EDITOR'S NOTE: This Volume completes our VIII Ancestor Charts! Much effort has been used in getting all this very valuable information (much has needed to be re-typed) gathered, numbered, printed, indexed, Compiler's list typed, collated and ready for our members and readers.

Much of Volume IX has been gathered, so at a later date that too will be prepared. This is the result of our very fast increase in membership, these past few years. Each new member is sent a blank Ancestor Chart, along with the first Quarterly they receive and many new members complete them and return them in very good order. Others are not as complete, as they would like, but that is one of the big reasons for these Ancestor Chart Volumes! Other members help in many cases, when the Charts are not complete.

Special thanks to Wanda Durham, Rt. 1, Box 220-A, Alexander, AR 72002 for re-typing many many of these Charts, and to one of our newest members, Mrs. Wanda Amo, 1421 N. University, Apt. S-326, Little Rock, AR 72207 for this Index. (If you have never indexed one of these Volumes - you might try it! That's not easy!)

Everyone is encouraged to contact anyone, if you have a tiny clue to help them - they may be at a dead end, for the present and need just a little clue.

Elaine Cia (Mrs M.B. Cia, Sr.)
