EDITOR'S NOTE:

Our many, many thanks again to Mr. Robert W. Dhonau, and Mrs. Larry P. Clark, for helping with this Index. It does take busy people to get things accomplished! As has been mentioned before, our heavy stapler (which is the property of Arkansas Genealogical Society, Inc.) will only staple this size book securely. Many ANCESTOR CHARTS are still on hand, and are gathered for the Volume IV. Many of these will need to be retyped, as the Multilith Machine will not pick up dim typing, pencil, etc. When you send your Charts try to have them in dark type or BLACK ink.

To new members (and we are still gaining members all the time - 620 at present, on our membership list!) send in your Ancestor Charts, soon as possible. Take enough time to make them out correctly, but do send them. (NOTE: make nice clean corrections with LIQUID PAPER, or some other correction fluid - send the original to us (you keep the copy!) We would rather you type your chart, as there is much less chance of error, if you type your own. However if you cannot type or print clearly do the best you can, and send them to us.

Everyone is encouraged to write any compiler, even the tiny clue, just might cause a great break-thru to another generation.
