FROM YOUR EDITOR'S DESK!!!! (THIS JOB HAS BEEN OPEN FOR SOME TIME!)

DEAR MEMBERS AND READERS OF OUR ARKANSAS FAMILY HISTORIAN:

FOR THE BENEFIT OF OUR NEW MEMBERS...AND FOR THE BENEFIT OF THOSE WHO READ AND FORGET! OUR MEMBERSHIP FEE AT PRESENT IS \$12. AND OUR YEAR HAS STARTED ON JANUARY 1 EACH YEAR... AND ENDED ON THE 31 DECEMBER, EACH YEAR FOR MANY YEARS.

NOW IS A GOOD TIME TO THINK ABOUT PAYING YOUR 1984 MEMBERSHIP FEE! IT IS NEVER TO EARLY TO PAY, BUT IT IS SURE GOING TO BE TO LATE...IF THE MEMBERSHIP FEE IS NOT IN BY THE 2nd DAY OF JANUARY 1984!!!!

ALL THE METAL PLATES HAVE TO BE IN THE CORRECT ZIP CODE ORDER, BEFORE THE BACKS OF THE COVER (OF OUR QUARTERLIES) CAN BE STARTED. THIS IS A POSTAL REGULATION (ALL IN ONE ZIP, HAVE TO BE TIED AND IDENTIFIED BEFORE THE NON-PROFIT MAIL IS RECEIVED AT THE MAIN POST OFFICE. THIS IS A NON-PROFIT ORGANIZATION AND NOT A LARGE DEPARTMENT FUNDED BY THE STATE OF ARKANSAS.

WHEN YOUR MEMBERSHIP FEE IS LATE (after the 2nd of January) THIS PLACES YOU IN A SPECIAL HANDLING GROUP. THIS IS THE SAME AS SENDING CHRISTMAS CARDS EVERY DAY OR SO DURING THE YEAR!!!

THERE IS SEVERAL WAYS TO ELIMINATE THESE PROBLEMS! AND YOUR EDITOR HAS HAD SEVERAL OTHER JOBS, DURING HER LIFE TIME...MOST OF THEM...SOLVING PROBLEMS...AND THIS HAS BECOME A BAD PROBLEM FOR YOUR EDITOR! SEVERAL TIME THE FACT HAS BEEN MENTIONED, 4200 "A" STREET LITTLE ROCK, ARKANSAS 72205 is the home of your Editor. IT IS ALSO USED AS OUR HEAD--QUARTERS, FOR SEVERAL REASONS. MOST OF THEM IS TO SAVE MONEY FOR OUR SOCIETY, RENTAL ON SPACE AND EQUIPMENT AND MOST OF ALL SOMEONE TO BE IN THE OFFICE MOST OF THE TIME.

MOST OF YOU HAVE VACATIONS...IF ONLY A FEW DAYS AT A TIME! WHEN YOUR EDITOR TAKES A DAY OR SO OFF...THE INCOMING MAIL, STILL COMES 6 DAYS EACH WEEK! AND WAITS FOR WHEN EVER YOUR EDITOR RETURNS! BOTH ELAINE AND MARIO CIA ARE SUPPOSED TO BE RETIRED, AND THEY BOTH WORK HARDER THAN NECESSARY, AND MOST OF THE TIME (7 DAYS A WEEK). THE QUARTERLY IS NOT THROWN TOGETHER IN A FEW DAYS (IT IS WORKED AND RE-WORKED, ALL THE TIME). TRY TO GET AS MUCH MATERIAL TOGETHER (AS WE HAVE IN OUR ARKANSAS FAMILY HISTORIAN) AND JUST SEE HOW MUCH TIME THAT TAKES! MANY PHONE CALLS ARE ANSWERED (EVEN YOUR EDITOR'S PRIVATE PHONE IS USED. AND NOT LISTED IN EVEN THE YELLOW PAGES) TO MAKE THIS INFORMATION VERY SIMPLE AND EASY TO UNDERSTAND...IF YOUR MEMBERSHIP FEE IS NOT IN OUR OFFICE ON 1 JANUARY 1984, YOUR MEMBERSHIP WILL FIRST OF ALL, BE PLACED IN SPECIAL HANDLING, AND THERE IS A CHANCE THE MEMBERSHIP WILL BE CLOSED, UNTIL ANOTHER TIME. SO IF YOU VALUE YOUR QUARTERLY, BETTER NOT TAKE A CHANCE, THAT SOMEONE WILL HAVE TIME TO REMIND YOU (COSTS NEEDLESS TIME AND UN-NECESSARY MONEY!)

BACK-ISSUES: PLEASE READ THIS VERY CAREFULLY! WE DO NOT HAVE ANY OF THE EARLY ISSUES! OUR SOCIETY HAS BEEN ORGANIZED AND ACTIVE SINCE 1962 AND MANY LIBRARIES HAVE COMPLETE SET OF OUR ARKANSAS FAMILY HISTORIAN ISSUES...THAT IS THE ONLY WAY YOU CAN SEE THEM, OTHER THAN TO TRY TO GET ONE OF THE RESEARCHERS TO SEARCH FOR YOU.

OTHER BACK-ISSUES ARE VERY FEW. ONLY ONE OR SO FOR A YEAR, NO COMPLETE YEARS, EXCEPT 1981 and 1982 (VERY FEW OF THOSE) THESE ARE \$12.00 FOR EACH YEAR AND THIS INCLUDES POSTAGE. FOR THE ODD ISSUES (WE CALL THEM GRAB-BAG ISSUES) THE POSTAGE IS 63¢ for ONE ISSUE, 86¢ for 3, etc. SO IF YOU ARE INTERESTED IN THE GRAB-BAG ISSUES, DO NOT ASK FOR A CERTAIN ISSUE (TAKES TOO MUCH TIME TO CHECK, AND MORE THAN LIKELY WE DO NOT HAVE IT ANYWAY!) YOU COULD SEND \$5. AND JUST ASK FOR GRAB-BAG ISSUES (WE WILL TRY TO GIVE YOU \$5. worth). THERE ARE NOT ENOUGH DIFFERENT ISSUES IN THIS GROUP, TO TAKE UP SPACE IN OUR QUARTERLY, TO LIST ALL OF THEM. THEN IF YOU DO NOT READ THIS FOR A MONTH OR SO, THE ONES THAT WERE LISTED ARE NO LONGER IN STOCK. THIS IS ALSO A PROBLEM YOUR EDITOR DOES NOT NEED!

THERE IS NO SUCH THING! AS A JANUARY ISSUE, ETC. THE FIRST ISSUE FOR THE YEAR IS THE MARCH ISSUE, THEN JUNE, SEPTEMBER, AND DECEMBER includes the index for the entire year! December is usually a little later, as it takes time to index, but is out before the end of the year.

TRY TO HELP YOUR EDITOR, STAY IN A GOOD MOOD! WHICH IS NOT HARD, BUT THERE IS A LIMIT!

WHEN YOU MOVE & DO NOT NOTIFY OUR OFFICE IN PLENTY OF TIME...AND YOUR QUARTERLY IS RETURNED TO US...WE WILL PLACE IT IN DEAD-FILE (UNTIL THE RETURN POSTAGE IS PAID, AND A GOOD ADDRESS IS PROVIDED). GENEALOGISTS ARE NOT A BUNCH OF CHILDREN! AND OUR SOCIETY DOES NOT LIKE TO SPEND MONEY, TRYING TO FIND OUT WHERE YOU MIGHT BE NOW! WE HAVE A LARGE MEMBERSHIP, AND VERY LITTLE VOLUNTEER HELP IN OUR OFFICE! IF YOU WOULD LIKE TO HELP, ANY TIME, PLEASE COME ON OVER...THERE IS PLENTY OF WORK!

YOUR EDITOR

Elaine Weir Cia

CENSUS MICROFILM RENTAL PROGRAM

The National Archives and Records Service is pleased to announce the resumption of the census microfilm program. After a budget-imposed hiatus of 19 months, the National Archives has named the DDD Company as the contractor to carry out this new rental program. The DDD Company will be contacting all public libraries and most genealogical associations in early May to provide details of program operation. As before, the program will operate only through public libraries and other institutions, such as genealogical associations. No individuals will be able to order microfilm directly from the contractor. After June 5, institutional orders may be sent to:

Census Microfilm Rental Program
P. O. Box 2940
Hyattsville, Maryland 20784

The following is a series of operating policy statements dealing with those areas most critical to the smooth start-up of the program:

START-UP PHASE

Individuals may order census microfilm from participating libraries and associations beginning in June, 1983 with actual distribution of the film scheduled to begin in early July. Orders dated after June 5, 1983 will be accepted by the contractor. Order forms and promotional literature will be distributed to all public libraries and many genealogical associations starting the first week in May, 1983.

LENGTH OF USE OF FILM

The user may rent the film for a one-week (7 day) usage. Extensions are permitted if they do not interfere with the subsequent user's schedule. Because the film is now "rented" for specific periods, it must be stressed that timely customer return of the film is essential to the smooth operation of the program as well as the libraries' and associations' ability to utilize the program. Inordinate or frequent delays in return of film may cause libraries to be dropped from the program.

COST OF RENTAL

The basic seven-day rental for both 35mm and 16mm film (schedules and Soundex) is \$2.25. Overdue charges of \$2.25 are assessed if the film is returned more than two days after the designated return date which will appear on confirmation and packing slips.

PAYMENT METHODS

The contractor will accept prepayment, selected accounts receivable, and deposit accounts. All publicly funded institutions (basically libraries) that qualify for the service may utilize accounts receivable, as well as deposit accounts or prepayment. All users, including libraries, who utilize deposit accounts will receive a \$.05 per roll discount. Unless you have established deposit accounts, prepayment which is always optional, must accompany an order when two rolls or less are being ordered.

NOTICE OF FILM AVAILABILITY

Customers may order film to be delivered on a specific date or they may request film to be shipped "as soon as possible". In either event, if the film cannot be shipped within ten days of the receipt of order, a written confirmation will be sent to the participating institution notifying them of the arrival date of the film. Included in this confirmation will be the notice of the return date of the film. Adherence to the return date is crucial to the success of the program and all waiting institutions are expected to comply with these dates to the maximum degree possible.

WAITING PERIOD

The program is designed for prompt shipment when the film is available and systematic scheduling when multiple orders accumulate, with no customer having to wait more than 60 days.

CENSUS MATERIALS AVAILABILITY

At the present time, the 1790 to 1900 census schedules and Soundex are available. Later this year, the schedules and Soundex for the 1910 census will be available through the same contractor.

PLACING AN ORDER

A person wishing to rent census microfilm can place an order through his local library or participating genealogical association. The film is then delivered to the library or the association and must be returned by the library or association, not the individual user.

INITIAL ORDER PLACEMENT

The contractor will accept orders dated after June 5, 1983 with initial shipments beginning July 8, 1983.

(CON'T next page)

CENSUS MICROFILM RENTAL PROGRAM (Con't page 2)

LOST OR DAMAGED FILM

When film is lost or damaged beyond use (through negligence), the contractor will charge the participating institution \$12.00. It is the institution's responsibility to collect the fee from the patrons and to forward these funds to the contractor.

PAYMENT METHOD

The participating institution receives payments from the individual patron, and either forwards the payment or consolidates them for batch payment to the contractor. Participating institutions may charge an additional fee to cover handling and return postage.

RETURN OF FILMS

Individual patrons are expected to use the film at the participating institutions. Rental film is not designed to "circulate" outside the institution. The library or the association is expected to return the film in a timely fashion, using United States Postal Service (libraries may use library rates).

FILM RESEARCH

The contractor is not able to perform census research on behalf of the libraries or associations. All research must be performed after the film is rented and delivered to the library or association.

NOTICE!!!! - NEW TENNESSEE RECORDS OF INDIANS AND EARLY SETTLERS

The Arkansas History Commission has recently acquired a new collection from the National Archives concerning the Cherokee Indian Agency in Tennessee which dates from 1801-1835. The collection which is on 14 rolls of 35 mm microfilm is in our General Microfilm File under "Indians." Rolls 1 thru 10 contain correspondence and miscellaneous records of the Cherokee Agency in Tennessee from 1801 to 1835. This material is filed in rough chronological order only by year. Rolls 11 thru 14 contain fiscal records from 1801 to 1834. These are also filed in a rough chronological order by year. THERE ARE NO INDEXES TO THIS COLLECTION. However, it contains a wealth of information on early Tennessee settlers and the Cherokees and Chickasaws who lived in that state. The fiscal records feature long lists of the names of those who were paid by the agent. Many whites as well as Indians appear in these records. A more complete description of the collection is available in our Research Room.

MARION COUNTY, ARKANSAS, prior to formation of Bull Shoals Lake
(typical Section numbers are shown in T17N, R14W)

SOME MARION COUNTY, ARKANSAS, EARLY LANDHOLDERS

The information below is taken from a large ledger kept by Benjamin Franklin Fee, Esq. (1850-1937), Yellville attorney and Marion County Judge 1902-1906. Mr. Fee was born in Kentucky, but at one year of age he came to Yellville with his parents, Henderson and Margaret "Peggy" (Myers) Fee. Henderson Fee subsequently served as Marion County Clerk 1862-1868 and as Marion County Judge 1882-1884. His personal files were shared with his lawyer-judge son, Ben F. Fee, and it is from their conjoint records that this material has been taken. The Fee records have become quite important since the Marion County courthouse has burned on three different occasions, with virtually complete destruction of the county records during the Civil War and again in August 1887; the courthouse burned once more in January 1943 but most of the more recent records were saved.

The old Fee ledger books are now in the possession of Mrs. George Newman Fee of Gassville, Arkansas, daughter-in-law of Ben F. Fee. With the generous permission of Mrs. Fee the author has been able to extract those portions which appear to have historic or genealogical interest, and this is one of a series to be published.

Readers should be reminded that generally excellent records of early landholdings in all Arkansas counties are available at the Land Commissioner's Office in the Capital Building in Little Rock. Microfilm copies of the original land entries and survey plats also are available to the public at the Arkansas History Commission; these records are organized by legal description or claim number only, and are not indexed.

AUTOBIOGRAPHY OF JUSTIN FELIX BENEUX

The following is an exact copy of the biography of Justin Felix Beneux, written by him in a Bible, which is in the possession of a son, Volney Beneux:

Justin Felix Beneux was born in France in the year 1798 on May the 18th, in a village called Sainte Marie, near the city of Chanoise, in the department of Haute Saone, and in the district of Luxevil, ward of Faucogney, Parish of Sainte Marie, near Chanoise. He was brought up in a glass factory, called the "Glass Works" (or factory) of Meillin, until twenty-five years old, in the same department, in the district of Lure, Ward of Melisey, Parish of Meillin. He left France on the 8th of September in the year 1831, for the United States, embarked at Havre (de Grace) on the 18th of September of the same year, for New York, and arrived there on the 14th of November, making passage in 47 days, on a merchant ship called Orvick (or Orick).

GEOGRAPHICAL DESCRIPTION

The following description of the French country in which Justin Felix Beneux was brought up is by a friend of Volney Beneux, H. B. Hunt, who was a soldier in the U. S. Army during the late war and was in this part of France for eleven months.

The department of Haute Saone is located in the extreme eastern part of the French country and will be found just to the south of Alsace, and on the Swiss front. Chanoise will be found in Alsace, in about the central part. At the time Mr. Beneux left France, Chanoise was in the department of Haute Saone, while the wars have made many changes in this locality as to boundary lines.

Sainte Marie will not be found on the maps of today. It was a small village a distance of about two miles west and a little south of Chanoise. It was deserted during the war with Bismark and was never reclaimed.

The country around Chanoise is hilly, and in a short distance of the Swiss Alps. It is considered a mild climate as it is protected by the mountains of Switzerland. There is a great deal of rainfall in this locality, making it a wonderful pasture country. The chief industries are mining, stock raising, which consists of sheep, goats and cattle, and some farming on a small scale.

Meillin is located in the central part of Haute Saone, and it now appears on the map, and is somewhat more fertile country, being more of what we call bottom land, and is near a small river called Lanterne. There are still glass factories to be found in Meillin and some of the finest glass for mirrors comes from this district.

Havre is located on the English Channel, in the northwest part of France, and one of the oldest sea ports in that country.

Meillin may be considered in the neighborhood of the historical little village of Domremy, the birthplace of Joan de Arc, it being less than a day's travel by wagon road.

The Mulberry squad of Franklin County left home on the 9th day of July, 1861, arrived at Fayetteville on the 12th, left this place on the 16th, arrived at Camp Beçon 17th. (balance of this page not legible)

Capt. Bourland and B. J. Moore, picket guard, (26) left Thompson's Spring and went to Shoal Creek. (26) six of our squad went scouting to Stones Prairie and caught 4 prisoners.

(27) Sunday, left Shoal Creek and camped at McMurters Spring, all well; left McMurters Spring 29th, camped at Flat Creek, 8 miles north of Cassville. (30) Left Flat Creek in the morning and at eleven o'clock captured two spies, and camped near Looke Springs, us acting as rear guard, and on the night of the 30th Virgil, Joe Scott and myself were on picket two miles west of camp.

(31) Left camp in the morning and marched ten miles and camped in the night of 31st at John I Smith's, he being reported as a Union man living in 32 miles of Springfield. Had dinner at 2 o'clock and no supper as there was no meat to be had. Left Smith's Thursday, the 1st of August; Reiff's company and our squad were left flankers, and camped at night at McCulloch store; a Union man and not to be found, and the army broke open his store and took what we wanted. Night of the 1st of August A. M. Bourland, B. F. Moore, S. B. Bowlin were on picket duty. Our squad got out of McCulloch's store one large tin pan, three tea cups, four tumblers, one coffee mill, one testament, some paper and two plates while camped at McCulloch's Spring, and express came that the enemy was in some four miles of us and throwing canester shot at our picket. About eleven o'clock we mounted our horses and set out toward Springfield and discovered the enemy at about two or two-fifty. We fixed some shots at a distance and formed our men in a battle array just over the turn of the hill (hill?) and awaited for an attack, but to no purpose. About three or three-thirty o'clock we marched on the right of the road and dismounted, leaving every fourth man to hold our horses. We marched in single file toward the enemy, whose infantry was in ambush on the side of a mound, from whence they opened fire on us. We were then commanded to lie down in the graves and their balls passed over us. As soon as we thought their fire was out, we arose and were commanded to march upon them, which we did, firing in their direction. When we could see the smoke fired several round, we were commanded to retreat, and while doing so we reloaded and formed a line and waited the approach of the cavalry, numbering some 16 that made the charge, and we killed some 12 or 14 as we can best learn, and we getting some pistols and four swords, a horse or two, one being shot, and our party loosing not a single man but making the enemy retreat. Some Missouri companies lost some two men who were on the left and in range of their battery from canester shot on bomb shell, crippling some horses. We got in at dark, tired and nearly exhausted, lay down without supper, having had nothing since breakfast. One of our men died from overheat. A. M. Bourland, while on picket, caught five prisoners.

Aug. 3) We retreated to McCulloch's camp two hours in the dark. (Aug. 4th) Our company remained at Camp McCulloch all day, nothing of importance happening, and that night Manuel and J. Morris were on camp guard. During the night we all arose several times to put on our clothes from false alarms. This morning nothing but beef and bread, such having been the case for the past week. Saturday (3rd) all at McCulloch's Camp, nothing important happening. Sunday (4th) Still at McCulloch camp, in eight miles of the Dutch. They commenced retreating about two o'clock. Monday, the 5th. We took up our line of march at 10 o'clock P.M. and camped that night where the Dutch camped, coming down, they retreating. Tuesday, the 6th: We camped at Johnson's Fork, 9½ miles from Springfield, nothing of importance. Wednesday, the 7th: Still at Johnson's Fork with three days provisions cooked. Thursday, the 8th: Waiting the removal of women and children from Springfield; the enemy's force is some nine thousand and nine hundred.

Friday, 9th at Johnson Creek, some two thousand of the enemy are in four miles, were yesterday cavalry. Our forces are to march toward Springfield; at nine o'clock tonight saddled up, appointed body guard to McCulloch, he having said he had a great deal of confidence in Capt. Reef's company.

Marched to headquarters to join the army, but the night being cloudy and looking like rain, we remained there until three o'clock at night, when a company of twenty men were taken away from Capt. Reef's company, to scout for the night in the direction of O'Neal Springs, the Gen. having heard the day previous that some wagons were seen going in that direction from Springfield, supposed to be some enemy wagons hauling arms and ammunition. Heard the day before by some ladies from Springfield that the Dutch had all left, burnt their flour and bacon, destroyed their arms and threw their powder in the river, but since learned it to be false. Suppose they were sent for the purpose of bringing false news. The rest of our company, sending out their scouts, returned to camps at the hospital grounds, two miles west of the army of Gen. McCulloch and south one mile and a half from Gen. Rains command of Missouri. The squad of "Mulberry Blues" remained at headquarters for the remainder of the night. In the morning Virgil and Manuel found them and our squad returned to camp on the morning of the tenth of August.

Saturday morning, August 11th: camps all busy at breakfast, some not up yet, having fun in camp, about half an hour and got breakfast ready to eat (our horses all saddled and stood the night before with saddles on), the Federal troops attacked on the west, north and east, leaving only the south for retreat. Our company being in an obscure place and two miles from the body of the army, we were completely hemmed in. Only half our company in camp, not yet returned from the scout of the night before, our Capt. not in camp when the fire commenced, our men in disorder and not knowing what to do, every man doing and taking his own course, remained to wait the Capt. return. Dr. Durland went over to the mill pond in the morning to bathe, was bathing when they attacked us. Our squad seeing we were about to be cut off, took a path through the woods in a southeast direction, supposing to go to the State road, came across some unarmed Missourians, and supposing they were Northern men to cut us off, but gave them the sign and found them all right.

Arrived on the State road, found about one thousand unarmed Missourians retreating. Horace and Mr. Brigans were sick, and we continued to retreat to a large spring 15 miles south of camps to take care of them. Arrived there, rested and fed our horses, and wanted to leave them there and return, but they would not stay and we returned to the battle ground with us, riding in all this day, about forty miles. Came back to our camp where we left in the morning and found every thing as we had left it. We heard our camps had been burned but found our halter ropes just where we had cut them from our horses in the morning, also a silk handkerchief. Our camp having a large spring and a camp ground on it, it is made the hospital ground. A great many men are here wounded, among whom is a prisoner (Dutch) taken by our company on the 5th of August. He said when taken that he belonged to Rain's division, but not so. He was seen two and a half miles inside the Dutch pickets, our men taking him, and he said he had been hunting water and saw our pickets, called them for their protection. But our men halted him and took him in and carried him to Gen. Rain, does not belong to his division, gets away finally and today is taken prisoner again from the north. He is shot in the foot, he has been taken three times inside the Dutch pickets. We think he will be shot. The battle lasted six hours, every thing looked furious, the musket and grape shot rained around us, canister shot and bomb shells rained through the air, and the ground seemed to tremble beneath our feet with cannon roar. They attacked us by surprise and our men were not formed when the battle commenced. They did great injury to our men before we gave them one round, but when we got them formed and our cannons rained we mowed them down like grass, a great many of our men got into disorder having no regular uniform. Saw Capt. Stewart from Ozark, supposed to have lost two men from Dardanelle. He says all of his men, when the fight commenced, stampeded and left him except two men. One was a Dutchman, said he was there and would stand by him as long as there was one left.

Capt. Walker said to be shot through the mouth, but do not know whether seriously or not, informed of this by Capt. Stewart. Steve Honea supposed to be killed; saw Rily Willard wants to come home with us. Coming to camp we rode over dead Dutch and their horses. Capt. Brown from Van Buren was killed, show below the left nipple. Capt. Bell from Fayetteville shot below the right nipple. His men say he was a brave man, and was heard commending his men to "Hurrah, my brave men". He had taken the enemy and they had raised a white flag, and he was checking his men when he was killed. He and Brown fell together. They routed them eight miles and shot grape shots into them all the while. By all reliable information, we lost 250 and the north 1500. All returned to camps and our cannons leveled to their places as before by six o'clock.

Old Lion was really killed, was seen by men who knew him before and after he was killed his horse, a beautiful grey about 14 hands high, was killed. Several boys of our acquaintance were killed.

Hardy and Hineman supposed to be with their forces between the Dutch and St. Louis to prevent further retreat, their forces supposed to be 20,000. All railroad bridges between Springfield and St. Louis were burned by southern men to prevent them from going by railroad to St. Louis.

Returned from battle ground, went to hospital, looked around at the wounded, several died the night before; preparing to bury them. We prepared to start for home, everything ready, start at 12, travel about 35 miles, camped, Union men fired two shots at us.

Monday, Aug. 13th, started at daylight and traveled ten miles, and stopped to rest and feed.

Tuesday, Aug. 14th, Camped at Thompson's Spring, leaving there at seven thirty at night, as some reports were that Unionists were burning Keetsville tonight.

Wednesday, Aug. 15. Traveled about thirty five miles; could not get our tents at Bentonville. Learned at Fayetteville that Fremont liked about four days of travel of us where the fight took place, with 15,000 men. Doubted that Hineman and Hardy had taken the Dutch prisoners as reported; camped on White River five miles from Fayetteville.

Thursday, Aug. 16. Leave camp this morning at 8 o'clock, crossed Boston Mountain, arrived at Basham on Frog Bayou. Friday. Leave camp at 8 o'clock, arrived home at 12 o'clock; all well.

Capt. A. V. Edmondson's Company of Infantry organized 2nd day of July, 1862, and went into camp on 11th of July. Remained in camp at Ozark until the 19th, and marched from there to Camp Hall (or Hail?) on Big Mulberry and remained there until Sunday 20th. Marched from Big Mulberry on Monday 21st and camped on Little Frog Bayou. Left Little Frog Bayou on 22nd, and marched to Flat Rock. Remained there until 24th, and marched to Lee's Creek, four miles west of Van Buren, and remained there until the 11th of August. From there to Dripping Springs, and on 11th of August, marched from Dripping Springs to Ollivers on Lee's Creek, 13 miles. On 12th marched from Ollivers to John Masson's on Obv Creek. On 13th marched from Masson's to Camp Carrol. Remained there until 17th of August, and marched from Camp Carrol to Camp Cunningham, 4 miles northwest of Fayetteville. Field Officer W. H. Brooks, Lieut. Col. M. C. Duke Agt., James Woolsey Mjr., Nettles Sgt. Maj. Reveille four o'clock, breakfast 5 o'clock, company drill at 6, guard mount at 8, sick call 8:35, Command Officers drill 9:15, dinner at 12. No Com. officers drill at 2, companies drill at 4, dress parade at 6, tattoo at 9, Nothing happening from then of importance until the 27th, only strict orders in respect to drill, some of our men put under guard for disobedience while on post. On night of 26th we were expecting an alarm, by the report received that the Feds were at Bentonville, which proved to be false, enemy not being near at that time. Our men attacked the enemy at a town called Lone Jack, killing 83 men of the enemy and losing 33, taking small arms and two pieces of brass rifle cannon. On night of 20th we were joined by the armed forces of Georges Regiment, some 300 men.

On 27th we had an inspection of arms, Dr. Talbot Surgeon and Dr. W. A. Carter Assistant.

9th of September we were ordered to strike tents at sunrise for marching. We marched at seven o'clock with Capt. Pettigrove Company in front. We camped at Elm Springs the night of 9th. Reveille sounded at 12 o'clock and marched at sunrise, and camped on night of 10th at Camp Black, a mile and half from Bentonville. Marched to Little Sugar Creek and camped there Friday, Saturday and Sunday.

Monday we struck tents for Elm Springs, marching first day to Osage Springs. On Tuesday we reached camp of destination, about eleven o'clock on 16th of September. We remained at Elm Springs until Tuesday, the 7th of October. On 7th we marched to Judge Walker's in the rain, and were not allowed to take our tents out of the wagons, and had to stand up all night and without any thing to eat for two days. We stayed there until the 10th of October, then marched to Camp Reagon at the forks of the Ozark and Huntsville roads, camped there on night of 10th. On 11th we marched to Camp Stewart on White River, stayed at this camp until Wednesday the 15th, and marched back to Camp Reagon and stayed there until the 19th.

Set out in retreat, having heard our forces were retreating, we marched from Stewart to Craigs on White River, on 21st we marched to Hills on Mulberry. On 22nd we marched from Hill's to White Oak. On 23rd we marched from White Oak to Horse Head, and on 24th we marched to Chirchhill's old quarters.

25th of October Johnson was shot about 5 o'clock for mutiny and buried on the bluff opposite our camp. On 26th, which was Sunday, we arranged our tents. 27th, 28th, 29th, 30th and 31st nothing of importance happened. Saturday, November 1st some excitement about Feds. Sunday, November 3rd, we learned that Hineman had quarters on Mulberry; at 9:30 we had inspection.

Monday, 3rd, all night in camp. Tuesday, 4th, still on river, some sickness in camp, some of our men in hospital. 5th, hospital burned at Clarksville by accident, no persons hurt.

BAKER-FOOTE-SPENCE-McMILLIAN FAMILY and MORE....

EDMUND/EDMOND BAKER was born about 1780 either in Pennsylvania, Massachusetts, Connecti-
 cut or New York*. There is a persistent family tradition going back many generations that
 his original surname was "FOOTE." He is reported to have fled from his home just ahead of
 the law, changed his name to "BAKER" and headed south. One "Edimon" BAKER received a pass on
 January 26, 1803, to travel down the Tennessee River through Cherokee lands near Kingston,
 Tenn. The first definite mention of "Edmond" BAKER appears in 1812 when he was one of the
 signers of a petition from early settlers in Tennessee's "Congressional Reservation." This
 was in the area of Hardin, Lawrence and Maury counties. It was about this time that he
 married Rebecca PHILLIPS, reportedly a Cherokee woman. Their first child, Mahalia, was born
 about 1813. Edmund enlisted as a private in Capt. William Creel's Company of Tennessee
 Militia Infantry, early in 1814 and served for several months. However, no record has been
 found of any attempt on his part to obtain a pension or land grant for this War of 1812
 service. Their other children were: Stephen Pelzer Baker, born November 14, 1815 in Maury
 Co., Tenn., twins: Jonathan and John M. BAKER, born November 28, 1819 in either Tenn., or
 Ala., James J., born July 2, 1822 in Ala. and Louisiana born about 1823 in Tenn. A possible
 additional child, Elizabeth F., was born about 1828 in N. C. or Virginia. The family first
 appears in a U. S. census in 1830. They were living in Lawrence Co., Tenn., that year. By
 1837 they had moved to Pontotoc Co., Miss., and they were living in Marshall Co., Miss.
 Edmund died between 1840 and 1850. His widow, Rebecca, and several of their children were
 living in Smackover Township, Ouachita Co., AR when the 1850 census was taken:

James Hughes	29 VA
Elizabeth F Hughes	22 VA (sic)
John M. Baker	31 Tenn
Rebecca Baker	62 N.C.
Mahala Baker *	37 Tenn
Louisiana Baker	27 Tenn
Mary A. Baker *	4 Miss.

* Mahalia is thought to be the widow of Jesse Young and Mary A. was their daughter.

STEPHEN PELZER BAKER was born in Maury Co., Tenn. on November 14, 1815, the son of
 Edmund and Rebecca Baker. He was living with his family in Tennessee in 1830 and Mississippi
 in 1840. On November 27, 1844 he married a widow, Mrs. Nancy C. Vaughn, in Desoto Co., Miss.
 Nancy had been born on May 22, 1821 in Madison Co., Tenn., and may have been the daughter
 of either Abner or Jordan Spence, both from N. C. She married R.J. Vaughan (?) in Dyer Co.,
 Tenn. about 1838. They became the parents of one child, Abnes Thomas Vaughn, who was born
 on April 2, 1839. Nancy's first husband died after 1840 and she seems to have moved to
 Mississippi to join member of his family. Stephen and Nancy became the parents of the fol-
 lowing children: Patrick Henry Baker, born September 23, 1845; Martha Ann, wife of J. C.
 Richardson, born October 29, 1847; Mary Jane, wife of A. M. Palmer, born March 14, 1850 and
 Joseph Alexander Baker, born July 27, 1852. All of these children were born in what is now
 eastern Tate County, Miss. The family moved to Arkansas about 1853 and settled east of
 Magnolia. They moved to what is now northeastern Pike County about 1867, and settled near
 what is now Glenwood. He came to the area to be near his brother, Jonathan Baker, who had
 settled near Amity in 1858. Stephen founded the post office at Rock Creek in 1868 and
 operated a mill and store there until his death, which occurred on September 13, 1885 of
 "Typhoid flux." He is buried in the old Palmer's Chapel Cemetery near Rock Creek and has a
 grave marker. Nancy C. lived many years with her son, Patrick Henry, and died at Amity, AR.
 on May 25, 1903. She is buried in the Amity Methodist Church Cemetery at Amity near her
 daughter, Martha Ann Richardson.

PATRICK HENRY BAKER, son of Stephen Pelzer and Nancy C. Baker, was born in what is now
 Tate County, Miss. on September 23, 1845. The family moved to Columbia County, Arkansas
 about 1853 and lived in Magnolia Township. The 1860 U.S. census lists the following infor-
 mation on the family.

Stephen Baker	45 TN
Nancy Baker	39 TN
Patrick Baker	15 Miss
Martha Baker	13 "
Mary Baker	10 "
Joseph Baker	8 "
John Brattle	35 TN

Patrick Henry or "Pat" as he was known saw service in Co. "C" of the 40th Tenn. Inf. and
 Co. "B" of 15 (Johnson's) Ark. Inf. in the Confederate Army during the Civil War. He was

BAKER-FOOTE-SPENCE-McMILLIAN FAMILY and MORE... (Con't page 2)

captured at New Madrid, MO. and kept in prison for a year before being exchanged at Vicksburg, Miss. He was later recaptured at the Battle of Port Hudson, after which he was paroled. He then returned to Arkansas and re-entered Confederate service and was in the Battle of Pleasant Hill, La.

On October 25, 1866 he was united in marriage with Mary Susan Smith, the daughter of John and Elizabeth Smith of Columbia Co., AR. Mary had been born on December 25, 1845 in Mississippi. To this union the following children were born: Stephen P., James M., and twins: Walter and Vergie. The family relocated in 1867 and settled at Rock Creek, near Stephen Pelzer Baker, and later near Amity. Mary Susan died on November 2, 1874 and was buried at the old Palmer's Chapel Cemetery at Rock Creek. Patrick Henry married a second time on October 7, 1875 at Rock Creek to Elizabeth Jane McMillian/McMillan. She was the daughter of John and Rebecca F. McMillian, who had come to Columbia County, Ark., shortly after her birth, which occurred on February 10, 1859 in Chesterfield County, S. C., and who had moved with the Baker clan to Pike County about 1867. Pat and Elizabeth Jane became the parents of eleven children: Robert Jessie, Patrick H., William T., Elbert Franklin, Wallace W., Samuel Jones, DeWitt T., Mattie Winnie, Anna Laura, Lottie Ida, and John P. Mr. Baker died on June 17, 1921 and is buried in the Coker School House Cemetery near Glenwood, Ark. Elizabeth Jane Baker died on April 14, 1922, and is buried beside her husband. At their death both were members of the Methodist Church, though Mrs. Baker had been raised a Scotch Presbyterian.

Robert Jessie or R. J. as he was known was born on August 2, 1876 at Rock Creek, AR. He was a school teacher and farmer by profession. He married Ada or Ara Lee Hubbard, the youngest daughter of William J. and Missouri Jane Jones Hubbard, who had been born on August 25, 1887 at Rock Creek, on January 7, 1907 in Hot Springs, Garland Co., AR.

To their union the following children were born: Roy Steven, William "Bill", Mildred, Pierce Rusaell, Robert Haakell "Bob", Delma Florence, and twins: Eileen and Irene. R. J. died on February 1, 1937 and Ada died on June 4, 1964. Both are buried in the Bethel Cemetery east of Glenwood, Ark.

PIERCE RUSSELL BAKER was born on August 22, 1915 at Glenwood, Pike Co., Arkansas, the son of R. J. and Ada Baker. He married Magdalene V. Goodman, daughter of Marion B. and Zora Edwards Goodman, on November 30, 1940 at Glenwood. They became the parents of two sons: George Watson, born on July 26, 1941 and Russell Pierce, born on September 16, 1943. Both sons were born in Little Rock, Pulaski County, Arkansas. Pierce, who was named for an old family friend, Pierce Ciker, died on August 15, 1967 and is buried in the Bethel Cemetery east of Glenwood. He was a member of the Bethel Missionary Baptist Church.

RUSSELL PIERCE BAKER, the second son of Pierce R. and Magdalene Goodman Baker, was born in Little Rock, Ark., on September 16, 1943. His family returned to Glenwood, Ark., in 1946. There he attended school, graduating from high school in 1962 at the head of his class. He attended Henderson State College and the University of Arkansas at Fayetteville, earning a B. A. degree in History in 1967. He is currently enrolled in graduate school at the University of Arkansas at Little Rock in its Public History program. He has been employed at the Arkansas History Commission since 1970 as staff archivist. He has served as the Chairman of the History and Archives Committee of the American Baptist Association since 1974.

SHEPHERD Duane Shepherd King, 9 Lantern Hill Road, Little Rock, AR 72207 - I seek
CALBREATH ancestors, wife and children of Thomas Hartwell SHEPHERD, Jr., residence St.
GLENN Louis, MO., but died 22 July 1822 in Natchez, TN. I also seek ancestors of the
KING wife of Thomas Hartwell SHEPHERD, Jr. Eliza Ann CALBREATH, b. about 1823,
married 14 November 1844, died 30 August 1907 Champaign, Illinois.

I seek parentage and ancestors of Eliza GLENN, born Allegheny, PA., 12 Sept. 1816 married John PATTERSON, 29 Sept. 1842, died 18 August 1883, Salem, OR., lived early married life in Cambridge, New Concord, OH area, (Guernsey and Muskingum Counties). Need to find my uncle William W. KING, born Newtonards, County Down, Ireland, 18 May 1836. Mother was Jane WALLIS, father, Thomas KING. Had brother Thomas, sister Mary Jane. No trace has been found, although, he supposedly migrated to USA between 1840 and 1868 with family, 1st to Iowa, then to Oregon. Will exchange with others working on these lines.

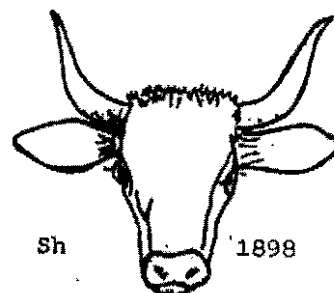

NOTE: "After being around the Arkansas Genealogical Society for these years, I finally read in detail the membership list in the December issue this past year and decided that I might as well run some of my 'Yankee' Queries in the Family Historian, because someone in that neck of the woods, just might be exposed to it. The afar off list of receivers of AFH is quite impressive. So, we'll see.

I didn't get the opportunity to tell anyone Saturday, 19th March 1983, of how much the Spring workshop meant to me. So far as I was concerned, I thought it the best yet. The speaker had a world of knowledge. I would vote for someone with equal savvy of the Philadelphia gateway and the track across Ohio, Illinois, Iowa, etc. It seems to me that the Illinois story would be a good one." Thanks Mr. King for these kind words, the AGS tries to bring these great programs to our Arkansas people, and it is sad it miss even one!

OUR BURTON ANCESTORS

In 1977 our nation turned its eyes toward the television version of Alex Haley's best-seller "Roots." In the weeks following this eight-episode series, visits to genealogical libraries doubled as Americans began unearthing their own roots with a passion that matches Haley's. I was among that number, and I want to briefly relate to you the culmination of seven years of study and research on our BURTON family.

BURTON is generally considered to be an English surname. It literally means "hill town" or "fortress." Today one can find BURTON stores along the streets of London, and several towns in England bear our name.

Though I have not traced our roots back to the Mother Country, I have located our family back to 1797 in South Carolina. The exact start of one sister, POLLY (MARY) BURTON, and four brothers, WILLIAMS, THOMAS, ROBERT, and MILES R. BURTON cannot be pinpointed. Our Grant and Saline County Burtons descend from WILLIAMS BURTON, so I will focus here on his family, though we know a good deal about his siblings.

WILLIAMS BURTON was born in South Carolina in 1801. Around 1827 he took MARY (maiden name believed to be FRANKLIN) to be his wife. Sometime during this period they moved to northern Alabama (Madison County) and had their first five children: JOHN S., SARAH ANN, ROBERT M., JAMES W., and MILES F. BURTON. In 1841 this family migrated to northeast Mississippi (Tippah County) where they made their home until 1859, farming the land. During this time they had five more children: WILLIAM WESLEY, LUCY JANE, ALLEN FRANKLIN, MARY ELIZABETH, and MINERVA S. BURTON. On January 26, 1859, WILLIAMS BURTON sold his land in Tippah County and moved his family to a growing settlement in Arkansas called Belfast, in what was then part of Saline County. His second son, ROBERT M., married shortly before the move and decided to remain in Miss. ROBERT M. was killed in the Civil War, leaving one son whose descendants may be found on the same homelace today. WILLIAMS lost two more sons in the Civil War, as JAMES W. and MILES F. heard the drums of war and responded faithfully to the Confederate cause. WILLIAM WESLEY also served, but returned safely.

WILLIAMS died sometime between 1860 and 1870. According to Lillie Grimes, "the old man" wandered down to Malvern one day and never came back. We find his widow, MARY, with the three youngest children at home in 1870.

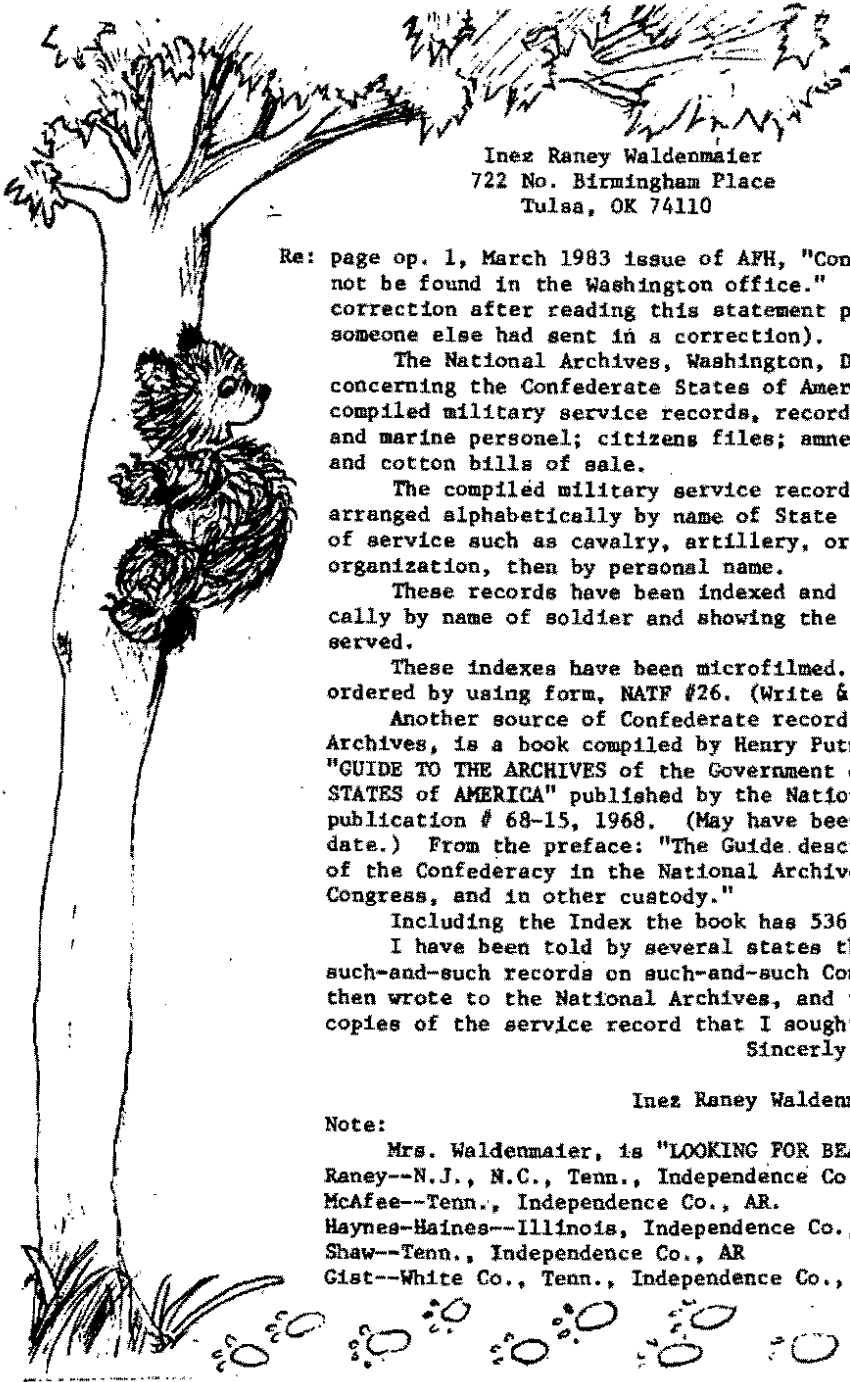

You who will gather at Tull on June 5 are descendants of the five youngest children of WILLIAMS and MARY BURTON, these being the following:

1. WILLIAM WESLEY BURTON, who was married to Sarah Frances Clark, Sis Lokey, and Nancy McCright. Families kin to this line include: Mayfield, Booth, Rucker, Young, Steele, McCool, and Roberts.
2. LUCY JANE BURTON, a fat, jolly lady, married Tom Hicks, whose children married into the Kennedy, Laster, Sheridan, Core, Bash, and Duncan families.
3. ALLEN FRANKLIN BURTON, a Baptist minister, married Tom Hicks' sister, Martha Jane Hicks. Families descending from this line include Cranford, Berry, Walters, Welles, Ashcraft, and Morten.
4. MARY ELIZABETH BURTON married twice, once to John Criglow and then to John Poe. The Wright, Hale, Young, and Mize families stem from this branch.
5. MINERVA S. BURTON, the last child, married Dan Gillis. They had seven children who married into the Shoptaw, Laster, Caples, Pettus, Taylor, Brewer, and Smith families.

Thus, the BURTON migration was from South Carolina, northern Alabama, northeast Mississippi, and on to Arkansas. Descendants of the families of those first four brothers and sister are scattered throughout those areas and are there today. BURTON letters from the 1800's reveal the hardships these people endured as they toiled to make a living off the land. All of the old records strike a common theme: a deep, abiding faith in God and hope for a better future. We can take pride in our ancestors and the contributions they made to the progress of this nation. May this same pioneering spirit and faith in God live on forever in the lives of their descendants.

Re: page op. 1, March 1983 issue of AFH, "Confederate records will not be found in the Washington office." (I started to make a correction after reading this statement previously, but hoped someone else had sent in a correction).

The National Archives, Washington, D. C., has many records concerning the Confederate States of America. They include compiled military service records, records relating to naval and marine personnel; citizens files; amnesty and pardon records and cotton bills of sale.

The compiled military service records (C.S.A.) are arranged alphabetically by name of State thereunder by branch of service such as cavalry, artillery, or infantry; then by organization, then by personal name.

These records have been indexed and arranged alphabetically by name of soldier and showing the unit in which he served.

These indexes have been microfilmed. Records may be ordered by using form, NATF #26. (Write & request this form).

Another source of Confederate records at the National Archives, is a book compiled by Henry Putney Beers, titled, "GUIDE TO THE ARCHIVES of the Government of the CONFEDERATE STATES of AMERICA" published by the National Archives, publication # 68-15, 1968. (May have been revised since that date.) From the preface: "The Guide describes all the records of the Confederacy in the National Archives, the Library of Congress, and in other custody."

Including the Index the book has 536 pages.

I have been told by several states that they do not have such-and-such records on such-and-such Confederate veteran, then wrote to the National Archives, and they sent me photocopies of the service record that I sought.

Sincerely,

Inez Raney Waldenmaier

KING Mrs. Loisel Young Byrd, 116 Dacus Street, Sikeston, MO 62801 - Can someone
POWELL please help locate death records (proof of death) of my maternal grandmother,
Elizabeth KING (or POWELL)? I understand she was living in the with a man named
POWELL (so her name may be listed as either KING or POWELL). She is listed as head of house-
hold on the 1900 census of Marshall Co., Miss. The family moved to Lepanto, Poinsett Co.,
AR after 1900. We know she lived there in 1926, so she would have expired sometime after
this date and before 1935. My questions are: date of death? where was she buried? was she
married to a man named POWELL? when? and what were the names of her parents? She was born,
October 1861, in Miss. Her mother and father were born in Alabama. She had three children:
Alma, b. March 1884; Dossia, b. May 1890; and Clinton, b. April 1893. 1910 Poinsett Co.
census has been checked and did not show my grandmother. Arkansas Bureau of Vital Statistics
stated they had no record of her death. Please help!

PARKER Geneal H. Sines, 25 Eaton Rd., S.E., Rio Rancho, New Mexico 87124 - my niece is
working on her genealogy and is trying to locate inf. on Isaac Charles PARKER,
U.S. District Judge, Ft. Smith, AR 1875-1896. He is her great great grandfather. We are
interested in the names of his parents with birthdates, if possible; when he married? his
wife's birthdate and names of her parents? names of his children and birthdates? particu-
larly daughter, Nancy (WRIGHT) through whom my niece descended. Can anyone please direct us
to a biographical sketch, etc.? or a book? we both will appreciate the name of it. Please
help!

BITTICK Larry A. Biddix, 15 Chestnut Ridge, Asheville, North Carolina 28804 - I write
BIDDICK in hopes that someone may be able to assist me in my research of the BITTICK/
BIDDIX BIDDICK/ BIDDIX families of the Southern United States. I will be most happy
to pay for any copying of anything that might be helpful in my search. I have
been working on this family since about 1977 and I have quite extensive information on the
family members that remained in North Carolina. I will freely share any and all information
with anyone wishing to do so.

PINKNEY Helen Fite Fertic, 5913 Northwest 54th Street, Oklahoma City, OK 73122 - My
grandfather Thomas PINKNEY FITE was born in Tenn., 19 Nov. 1861, son of Pinkney
and Meg. (maiden name unknow at present) FITE. Pinkney FITE died when Thomas was a child and
Meg. remarried. Her 2nd husband was a Mr. DAVISON. They lived in Boone Co., AR in the
early 1900s, so I have been told. Thomas married Mathilda Caroline HINSON, somewhere in Ark.
around 1883. Mathilda Caroline "Callie" HINSON was born in Arkansas (but where?) Her
parents were killed during the Civil War and she was raised by her Grandparents. I do not
know their names or where they lived. She had a brother named Jeff.

Thomas PINKNEY and Mathilda Caroline "Callie" HINSON FITE had seven children, all born in
Arkansas, they were: Beulah Myrtel, b. 24 Mar. 1884, died near Claremore, OK.; Vernon
PINKNEY, b. 26 April 1886, died in San Jacinto, CA.; Herman David, b. 9 Mar. 1889, d. 4 Jan.
1929, buried in OK.; William Andrew, b. 29 Sept. 1892, d. in Hartshorn, OK.; Elmer Sterling,
b. 27 Aug. 1895, d. 30 July 1902.; James Odeste Alvin, b. 7 May 1898, d. 15 Sept. 1898; Lela

LLOYD/ LOYD Charles Greenhaw, 1518 W. Orangeburg Ave., Modesto, CA 95350 - I am seeking inf. GREENHAW on my grandmother, Julia LLOYD. She married my grandfather, Wesley Meecham GREENHAW, 9-6-1888, in Howard Co., Holly Cr. Township, Arkansas. Julia was 28 years old at this time and my grandfather was 71. They had one child, my father, Will GREENHAW. Wesley GREENHAW died March 1890. I believe they were living around Center Point, Howard Co., AR at this time. My grandmother left Howard Co., sometime after Wesley died. She spent her remaining years in Clark Co., AR, working on a farm for a Joe and Luvisa SIMS. Julia passed away around 1917. I do not know who her parents were, or if she had any living relatives at the time she was married to my grandfather. I would like to correspond with anyone with knowledge of either of these people. I have some information on my grandfather but am always anxious to learn more.

ROPER Also need inf. on the ROPERS. My wife was a ROPER, and has a Bible record of her grandfather and great grandfather of Texas County, Missouri. She will be happy to share her information with others working on this line.

MARTIN Willaim G. Howard, 9501-84 East Broadway, Mesa, Arizona 85208 - My great great grandfather, William James MARTIN died at the Post Hospital, during the Civil War, in Helena, Phillips Co., AR., 20 Feb. 1863. My "Handy Book For Genealogists" under Arkansas - Phillips County, does not mention anything about getting death certificates, can anyone instruct me as to how to go about getting a copy of death certificates in Arkansas? EDITOR'S NOTE: ARKANSAS BIRTH AND DEATHS were not recorded until after 1914 (some not at all, even after that date). It is necessary to know, the date, place of birth or death and where the person was born or died. Many Counties in Arkansas, have already (some are preparing at present) published many cemetery records, often the entire county. These lists have been published from time to time in our ARKANSAS FAMILY HISTORIAN and others will be mentioned, as they become available, and where they might be purchased. Another source in Arkansas, is many Obituaries are recorded in newspapers (hard to find, as sometime the death was not mentioned...transportation and correspondence, etc was a large problem...especially during the winter). The various County Extension Homemakers Councils, in the Arkansas Counties, are the principal source to write, if they have not published the cemetery records, they possibly can tell you, if they have been published for their county, and where you might obtain information. Church records, and other sources, such as private Bible records often help. Try a Query...often that will help!

SMOOT Edna Smith, Rt 3 Box 58A865, Pagosa Springs, CO 81147 - I am seeking any info. WEATHERS (especially land records) for Armistead and Nancy SMOOT, who settled in Arkansas Territory (Crawford Co., AR. area ca 1822). They were in that area for some time and then I found Nancy in Sevier Co., AR 1850. Also John Riley SMOOT and wife Lurinda were there in Sevier Co., AR 1840. Lurinda died ca 1850/51. John remarried to Sarah Caroling Allen WEATHERS ca 1851/52. John moved to Sebastian Co., AR by 1850 and may have owned land there. He died between 1870-80 but I can not learn the exact date or where he was buried. These people are my great grand parents and great great grandparents. Any help will be appreciated. (303-264-5047)

BURGESS James B. McGowan, Box 130, Cotton Plant, AR 72036 - I had a Civil War relation, William W. BOTO CEMETERY

This cemetery is in a former community of Pike Co., AR, called BOTO. It had several families living there at one time, had a small church and a school. My great, great grandfather, Citizen Napoleon Bonaparte Sparks, moved the school to Hickory Grove. The shell of the church is still there beside the cemetery and has no doors or windows. The remains of the organ, the pulpit, pews, etc. are still there. The cemetery is well-kept but no sign shows the name of it. Compiled August, 1980 by Nadine Sparks Stevenson 345 Tulip St., Fairfield, CA.

GARNER Freda Buchanan, Box 377, Cyril, OK 73029 - I would like to correspond with anyone with knowledge of/ or has knowledge of the descendants or ancestors of my parents. My father was Aubrey L. GARNER, b. either in Booneville, Logan Co., AR or Van Buren, Crawford Co., AR., in 1894 and married my mother Nettie Lee PAGE from Mississippi (possibly in AR.) Please help!

HAGGERTON Mrs. Henry D. Bedford, Box 303, Roundup, MX 59072 - I am searching for a marriage record for a David HAGGERTON, b. ca 1833 Jackson Co., AR and an Elizabeth RENFRO RENFRO/ RENTFRO, born ca 1833, TN., married ca 1856. Can anyone please help?

WITT Mrs. Charles W. McDaniel (Anne) 4251 Niblick Way, Fair Oaks, CA 95628 - Would to correspond with anyone with knowledge on David WITT and wife Nancy. They lived in the North East section Independence Co., AR in the 1880 and 1900 census. Evidentially David's mother Sarah lived with them. Family rumors say, either Sarah or Nancy married a BROGDAN after the death of their husband. 1900 Census, shows the children of David and Nancy living together, so evidentially David had died. Children: John, the oldest boy acting as head of the house. with Henrietta, George, and Mary Jane living with him. John married a Sallie. Henrietta married a HENSLEY/ or HINSLEY (and had 2 sons). Both are supposed to be living in Little Rock at the present, and one is a lawyer, the other a dentist? George was Police Commissioner of Little Rock and we understand he did not marry. He also was a member of the Masonic Lodge and the Shrine. Mary Jane married Joseph Henry McDaniel and they had 8 children (my husband being the youngest). Mary Jane McDANIEL died in Benton, Saline Co., Oct. 1918 of influenza.

Have located Felix Alec. McDANIEL living with a sister, Elizabeth (wife of Elijah KELLEY) in the 1850 & 1860 census of Pike Co., AR. Inf. on his parents will be appreciated. There is rumor that Felix was part Indian. The family does not know of this data. They were told they were 100% Irish. Would like to clear this up. The James Mason family married into the McDaniel family and there is Indian blood there on the THOMPSON side. We do have inf. here if anyone working on this line is interested.

I spent much time researching Independence and Izard Counties, and THANKS to someone who read our ARKANSAS FAMILY HISTORIAN, answered my Query 2 years ago that led me to the Pike County search. Thanks AFH readers.

SUGGS Helen P. Magness, P O Box 83, Columbia, CA 95310 - I am looking for inf. on my Indian Ancestry. My mother is one-half Cherokee Indian. Her father Azz SUGGS was full Cherokee. My mother has been unable to find any records of this. Can anyone suggest how/ and who to contact for inf.

My Cherokee Grandfather was: Azz SUGGS, born 1886, Alabama (place unknown) lived Ashdown, Little River Co., AR., and died 1950, buried in Leesville, Louisiana (cemetery unknown). He married Ella May ROSHONG, b. Kingston, MO in 1889, she died Ella May LUCAS in 1962 in Stockton, CA. AZZ and Ella May married in 1905/6 (place unknown).

My mother is Iva Marie CORNELIUS, dau. of Azz Suggs & Ella May ROSHONG SUGGS. Born 7 Nov 1906 Wickes, Polk Co., AR, started school, Idabel, OK., presently living at: Box 6, Golden, OK 74737. I am Eugene Thomas MAGNESS, b. 15 April 1937, Tom, OK., started school Muskogee, OK. Please write or call collect 209-532-0109 if you can help me.

TAYLOR Mrs. Lewis E. Taylor, 1308 So. 41st St., Temple, TX 76501 - In 1981 I wrote
ROARK about some of my husband's family, the TAYLOR and ROARK. Since that time I have found some vital inf. about these families but have been unable to find either family on any Arkansas census. Everyone I've contacted about the ROARK family tell me that they all came from Harrison, Boone Co., AR., but I have checked CARROLL, MADISON & BOONE Cos. and have not found any that fit the inf. I have. Samuel Tom ROACK, according to his death certificate was born 4 Aug. 1850, AR. I found a Thomas ROARK on the 1850 census for Carroll Co., who had a son, Samuel C., 4 years old. There is some question that at one time the name was spelled with 2 o's. (ROOARK?) The age of this Samuel C. does not fit with the birth date I have, plus there is the question about the middle initial. I have been told Samuel married Amanda Melvina MOULDER at her parents home in Harrison, 8 Dec. 1870. I have had great luck in tracking the MOULDERS. They were on the 1850 & 1860 census for McMinnville, Warren Co., Tenn., and then showed up on the Harrison, Boone Co., AR census for 1870 & 1880. I've also found some of the MOULDER children on the Madison Co. 1880 census. Samuel and Amanda had 12 children, all supposed to have been born in Harrison. When the family moved to Oklahoma about 1898, all went except William, who stayed in the Harrison (con't next page)

TAYLOR - ROARK - MOULDER (Con't page 2)

area and taught school there. His son Merl still lives in Harrison and 2 daughters live in Russellville, Pope Co., AR. Samuel was a farmer & hauled freight in and around Harrison. William Parker, b. 2 Jan. 1873, Lou, Nannie, Lena (died in infancy), Oma, (Oma's twin (died in infancy), and Luster Maynard (my husband's grandfather, b. 29 Jan. 1879) were all said to have been born in Harrison so this much of the family should be on the 1880 census. Next came Samuel Tom, Jr., b. 30 Oct 1882, Charlie (died while young), Harley, b. 23 April 1887, Harvey Lee, b. 1889?, and Vertie, b. 23 Aug. 1891 and on her death certificate has her birthplace as Eureka Springs, AR. The 1880 microfilm I looed at had some places, the film was hard to read, which could explain why I did not find them.

William D. TAYLOR was born in Tenn., 4 July 1852. I am told his wife's name was Martha Jane BURT, who died about 1892 and is buried in Harrison. Their oldest son, Robert Gabriel TAYLOR, my husband's grandfather, was born 10 July 1875. I have 3 places of birth for him, Newport, Jackson Co., Harrison, Boone Co., and Harrisburg, Poinsett Co., (all Arkansas) I have checked all these places and came up 0. Another son, Richard Anderson, was born 8 Jan 1877 in AR, and 4 other children, Scott, Tom, Bell, and Anne all said to have been born in AR.

We traced my husband's maternal grandfather to Hempstead Co., AR., Mine Creek Township. Hiram Edward Eastwood was born 6 Aug. 1851, son of Lewis H. EASTWOOD and Elizabeth A. LUDWELL. Lewis & Elizabeth married in Hempstead Co., AR 26 April 1849. Their children, Hiram, Asemath J (or Cenith), Amanda M., Nancy A., Lewis James, b. 26 April 1860, and Mary, all born in AR. This family moved to Hunt Co., Texas in 1867. Hiram married Emily Alliefair CARAWAY, 9 Mar. 1870 in Hunt Co., TX. This family later moved to Indian Territory (now Okla) Elizabeth's parents, James and Jane LUDWELL are on the 1850 census for Hempstead Co., AR. They had another daughter, Mary. Can anyone please help us get our records cleared? Please!

SEXTON Myrtle Ashford Edmond, P O Box 96, Rattan, Okla 74562 - I am still working on

HOLT especially in Newton Co., AR. I have had fantastic response from our ARKANSAS
HALE FAMILY HISTORIAN readers. I also am interested in the ASHFORD Family who

ASHFORD in 1840. Keep up the good work! We enjoy our AFH!

LANE Reta Morris Evans, 1415 Locust Ave., Blacksburg, VA 24060 - Seeking the

RICE July 1877 in Madison Co., AR., married 1st Minnivell RICE in Hawkins Co., TN

Would like to correspond with anyone researching this family.

ADDITIONAL INFORMATION ON SAM GUTHRIE & FAMILY

From: Jackie Findsen, P O Box 1342, Merlin, OR 97532

Samuel GUTHRIE had a big plantation in Georgia. He had a wife and some children, his friend and neighbor was Henery WHITE, whose wife was named Mary Jane (DOUGLASS?) WHITE and some children. The two friends went to war from Georgia, drafted or joined (not sure which) They promised each other, if one of them did not return, the one who did would care for the other family. Henery WHITE was killed, and Sam was released after the War (place not known). Same returned home to Georgia, to find his plantation burned to the ground, his wife dead from yellow fever and children scattered. He found Mary Jane's brother who was trying to sell Mary Jane's land and got his family back together. Ended up marrying Mary Jane WHITE, and got a job, but later lost that! His uncle, who lived in Craighead Co., AR invited him to move his family to his place and help him. His name was uncle Josh! sometime afterward they became the parents of 4 children: John Thomas GUTHRIE was my great grandfather; Martha Jane GUTHRIE (later GREENWAY) b. 2 Feb. 1876; Ellen GUTHRIE, b. April 1878; Henery Lee GUTHRIE, b. 7 April 1877, died 1 May 1963; and John Thomas GUTHRIE (g. grandfather) b. 21 Jan. 1880, died 1 May 1962, Yuma, Arizona (all born in Craighead Co., AR) Sam & Mary Jane died of fever and left all the children, who were divided up among family and friends. John was taken in by a widower who had 2 daughters. The neighbor was very good to him and taught him to hunt and fish, swim and all about Arkansas Swamps! On Sundays the children used to get together at picnics, so they could see each other. John Thomas GUTHRIE at 15 years of age went to work at logging camp as lumberjack. John Thomas met and married a school teacher 4 Nov. 1900 at Dell, Craighead Co., AR. Her name was Martha Mattilda MORGAN. They were the parents of 5 children, one of them my grandmother. I have names and birthdates of them. That is all my grandmother told me. Later in life my great grandfather used to go back to Arkansas to visit his brothers and sisters. One of which was Henery Lee and wife Iva. He met and married a girl named Anna, a friend of Iva's. But where in Arkansas (is not known), later they parted and he went back to Yum-, Arizona.

NOTE: Can anyone please help with research on any of these people in the Craighead County, Arkansas area?

SNELLING Florence Hoijer, Star Route Box 8 A, Stephenson, MI 49887 - I have recently acquired the death record of an aunt, & according to this record, my grand father (he was the informant) Thomas Melton SNELLING was born in Little Rock. This was news to all of us. Thomas and my grandmother seperated many years ago and no one heard from him since...rumor has it that they seperated because of the age difference. Thomas was supposed to be 10 years older than Ada (grandmother). She was born 1894, therefore we are assuming Thomas was born in 1884. This seems to be our only lead thus far! My mother was the 1st child born to Thomas and Ada, (b. Tupelo, Miss.) Grandmother's death records has her being born in Alabama. I was born in Kansas, but now I am in Michigan (It would appear we are all a bit of wanderers!!! I will appreciate any help, especially would like to contact anyone with knowledge of the SNELLING Family or their descendants.

HAWKINS James W. Cameron, Glenburn Route, Fall River Mills, CA 96028. I am searching CANTRELL for information on the following people, such as birth dates, marriage dates, parents names or any infomation or mention of these people: George HAWKINS, a Baptist Preacher; Bobbie CANTRELL, wife of George HAWKINS; their children: Lewis Hawkins, Lige Hawkins, Samantha Pearlee Hawkins, born 27 July 1835 or 39 in Missouri; and others. This family left Arkansas in 1843 and returned to Little Rock area in 1850. Samantha and her first husband, John BLACKWELL, had a plantation near Little Rock and owned slaves. They were driven out in the Spring of 1965. Any information you can find in this regard would be greatly appreciated. I will be glad to pay for any books, copies of books, newspaper articles or documents.

Following is copied a newspaper article written by Mr. Cameron's grandmother, Samantha (Symthia) Kauffman, which appeared in the Menard, Texas newspaper about 1937:

REMINISCENCES OF LONG AGO by Mrs. Symthia Kauffman

(Editorial Note): The accompanying article was written nine years ago by Mrs. Symthia Kauffman, who passed away last year at the age of 101. She was the grandmother of Mrs. Paris Young of Hext and the great-grandmother of Mrs. Floyd Young and Mrs. Melvin Young of Hext. She has many other relatives and friends in the Hext community and in Mason county. Because of the interesting historical information given in the article, it is being reproduced here.

My father, George Hawkins, was a Baptist preacher. He married Bobbie Cantrell. If anyone knows the whereabouts of my sisters or their children, please write.

I was born in 1839. I have two brothers, Lewis and Lige, and several sisters, whom I haven't heard from in many years.

We moved from Arkansas to Texas in 1843 and settled near Palestine. My, what a Texas it was then! It was very thinly settled and wild animals roamed at will. In the eastern part there were large plantations, worked with negro slaves. I can remember very well those old plantations and the slaves at work.

There were no public schools to speak of in those days. My father had to pay to send us to school. We returned to Arkansas in 1850. We lived at Little Rock when I married John Blackwell. To this union there were born two children, Joe and Helen.

Those were trying times during the Civil War. I was very young and hopeful, and could not believe we were going to fight. My husband and I lived on a plantation near Little Rock and owned quite a number of slaves. I remember the first soldiers I saw. My children were at the house, my husband was away and I was at the spring-house when the soldiers passed. I can not explain just how I felt. Of course it scared me and I was forced to admit that the war had begun. They fought a small battle that day, near enough for me to hear the guns. Later I stood and listened to the guns in the skirmish at Little Rock. My husband and his brother were in this battle. My husband was wounded and brought home. His brother was hanged by bushwhackers, not far from our house, and was laid out for burial at our house.

I saw a number of wounded soldiers. It was a pitiful sight. A few weeks later the bushwhackers came to our house, propped my husband up in bed and were going to shoot him. My boy and I held their guns and begged them not to shoot until they promised to spare him, provided we would leave there within three days. Then they went out and chopped one of my wagons wheels to pieces.

I had to walk three miles, roll another wheel home and put it on our ox wagon. I got everything ready and we started to Texas along with fifty other families. This was in the spring of '65.

I drove an ox team all the way from Little Rock to Parker County, Texas. Just before we reached the river crossing into Texas my husband became ill and died. I was forced to bury him hurriedly and rush on, as we heard that the soldiers were after us. Just as we reached the river and part of us across, the soldiers overtook us and a battle began.

You modern women can not imagine what that experience meant to the women in that train. The soldiers took most of our stock and provisions, and left many dead on the field. I could recall many similar experiences.

I settled in Parker County where I married Andy Melton. We had two children, Nancy and Mary. Mr. Melton died in a short time, leaving me with two children.

I forgot to mention that my children by my first husband died shortly after we reached Texas. I lived alone and tried to support myself and two small children, which was no easy thing. My life was a torture. The negroes had been freed and were idle and dangerous. Later I married Henry Kauffman at Weatherford. We had three children. My husband died and left me when the oldest child was 12. Again I was left a widow, with five children, but we made our way.

I moved to Mason County in 1891, where I remained forty-one years. I left there a short time ago, when my daughter, Nancy, with whom I lived, died. I am now living with my youngest child, Mrs. W. P. Clifton.

Our thanks to Mr. Cameron for sharing this interesting history with us.

FINDING YOUR CHICAGO ANCESTOR, by Margaret O'Hara; copyright 1982; paperbound; 73 pp.;
indexed; order from Margaret O'Hara, 3950 N. Bell, Chicago, Ill. 60618; \$5.70

This book gives a wide variety of information about Chicago and about doing research in
Chicago. It is an excellent source for those wondering how to begin research there. It
includes first a section on the immigrants in Chicago giving some history of events and
housing for various groups. The book then discusses Chicago records, church records,
published sources, and an appendix on Irish immigration. The areas of Chicago records and
church records give very detailed information of how to proceed for each type of record
desired. For anyone doing research in Chicago, this is a must buy.

HALE Sharon Hendrix Primeau, #4 Donner Place, Ponca City, OK 74601 - I have several early Northeast Arkansas lines and will welcome any additional info. STRICKLAND My HALE family arrived Northeast Arkansas in the 1830's prior to statehood. SMITH The earliest record I have is a tax record for Greene Co., AR for the year 1835. Thomas A. HALE and his brother, Selbert HALE are listed in this record. Possible related families would be, Lester, King, and Norsworthy. My STRICKLAND family arrived in Greene Co., AR circa 1844. William M. STRICKLAND is listed as a gunsmith in the 1850 census for Powell Township. The wife of William M. "Billy" STRICKLAND was Rachel SMITH, she was born in Missouri, but we believe she was connected to one of the early SMITH families listed in the Green Co., AR tax records. She had a sister named Cynthia SMITH and possible other siblings were Hiram and Margaret SMITH. I would like to correspond with others working on the SMITH line in Greene Co. (Anything about Andrew Jackson SMITH and William SMITH, other than Goodspeed's History and History of Craighead Co., AR will be appreciated). Possible related families would be JOHNSON and LANE.

DAVIS Also, my DAVIS family arrived Northeast AR about 1851. They were from Alabama. James and Nellie (LOWERY) DAVIS were married in Alabama and their eldest child, William Taylor DAVIS, was born in AL c 1850. Related to an early McCRACKEN family.

GIPSON/ GIBSON Also, my GIPSON/ GIBSON family were early settlers of Lawrence and Greene Co. I believe the F. A. GIBSON listed in the 1860 Craighead Co., AR census is the same Asbury F. GIBSON listed in the 1850 census for Lawrence Co., AR in the household of his father William GIBSON. According to family legend, F. A. GIBSON died during the Civil War, and indeed his wife is listed as a widow in the 1870 Craighead Co., AR census. I can not find a War records for him, so possibly he was a civilian casualty or his death may have been unrelated to the War. His wife's name was Amanda and their two children were William Alexander GIPSON and Mary Jane GIPSON. I believe this is the Widow GIBSON mentioned by Harry Lee William in his History of Craighead County, as being an early resident of Cane Island with her two children, a boy and a girl. Related families are MORRISON, NEWTON, and possibly GATLIN. I have several published materials on Northeast Arkansas and will welcome any correspondence on these lines. As all the early Craighead, Greens, and Poinsett Counties burned in the 1870's, any private records are very much needed to complete research on these lines. All correspondence will be answered and appreciated!

WHITELEY Mrs. W. D. Beck, 807 W. Pleasant St., Aurora, MO 65605 - I am seeking info. on Elizabeth McKamish WHITELEY, married to Isaac WHITELEY during 1830a and were the parents of: 6 or 7 children, among them a daughter, Nancy Adaline WHITELEY, born in 1838. Elizabeth McKAMISH was supposed to have been a full blood Cherokee Indian, but McKAMISH is certainly not an Indian name so feel she might have been married before she married Isaac WHITELEY. Also could she have been married later to a man named POLK in the 1850s. I am willing to pay for copies, etc. They lived in the Wareagle, Benton Co., AR area. Help will be appreciated and I will gladly share with others working on this line.

HERRING Kathy L. Wilburn, 201 Glenwood Circle #36B, Monterey, CA 93940 - I am trying to locate a birth record for my great great grandfather, Duke Marion HERRING born 19 April 1862, Bearhouse Township?, Ashley Co., AR., son of Joshua HERRING and Jane MULLAS (or MULLIS). Would also like to locate a marriage record for Joshua HERRING and Jane MULLAS., married in 1854/55 in either Ashley County or Little Rock, Pulaski Co., AR. Joshua HERRING was in the Civil War and died in July (?) 1862 and is supposed to be buried in Little Rock. He was also supposed to have owned a plantation in Ashley Co., AR. I would like to locate copies of his service records and probate deed and tax records, if any are available. Do not know if Jane applied for a pension or not. My grandmother said she sold hwe share of the plantation when Joshua died and moved to Brownwood, TX where she died and is buried. Please help!

WILLIS Judy L. Crist, 13736 Spring Lake Road, Minnetonka, MN 55343 - I am looking for anyone with knowledge (or who can suggest where to search) about Henry and Adaline WILLIS. The only place I have been able to locate them was 1870 Conway Co., AR census, she was 18 and he was 25, no children. They are my grandfather's (William Floyd RIGGS) maternal grandparents. His (my grandfather's mother was Maggie WILLIS married to John Henry RIGGS). My grandfather said her maiden name was McALLISTER.

BRAZIL I am also seeking info. on Nancy Jane BRAZIL who died in 1907, Ferry Co., AR she may have married onec, maybe twice before. Her 1st husband's name may have been TARVIN and her 2nd husband, ROUNTREE. Jan. 1885 she married Rountree RADFORD BRAZIL. This is all very vague, I know, but I have not been able to turn up anything on them elsewhere, and hope someone of the ARKANSAS FAMILY HISTORIAN readers may help with advice/ or information! I am at a dead end!

FERGUSON George W. SHEARER and Mary Jane FERGUSON left Water Valley, Mississippi

Helena, one brother recalls my father talking about living there for a while. Has a book
been published on the trails by the early settlers? I would like to correspond with anyone
with knowledge of this information. I would also like to correspond with anyone about any
books already published on the McCOOL or the STOCKTON Genalogy. I am interested in any

1939. C. H. McCOOL, my grandfather, b. 16 March 1865, died 3 April 1892, they were married
15 Aug. 1885. I am not sure where, but the children were born in Alma, Crawford Co., AR.,
and I wonder if they were married in that county? Also perhaps he died in Alma. I am
also interested in any publications on Crawford Co., and Conway Co., Arkansas, 1850 and
later that would give birth, deaths, and marriages.
NOTE: I have enjoyed our ARKANSAS FAMILY HISTORIAN very much!
EDITOR'S NOTE: Crawford County Genealogical Society, Rt 3 Box 5, Alma, Arkansas 72921
has a very active group and a very good publication, you might request information from
them, marriage books, etc have been published.

YOUNG Sylvia Howerton, 5455 North Peoria, Tulsa, Ok 74126 - My grandfather, James
TIMMONS Anderson YOUNG, was born 31 Jan 1873 in Howard Co., AR., married Jimmie
Joura RIMMONS in 1900, and when he moved to Oklahoma, I do not know, but my
mother was born in 1902 in Okla. J. A. YOUNG's father was Jacob YOUNG, also born in Howard
Co., AR 1 Sept. 1851., and married Sarah MUSGROVE & ended up in Oklahoma also. His father
was James YOUNG, birth date unknown, but he was from Alabama., and married Mary STOKES,
also from Alabama (they were possibly born ca 1830, and possibly died in Howard Co., AR.
Our race is white, but I think my grandparents on the male side were part Cherokee Indian.

WILL, which might tell me some names or other vital data unknown to me at present. Would
especially like to know where they came from! Can anyone please help?

GUERIN Elva Pearl Merriott, 2351 Eitwanda St., San Diego, CA 92107 - I would like
GEURIN to solve the riddles of Isaac Whitehead GUERIN/ GEURIN, bor 1784, N.J. died
1850-1860 Saline Co., Arkansas. There are eight of us and we should be able
to work together and find the answers as we did with Jabez GUERIN. Only three of us on
that one and we really had good luck so here we have over twice as many, so we should have
twice as much success...Can we stand that much!!

First we should concentrate on Isaac's still unknown 1st wife...the mother of his first
five or perhaps 6 children - Alexander was supposedly born 1830 (census statement) and as
Ginsey (the 2nd wife) and Isaac were not married until March 1830, it appears Alexander
was the child of the 1st wife...perhaps she died when he was born, a common enough thing
in those days.

OK now are we certain Ginsey RICHARDSON was not the Widow RICHARDSON? In the 1860 Saline
Co., Arkansas census Ginsey was the Widow of Isaac, living with her son & daughter by
Isaac (Jonas & Mary) and next door lives a William RICHARDSON and family, age 35 born Tenn.
and Isaac's son, the above mentioned Alexander GEURIN is living with them...of course this
William could be a nephew or a cousin. I doubt he is a brother to Ginsey as they are 25
years apart in age. Do any of you have the RICHARDSON HISTORY? It would be well to estab-
lish this to save a lot of work that is unnecessary...so I thought I had better run that
by all of you for your comments...please! Next...I think someone would know where, when,
&/ or how Isaac died...as Ginsey was living in Akin Stone Post Office area when the 1860
census was taken...perhaps someone can help!!!!

SADLER Nina Sadler Bell, 19620 Bob-O-link Dr., Miami, Fl 33015 - - William SADLER, CLARKE born ca 1775 in South Carolina had cousin William SADLER, with whom he is often confused. Both families lived in South Carolina, both families came to Arkansas. My William first moved to Florence, Lauderdale Co., Alabama before 1818, then moved to Yell Co., Arkansas in 1824. Family later lived in Booneville and Paris, Logan Co., Arkansas. William's wife, was Lucinda CLARKE. BROWN Vera Sanford Rock, Rt 5 Box 262, Spokane, WA 99208 - I have learned that my FLOWERS grandmother Turia (Ture-Turie) Jane FLOWERS' parents were Nancy Ann BROWN and John P. FLOWERS, and the parents of John E. FLOWERS were Strother FLOWERS and his wife Marinda (?). John P. FLOWERS was a soldier in the Confederate Army and enlisted in Antonie, Pike Co., Arkansas. Also my great grandfather, Anderson was Carroll D. ANDERSON from Tennessee. This family lived for a time in Hempstead Co., AR., where we believe my grandfather William A. ANDERSON was born before the family moved to Amarillo, TX. It has been a difficult search, but we are finally making some progress. I would like to learn more of the BROWN, FLOWERS, and STROTHER families of South Carolina. Can anyone please help?

MARTIN Also, Tom MARTIN (probably Thomas) bith date and wife not known. Daughter, Sarah Jane (my grandmother) born 19 Oct. 1866, and after 1866 her mother had twins, but there is no record of the mother or the twins living after their birth Tom and Sarah Jane lived at Conway, Faulkner Co., AR about 1878 (they worked at cotton gins. Tom was in Civil War, guess he was injured, because he had a bad hand and arm. They also lived at Clinton or Van Buren. George W. SCARBERRY married Sarah Jane, 10 Aug. 1888. GOOCH Frances Lee Hunt, P O Box 570, Mannford, OK 74044 - Our ancestor David Drury GOOCH, b. Illinois 1847, die in Yell Co., AR 1910, lived also in Van Buren and Conway Cos., AR., married 1st to Mary GOODMAN and 2nd to Sarah Love WOODALL HOLLEY There were children by both marriages. We have documented; Samuel B. GOOCH and Tabitha DUNN as his parents in Monroe Co., Ill. also his grandfather, Drury P. GOOCH of Jefferson Co., MO. Would like to locate the name of Drury P. GOOCH's 1st wife? Presumably died 1830/36. She was the mother of all his nine children. We now know he was in Missouri before 1817. We know he was from Virginia, and his brother, John was killed by Indians in Audrain Co., MO. (GOOCH FAMILY HISTORY, by W. E. Humphrey, page 54). We have good evidence that he was one of four sons of Thomas GOOCH, born 1743 and died 1796 and Sarah (WOOD) GOOCH, married 1768 Louisa Co., VA, Sarah was a daughter of David WOOD. She had an older brother Drury WOOD. Two of the sons are known, John and Rowland GOOCH, excluding Drury P. GOOCH, 1780-90 --1839. They owned land on Rough Run, a branch of the Moorman River, Albemarle Co., VA. They removed to Lincoln Co., KY about 1800 (we believe Drury, a younger brother, as well as others went with them). A Miss Virginia Rosser of Fulton, Callaway Co., MO., was a descendant through, Mary GOOCH CREATWOOD, bor 1781. Virginia ROSSER was a D.A.R. member, accepted in 1921. One son only is not know (if we include Drury). There were five daughters, three of whom are known: Mary, Elizabeth, and Frances Jane, two remain unknown. We believe Thomas GOOCH, born 1743, VA and died 1796 at Albermarle Co., VA is a brother of William GOOCH, Jr., born 1739, and died 1796 also Albermarle Co., VA. Their sisters were: Elizabeth and Ursula and Sara. Their parents: William and Elizabeth (?) GOOCH. We seek more evidence, documents, WILLS, etc., to further streghten, confirm and establish our belief and claim or that will disprove our belief and claim that Drury P. GOOCH was a son or was not. We earnestly solicit the attention of searchers; and their help especially in Virginia, Kentucky, and Missouri. Our sources of information have been (con't next page)

ARKANSAS GENEALOGICAL SOCIETY, Inc.
4200 "A" Street
Little Rock, Arkansas 72205

Dear Mrs. Cia:

This is in response to the AFH, March 1983, issue.

Many, many thanks from Jack and I for running all queries!
Must say that we appreciate all the work done by you great
'genealogical-minded' people! Wish we could be of more help!

Rather than write to each person that ask for location of
information for some of their lines, I am going to make this
an INFORMATION TO BE SHARED, from us, to all of them:

- Pg 22: Would love to hear from any desc. of ROSES in DOOLEY CEM.
- Pg 23: BUSH; there are many families in early Georgia records,
a Thomas BUSH m a KELLY in Jones Co. ca 1860-70; moved
to Grant Co. ARK along with WELLS, KELLY (Dr. Miles
was of this family). Counties in GA are Jones, Twigg, Bibb, etc.
- Pg 30: Re SLC library and ARK records! I have pages of numbers
copied from Ark. Hist Comm list of newly microfilmed
ARK records --- now available thru SLC! Wish Ala had same!
- Pg 52: KINEY/CASH/McCALLUM: Wonder how many are aware of the
fact that the State of North Carolina ARCHIVES have put
their STATE MARRIAGES onto microfishe???? From earliest
bonds to about 1885! I don't have the exact ending date,
but they are available at some of the LDS branch libraries!
The Oakland CA branch has them; some county hist/geneal.
libraries also have them! They are great, give reference
number so that they may be ordered from NC library - but
write for cost first as I understand it has gone up since
we were there in 1980. For CASH/KASH data, might contact
Miss Ethel BATES, thru Ralph Hammond, PO B0x 486, Arab
Alabama. Not only dates but counties are coded and persons
listed for Bondsman and Security, in NC marriages.
- Pg 53: ROWELL/TERREL: Have you tried the TAX LISTS for Polk &
Sevier Co. ARK?? They can be most useful and are on
microfilm, either at Ark. Hist. Comm. or SLC. Also many
times a land record can be most helpful.

Hope that some of these suggestions may be helpful. Another
possibility is the LDS microfishe church records----at least for
locating a county of residence.

Sincerely

Mrs. Jack N. Rose (Doris)

- HURLEY** Francis E. Smith, 7175 Camellia Drive, La Mesa, CA 92041 - If your Society is anything like the San Diego Genealogical Society, you do not have a paid staff, but hopefully some one can help me in my request.
EDITOR'S NOTE: This one of many REQUESTS...it happens every day...most all day, by phone, either of the 3 doors or the over-sized mail box!!!! (and you are correct! Volunteers are few and far between (mostly to help get the BULK MAIL OUT...and not always available for that!))
ANYWAY....."In the Volume I and about the 3rd issue I believe (1962!) there was an article by J D Hurley about the Hurley family." **EDITOR'S NOTE:** Mr. Hurley passed away many years ago.
"My interest in the HURLEY name is: A Tiney or Tinesy HURLEY, who at this time have nothing documented, married a George WOOD in Arkansas. She is supposed to have been born in Arkansas, possibly Carroll Co., in 1855. George was much older than her and it must have been his second marriage, for the 1880 census shows a daughter age 18 and Tinsey would have been only 25 at that time. George came from Kentucky and he and Tinsey were the parents of several children: Burton, Nevada, Clorabelle, Lonnie, Hugh, Daisy and Molley.
Clorabelle, married a Douglas FANNING and that is my interest. Another point was that George WOOD is supposed to have died by burning or scalding to death while butchering a pig. Can anyone please help with any suggestion on my Tinsey HURLEY, any and all help will be appreciated and I will gladly share data with other working on this line."

REEVES Paul H. Reeves, Rt. 1 Box 63, Arcadia, MO 63621 - Is there a publication of.
REAVES index to census records for 1860; 1870; & 1880 for the State of Arkansas?
I have been searching for William REEVES/ REAVES, and have not had much luck!
I did find some Probate records that mentioned a William REEVES of Arkansas! (but where?
In 1858 he appeared in a Madison Co., MO record and signed (X) for his portion of the entire
estate, then in 1859 I found evidence that he was back in Arkansas, again in 1867, I found
what I believe to be him in Iron Co., MO., then he disappeared again! He may have had a
wife, Elizabeth in 1860, but in 1870 (believe his wife was Martha). A William REEVES (I
was told, was a son of the above William), was in Missouri, until about 1900, when he sold
all his land and he also disappeared (and is thought to have gone to Arkansas). This
William's wife was Mary E. Haynes REEVES. William and Mary were the parents of 4 children:
Noah H., b. 1893, MO; Martha W., b. 1894, MO.; William H., b 1895? MO.; and Logan A., b.
1899, MO. Any small suggestion may help! I will gladly exchange data with others working

LOVEWELL Mrs. Sally L. Guadagni, Main Street, Box 307, Derby, VT 05829 - My 83
BOHALL year old LOVEWELL "cousin" in Hobbs, N.M. is still trying to trace her
LOVEWELL ancestors, who went from Indiana, to Arkansas & Missouri...
I have borrowed several issues of the ARKANSAS FAMILY HISTORIAN, and feel someone might just
have the answer to some of her problems! The following names are mentioned: LOVEWELL,
BOHALL, LANTER, MALONEY and/or STUBBS. We are trying to prove (or dis-prove) the following
family tradition (data in parenthesis is mine).
William B. LOVEWELL (no dates, supp. born N.Y.) married 1844 in Vandenburg Co., Ind.,
Charlotte BOHALL (no dates, b. Ind.) and they had 2 children: William A., b. c 1846 Ind., &
John A., b. 1848, Warrick Co., Ind. The father, Wm. B. LOVEWELL was a carpenter/ building
contractor and while working in Natchez, Miss in 1850, he became sick & died (not listed
1850 Miss. mortality schedule) Charlotte (BOHALL) LOVEWELL, married 1853, Warrick Co., Ind.
to Ovid V. LANTER and in 1856 the family migrated to Arkansas (exact place unknown) and
(con't next page)

LOVEWELL - BOHALL (Con't page 2)

Charlotte (BOHALL) (LOVEWELL) LANTER died in 1859 (not listed in 1860 Arkansas Mortality schedule). Both LOVEWELL boys, Wm. & John, are in the 1870 Miss. Co., AR census but are not there in 1860. William A. LOVEWELL married 1871, Miss. Co., AR to Ann MALONEY, and she supposedly died in 1873 either in or as a result of the birth of their son, John Alfred LOVEWELL, who was placed with and raised by Uriah & Margaret (EVANS) LOCKMILLER. I found no legal adoption and John Alfred retained his LOVEWELL surname. William A. LOVEWELL married 2nd in 1880 Miss. Co., AR to Mrs. Lucy (maiden name unknown) STUBBS (she had STUBBS children, James, Hettie, and Jesse) and William A. & Lucy were the parents of 3 known daughters, Lottie, Rachel, and Malessie LOVEWELL. Sometime between 1855 and 1887, William A. LOVEWELL and family moved to Dunklin Co., Missouri, and William probably died there between 1897 and 1900.

This is not an easy job (as all researchers know), so after struggling with dozens of letters to county officials, state officials, and the Arkansas History Commission office in an attempt to locate Civil War records which was negative, my best hope now is to try to locate someone who is doing research and/or has family records which will solidify this data I am willing to pay for research. Please help, and I will gladly exchange data.

TURNAGE FAMILY AMERICA - 4th ANNUAL NATIONAL REUNION - July 30 & 31, 1983

From: Kaleta K. Livesay, (Arkansas Representative Turnage Family America) Rt. 1 Box 136 Griffithville, AR 72060 - Phone 501-256-4522

"The material from the Kegley book was not copied verbatim; it was gleaned from pages 323-324 and 325. These pages, very interestingly written, are all that I have seen, but I think it is a book that would be of interest to many people. Several other names were mentioned, even on these pages.

ALSO: the 4th annual National Reunion of TURNAGE Family America, will be held in Cheraw, South Carolina on July 30 & 31, 1983, with headquarters in Baker's Motel. This is a very informal affair with folks from all walks of life. Anyone connected with the family TURNAGE/ TURNIDGE is welcome and urged to attend. 60 of the motel's 100 rooms have been reserved, there's also camper facilities and a few cabins available only 4 miles away on a lake. MAKE RESERVATIONS EARLY! It sounds like a grand place for a family vacation. There are meetings, activities for the younger people, the Saturday evening program and banquet, also informal and you do not have to attend the banquet to see the program afterward. The TURNAGES of that region have broken with tradition of an October reunion, and will hold their annual gathering on Sunday, July 31st with a covered dish dinner, inviting everyone to stay over for that. The TFA reunion usually ends with an early devotional meeting on Sunday. Marine W. Turnage has done a fine job of arranging and dispensing information on all this; cost of rooms, etc (Con't next page)

TURNAGE REUNION (Con't page 2)

is comparatively inexpensive. Whoever heard of a banquet meal for \$6.50, children \$2.50, and it's a banquet too."

These 1982 findings (in Kegley Book) verified by earlier info and general family knowledge of B.E. Bell, son of Geo. S Bell, and Mrs Tilda Cobb, dau of Campbell Bell. Farrell McCallister found place & date of Crockett Bell marriage. 1850-1860 censuses of Cole & Calloway Counties in MO, Pulaski & Wythe counties in VA give further evidence of these families in those states. 1880 Faulkner Co census shows Mary Bell living with son-in-law, James W. Farmer & wife, Sarah Jane. In "Faulkner Facts & Fiddlings" Summer 1977, 'People in and Around Enola, Ark' by Dibrell Ingram has interesting, factual information that further verifies that these are "our Bells".

Information from Barney E. Bell- 1886-1981- son of Geo S. Bell: "Mother's parents were Sampson and Martha Ann Heffington Adkisson. Dad came to Arkansas from Jefferson City, MO to visit his uncles, John, Cam (Campbell), and Crockett, and stayed. Cedar City, MO was the address of the sister who wrote him for years. He had two sisters, no brothers. His sisters were Harriet Hodges and Octavia Bell. He was a Missouri Volunteer, fought for the Union. He was wounded...five minnie balls in the same hip ...watched as doctors took out four; a younger doctor wanted to take out the other, the older doctor insisted the location was too crucial. He carried that one to his grave; just as the doctors said, the older he got, the more he suffered from it. Dad's father was George Bell, born 1820. He was killed in Virginia when he intervened in a wife-beating incident; the angry husband killed him. I don't know what Dad's mother's name was. Someone in the family was named Hannah. Dad had first cousins named Warden (in Faulkner County)." (No other findings, ^{so far,} indicate that Crockett Bell lived in Ark, perhaps he was visiting.)

Mrs. J.E. (Tilda) Cobb of Arkansas verified that she and Geo. Spencer Bell were first cousins. She is the daughter of Campbell Bell who also came to Arkansas from Missouri.

Sampson Adkisson's parents, Jessie (1781-1844) and Patsy Adkisson(1783-1846) came from Tipton Co, Tenn by boat to "what is now No. Little Rock in 1833. Enroute Patsy gave birth to twins who died and were buried at the mouth of White River." Martha Ann Adkisson was a daughter of Thomas Heffington who came to the Enola, Arkansas area from Simpson Co, KY. This information from Jewel Adkisson White and B.E. Bell.

All of Spence and Elizabeth Bell's children were born in Arkansas. Two died in infancy, others married and began their families in Faulkner County. To the best of my knowledge only two left the county before their children were grown. On the Mt Vernon farmstead, very near the parents home, was a house that was the first home for several, if not all, of these couples. It was often laughingly referred to as "the weanin' house". Viola and Dr John R. Keathley made a final move to Des Arc in Prairie County in 1908. Tom and Ella later moved with their family to Rosebud in White County. George and Ollie also moved to Rosebud, but in their late years. The eldest, Martha Ann Bell, never married. She was a beloved and very special "Aunt Ann" to all her neices and nephews. Then, as yet another generation came along before her death, they too, quickly came to know that she was a person to be appreciated, even those who were not often around her. With the death of Barney E. Bell in 1981 came the earthly ending of one more generation of 'our Bells'. For those of us who's grandmothers were daughters of Spence and Elizabeth Bell that generation is the ending of the Bell line in our family histories.

That generation was: born died spouse

BOOK REVIEWS

- "LAWRENCE COUNTY, ARKANSAS: LOOSE PROBATE PAPERS 1815-1890." Abstracted and compiled by Marion Stark Craig, M.D., 300 Beckwood Road, Little Rock, Arkansas 72205. Published in 1983. Hardcover, 8½ x 11 inches, 300 pages with full-name index, \$25.00 postpaid. Lawrence County was created in early 1815 as part of the Territory of Missouri. In 1819 it became a county in the new Territory of Arkansas. From Lawrence have come, in whole or in part, 32 of the current 75 counties in the State of Arkansas. Lawrence originally encompassed most of the northern half of the now State of Arkansas. Loose probate papers contain the originals of WILLS, applications for appointment as administrators and guardians and their bonds, and lists of heirs with their places of residence. Dr. Craig has extracted pertinent genealogical information from the papers on the estate of each decedent and on each guardianship. This book is extremely well done. The full-name Master Index in the back contains 6762 names. Dr. Craig has rendered a most valuable service by making these important genealogical records available to all who have roots in the large area once encompassed by Lawrence County. Thank you Dr. Craig for this addition to our Library.

- "THE FAMILY OF RICHARD TODD COPELAND - 1815-1890, Ancestors and Descendants", compiled by Lawrence H. Roberts, 1507 E. University, Magnolia, Arkansas 71753 1982 \$10.00 ppd 91 pages, 8½x 11 paperback. Richard Todd Copeland was born 22 Feb. 1815 in Chesterfield County, South Carolina, lived in Middle Tennessee from about 1825 to 1849, then moved to Corinth, Howard County in Southwest Arkansas and died 30 Nov. 1890. Part I, discusses early history in Scotland and Copeland in Colonial America. The Southern branch of the family descended from John Copeland and the Northern branch from his brother Lawrence of Massachusetts. They were first noted in Virginia in 1622. There are twelve Chapters, with each telling about an individual family of descendants of Richard Todd Copeland. This is a well organized family history and the information is brief and factual. We appreciate this book as a donation to our Library, by the Copelands.
- "THE HERITAGE AND LEGACY OF FRANCIS FRAZIER, II - A BLACKSMITH", by Zelda S. Frazier and Elizabeth S. Frazier, 5007 West 14th Street, Speedway, Indiana 46224. 288 pages, full name index, hardcover, 8½ x 11 inches. This book results from the efforts of dilligent searching by several members of a family in widely scattered places. They added to the collection left by Lura Frazier, wife of James, when she died in 1945. The decision to write the book was made at a family reunion in 1980 and financing was arranged. The history begins with Thomas Frazier, born ca 1726 in Scotland. His wife Mary, was born ca 1728 in Wales. They were the parents of nine children, seven boys and two girls. Thomas was young when he came to America and settled in Pennsylvania then North Carolina. This family is discussed from all available records and logical conclusions are reached. They were Quakers. The present day part of the family is listed in Section III. There is the man in the title, Francis Frazier II: A Blacksmith. He lived from 1842 to 1925. He was the father of ten children, by two different wives and lived at several different locations in Indiana. This is a well researched and well organized family history. Thanks to the authors for donating this book to our Library .

The editors invite any corrections found needed by readers.

Thank you, Sandra Tedford of Search-N-Print for giving this book to our Library.

"OVER 250 YEARS OF JOHNS GENEALOGY", compiled by Michael S. Cole, M.D. Rt 6 Box 53, Harrison Arkansas 72601--8½ x 11 inches, 26 pages, paperback

Thomas Johns, was the first known American ancestor of this Johns lineage. Date of his birth was probably in the 1720s. Date of his marriage to Catherine was probably in the 1740's. His name was recorded in Charlotte Co., Virginia, Deed Book 1, April 1765. He died about 1769.

Seven generations of his descendants are recorded in this report. Six pages of narrative hold together ancestor charts, family group sheets, legal documents in the form of WILLS, Petitions, Inventories, Marriage and Census Records. This brief, factual family history is a compact and logical study. It is excellent and interesting. Thanks Dr. Cole for your gift of this book to our Library.

EDITOR'S NOTE: Dr. Cole and his family have moved to Italy, for a while, but we are sure he is still working on his and his wife's genealogy!

MORE BOOKS DONATED BY Don Francis of New York. Three bound together.

"DESCENDANTS OF JOSEPH FRANCIS of Maryland and Virginia", by Lura M. Dickson, Montezuma, Iowa, 1949. 165 pages plus full-name index, 8½ x 11 inches, hard cover.

Information about the early members of this family is sketchy and generally uncertain. Many versions are given from family members about what they have heard. Joseph Francis was born 1742, probably in Maryland or Pennsylvania. His first wife was Elizabeth, born about 1748, and they were married about 1768. They lived in Frederick County, Maryland in 1776 and Elizabeth was killed by lightning about 1785. There were ten children by Elizabeth.

Joseph Francis married 2nd to Margaret Taylor, and there were seven children by this wife. The family moved to Virginia in about 1789. Six generations then are listed for about 175 years. The family migrated to Madison County, Ohio. A few facts are given about each listing.

Family names most frequently given besides Francis are: Bowman, Bradley, Brown, Cutler, Davis, Garton, Harris, Lewis, Matthews, McBride, McGill, Pennington, Richardson, Smith, Stones, Trimble, Walker, Waymon and Williams.

"LOUDOUN COUNTY, VIRGINIA, CHANCERY SUITS, 1757-1874". Alphabetized by Plaintiff and Defendant with cross references. Begun by P. L. Preston and continued by Louisa Hutchison. Computerized by Ann A. Hennings, August 1982. 164 pages, 8½ x 11" Hardcover.

The Chancery Suits are listed from 1757, the year Loudoun County was cut off from Fairfax County. The computer listing was very necessary because up to 1930 the suits were not in folders, but tied in bundles by court terms.

In this listing there is a column headed Plaintiff, one headed Defendant, then the year of the final date of the suit and last the number of the Folder in which suit is located.

"PARKMAN FAMILY HISTORY (From Early 1700 to 1939)", by Ida Mae Bussey Brooks, Columbus, Georgia, 46 pages, 8½ x 11" Hard cover

First record of Parkmans in America dates back to 1633, when Elias Parkman from England, came to Massachusetts. His son was born at Salem, Mass., in 1635 and died 1691.

The southern branch of Parkmans began in early 1700's, in the part of South Carolina now is Edgefield County. They probably came from Virginia. Henry Parkman, Jr., and Sr., were listed in the first census of the United States in 1790.

Many documents are quoted in giving the activities of this family. Actually it is a series of legal documents carefully selected to give family history from generation to generation. In this respect it is excellent. These documents give authentic facts but human stories about other people and events create interest and bring them to life. (con't on next page)

BOOK REVIEWS (Con't page 3)

We wish to thank Don Francis of New York again for another volume of: three publications in it.

"MEMOIRS OF THE LEFANU FAMILY", by T. P. LeFanu, 80 pages, 8½ x 11"

The family name LeFanu appears to be extinct in France and is confined in England and Ireland to be descendants of Thomas Philip LeFanu, who died in 1845, and his first cousin, William Joseph Henry LeFanu, who was Rector of St. Paul's in Dublin from 1834 until his death in 1879.

The first LeFanu of record was Michael in Caen, France in 1536 and a lawyer. He had a son, Etienne. This publication carries the family line on from the children of Etienne. Other family names included are: Sheridan, Coote, Dobbin, Bennett, and Barrington. They were far from Arkansas but descendants would be interested.

"THE PREYER-ANDREAE FAMILY HISTORY", by Caroline Behen Piercy, 1937, 194 pages 8½ x 11".

The start of this history is with Johann Peter Preyer, born 1814 and Charlotte Andrae, born 1819, who were married on 18 December 1844. A brief run down of their ancestors is given also. There is a great deal of telling historical sidelights that makes this heavy reading, but the family information is there for the researcher.

The Schull family enters the history in 1810 when a Preyer man married one of Heinrich Schull's eight daughters. The history of the Andrae family is given next.

The Johannes Kaufmann family line is lengthy and full of military accomplishments.

A few pictures are used for illustration but the poor reproduction makes them ineffective. Documents offered are more effective and authentic. A section describing the homes of the Preyer family in different locations is very interesting and gives an insight into the real people.

Thank you Mr. Francis for this heavy hardback volume with the four books included in it.

"RECORD OF THE LUMLEYS OF LUMLEY CASTLE", by Edith Milner and Edith Benham, Published in London, 1904, 8½ x 11" 380 pages with index, and several appendices.

The preface tells that one member of this family had a great memory and put facts into a large record. Edith Benham then edited and verified the documents and traditions and made it ready to publish.

The book is written in an old English style and it's pondering facts and historical references are very difficult to get the meaning from it. Dates are scarce in the early history and 1190, 1298 and 1304 are mentioned but the majority of the material seems to be from 1600 and to the present day.

The people are centered about Lumley Castle, the Durham home of the Earls of Scarborough. The history lumbers along over 21 chapters telling of generation after generation, but the intrigue that goes on gives a little interest to the story. There is far too much information about the family to organize it.

"THE POWELL FAMILIES OF VIRGINIA AND THE SOUTH", by Rev. Silas E. Lucas, Jr. Reprint 1977. Order from Rev. Lucas at P O Box 738, Easley, South Carolina 29640. 6x9 inches 637 pages, and 71 pages full-index \$40.00 w/postage

This is a very large compilation of different Powell families of which various people have sent to the author, while asking for help on their family research. Certainly the Rev. Lucas did a great deal of researching himself.

The starting point was to trace the line of Sampson Powell, Sr. & Jr. and began in Section I, with John Powell of Elizabeth City County, Virginia. In Section II, the place shifts to Norfolk County, Virginia, and to Richard Powell, born 1625, son of John Powell above. After two generations there was migration to North Carolina and Georgia.

In Section III, the Powell Family of Isle of Wright County, Virginia, began to migrate southward to North Carolina, Georgia, Kentucky, and Alabama. This large work is very well documented and has an excellent index.

We appreciate very much that Edythe Simpson Hobson, Box 26, Rohwer, AR 71666 has donated this book to our Arkansas Genealogical Library.

OUR DONATIONS from Don Francis of New York now continue:

"RECORDS OF THE LUMLEYS" and Sketches of the Willey, William and Waters Families, by C. C. Lumley, 1908 St. Thomas, Ont. 103 pages

A more brief story is told about some of the same people mentioned in the book two reviews above. It is much easier to read. Chapters are given on Lumley Castle, Lumleys in Canada, Willey, Williams and Waters. These Chapters list members of these families in a logical manner. Finally a chart of the Lumley family is given. Next there is a picture of Lumley Castle and a descriptive narrative of the rooms.

Last there are 70 Lumley Family Group Sheets labeled "Salt Lake City, Utah. The birth dates show a wide variety of dates and centuries. Much information is included in these family sheets.

"GENEALOGY OF THE HUEY FAMILY", from about 1700 to 1908, by John S. Huey, Chicago, Illinois 1980 100 pages, 8 $\frac{1}{2}$ x11"

The publication is the research of John S. Huey and his wife Myra C. Huey. After more than ten years of research he drew up a 24 page chart listing 681 persons in his paternal descending lineage. Besides names of persons he had columns for Date and Place of birth, when and to whom married, residence, Date of Death, immediate ancestor number of children and Remarks.

Preceding these charts he tells where and how the information was obtained and many stories about these people and events that happen to them. After the charts are copies of documents, sketches, poems, obituaries and listings from other publications. There are many letters from people who have corresponded with Mrs. Myra C. Huey. This information makes interesting reading and gives valuable items about the families involved. There is no index so you must read and search for names of allied groups.

"PEEPS INTO THE PAST OF THE NORTH COUNTRY", by D. Lumley, 1928, 158 pages.

Through this history it is told by a person who knows and loves the places well. It illustrates the importance of local life in the right understanding of the nation's development.

Descriptions are given of the Wall Knoll, Newcastle's Remaining gate; Barnard Castle; Black Friar's Monastery; Fugar House of Lower Streetgate; Monastery of Austin Friars; Trinity House & Chapel; Nicholas' Church; Holy Jesus Hospital; Stuart Statues; and Quakerism in Newcastle.

This gives you an idea of the "Visions" of history in these places. There is no genealogy in this book.

"A NORTH COUNTRY ESTATE - THE LUMLEYS AND SANDERSONS AS LANDOWNERS, 1600-1900", by T. W. Beastall, 1975. 249 pages with full-index and two appendices of Notes.

The history of these estates was very typical of most others in England, but in some ways more interesting than many. That was due to the improvements to agriculture at the date in the various estates. Agriculture came to the forefront of importance during this time.

There were three distinct estates of the Lumley-Sanderson inheritance in three Northern counties. Though this is not a family history, human relationships are considered. The estates were built and run for the benefit of the families. Their management has taught us about the achievement and social harmony. Two large family charts show the Lumley-Sanderson family connections. The three estates included were at Durham, Yorkshire and Lincolnshire. This book gives facts and figures on the above subjects.

"THE LUMLEY LIBRARY - The catalogue of 1609", by Sears Jayne and Francis R. Johnson A 1956 publication of the British Museum. 372 pages with a long index of Proper Names & Short Titles.

This is exactly a catalog of books in the Lumley Collection of the British Museum. The growth of the collection is discussed; the dispersal of the Collection and the Value of the Catalog to the Modern Scholar.

The contents is very technical and can be used best by only those seeking knowledge of such things. There is no genealogy in this book. This concludes the many books donated to our Library by Don Francis to New York.

Our many thanks to you, Mr. Francis.

Hope, Arkansas, July, 19 1911

J. M. HANEGAN.

Again Hope and Hempstead County have been called to mark and mourn the passing of one of the oldest and most highly esteemed citizens of this section, and to contemplate the fact that the hardy pioneers who conquered the wilderness of the Southwest and made it to blossom into a beautiful and fruitful homeland, will soon all be gone to join the silent majority on the Other Shore.

Judge Jas. M. Hanegan died at the home of his daughter, Mrs. J. D. Cotton, in this city, Saturday morning, July 14, 1911. The funeral services, which were conducted by Rev. Basil E. Newton and Rev. W. M. Bostick, occurred at the Christian Church, Sunday afternoon, and the building was crowded with those who desired to pay this last tribute of respect to the dead, and the remains were followed to their last resting place in Caye Hill Cemetery by a long and saddened procession.

James M. Hanegan was born in Alabama, April 20, 1840, and in 1850 his father and mother moved to Hempstead County, Arkansas, and the family settled a place about two miles from where the city of Hope now is. Here he grew to manhood and married Miss Sallie Ferguson, daughter of Col. Elijah Ferguson, of Washington. They settled a home a mile and a half from the present site of Hope, and where they lived until the death of Mrs. Hanegan. To them were born seven children, three of whom

survive them: Mrs. J. F. Giles, of Texarkana; Mrs. J. D. Cotton, and Ambrose F. Hanegan, of this city. The last years of his life Judge Hanegan lived in Hope with his daughter, Mrs. Cotton.

When, in 1861, the war of the States broke out, Jim Hanegan sprang to arms and followed the flag of the South through the four years of blood and carnage which swept the land. He was ever a "man's man," full of courage and splendid strength; and those who knew him, even, in later years, can imagine what a brave soldier he made. He was among that grim band of ragged gray heroes who starved for months in that awful siege of Vicksburg, where the splendor of Southern endurance and unconquerable spirit commanded the admiration of even those who pressed upon them in overwhelming numbers, and finally had to let them come out with the honors of war, out of the pit from which they could not burn, dig nor drive them.

After the war Mr. Hanegan returned and built up his home, raised a family and made a success as a farmer and as a merchant.

As a citizen he possessed the highest qualifications and stood for the first order of civic righteousness. Twice elected to each of the offices of Assessor, Sheriff and County Judge, by the sheer force of personal character and individual popularity, he made a record in all the offices that was unassailable under the fiercest criticism.

Judge Hanegan was a member of the Christian Church and a member in good standing of Whitfield Lodge, No. 239, F. & A. M.

As a man, who made the most of his strength and energy; as a citizen, who was of use to his country; as a christian, who served God without display; as a Mason, who was true to the principles and practices of the order; we honor and pay just tribute to his memory; as a friend who never failed a friend, we mourn his departure, and mark his passing.

If you know anyone who would be interested in this Bible (with no name enclosed) contact her (she does work away from home, so better write). She would like to give this Bible to someone, who might be able to identify, or suggest someone who could identify some of the information.

Other names mentioned: Robert Tillmon Crews, b. 1827, married 1st time to Katherine Wilson and had 10 children. He was a Baptist Deacon of Mount Vernon Church at Vernon, VA.
