EDITOR'S NOTE: Our many, many thanks to Mr. Robert W. Dhonau, 4410 Lee Ave., Little Rock, AR 72205. We were making an all out effort to get this first Ancestor Chart Book together in time for the Fourteenth Annual Meeting, and everyone is so busy, but thanks again to "Bob" for helping with the index. If you have never tried to do an index, this would be a good place to start, on an Ancestor Chart Book! Mrs. Larry P. Clark also needs to have a large thank you, as she worked out the system and helped get the index on the way for our Annual Meeting.

As has been mentioned before our heavy stapler (which is the property of Arkansas Genealogical Society, Inc.) will only staple this size book securely. Again so many names are gathered together in this book, it was decided to make a continued effort, and so we will begin soon on Ancestor Chart Volume II.

To new members (and we are still gaining all the time) send in your Ancestor Charts, soon as possible. Take enough time to make them out correctly, but send them as we are trying to get them in some order for the next book.

To the slow members, the some other time members, not today members, let's get going or the new members will all have their Charts in the books and ours will be left out. Mine got left out of the Number I Volume, but it will be in the second one. I had a couple others things to do, and couldn't get it ready for the first one.

For awhile they were not returning very fast, but now there may already be enough for at least three Volumes (maybe more).

If you have a line that may touch one of the Names in this book, be sure to contact the compiler, as they may have more information on your line than they have on their own. If you have information on any of the names listed, also contact the compiler, as all help will be appreciated and that is what this is all about, to try to further the information and share with each other.

Additional Charts (forms) may be obtained. Send a large self addressed Stamped Envelope (S.A.S.E.) to 4200 "A" St. Little Rock, AR 72205 with request.

If you have enjoyed this ANCESTOR CHART INFORMATION, let us know.
