EDITOR'S NOTE:

Our many, many thanks to Mr. Robert W. Dhonau, and Mrs. Larry P. Clark, for helping with the Index. It does take busy people to get things accomplished! As has been mentioned before our heavy stapler (which is the property of Arkansas Genealogical Society, Inc.) will only staple this size book securely. Many charts are still on hand and are being made ready for Volume III. To new members (and we are still gaining all the time) send in your Ancestor Charts, soon as possible. Take enough time to make them out correctly, but do send them. AND REMEMBER - use a good dark typewriter ribbon, make nice clean corrections with (Liquid Paper, or some other correction fluid) send the original to us (you keep the copy!) We would rather you type your chart, as there is much less chance of error, if you do your own. However if you cannot type or print clearly - do the best you can, and send them to us.

Everyone is encouraged to write any compiler, even the tiny clue just might cause a great break-thru to another generation.

To the long-time members - you are not to late either - even if your chart is not completely filled out - maybe someone can give you a clue. Not many need more help on their lines than your editor does!
