EDITOR'S NOTE:

Our many, many thanks to Mr. Robert W. Dhonau, again for making this, our Fourth Ancestor Chart Volume. This time he was waiting not patiently, but waiting for his book "JOSEPH STILLWELL" to come back from the Hardback Binding Company. If you think that is ONE NICE FEELING, just try getting your own family records, down on paper and then to the Binding Company!

Charts are still coming in to our office, so if you have not turned your Chart in for publication, it is still not too late. Take your time, fill in all available dates (correctly, as possible) type with good clean type, and nice dark ribbon, correct with Liquid Paper (or any other good correction fluid) then send them to:4200 "A" Street, Little Rock, AR 72205.

Volume V is now being gathered and many are being retyped, sometimes type is light, (and some have sent Xeroxed copies - you keep the copy and send us the original!) The 805 Multilith machine sometimes gives back a better copy, but it will not pick up very faded copy. These records will be around when all of us are long gone. We hope our Copyright copies will be well preserved in Washington, D C. When you are in Washington ask to see our Arkansas Family Historian, along with the Ancestor Chart Volumes. They should be in the Jefferson Room.

We would rather you would type your own chart, but if you cannot type, send it with the best writing possible, and someone will try to get around to typing. Much less chance of error when you do you own.

Everyone is encouraged to write to any compiler, even the tiny clue just might cause a great break-thru to another generation.

To the members who keep putting off getting their Charts ready, you are not to late yet, but there will come a time, when you will have waited to long! Better get going, even if you cannot fill your chart out completely - maybe someone else can give you just the help you need. It has already happened, many are surprised, when some unknown person writes and tells them all about some missing link.

If you write to one of the compilers and your letter is returned, write to your EDITOR for the change of address. The POSTAL SERVICE COLLECTS 25 cents to let your Editor know, and they seem to enjoy being the first to know so they can collect. If you will let us know about a change of address, it will help our ARKANSAS GENEALOGICAL SOCIETY'S FINANCIAL CONDITION! When a Quarterly is returned for a better address, that costs 58 cents, and the rates continue to rise!
