P. S. If you should happen to hear anyone say "the historian does not have any thing of interest" - they are not talking about our ARKANSAS FAMILY HISTORIAN!

*Sincerely
Elaine Cia*

EDITOR'S NOTE: Our many many thanks to JANE ALLEN GOODWIN and JAMES LOGAN MORGAN both of Newport, Arkansas for this 1976 INDEX TO THE ARKANSAS FAMILY HISTORIAN. Any of you who have never tried to Index anything - you might volunteer to Index any year, as this is a very important part of our Quarterly.
