EDITOR'S NOTE: Our many thanks again to our new member on the 1978 Board of Directors, Mrs. Wanda Amo, for indexing this Volume IX Ancestor Chart Volume. Mrs. Wanda Durham, also our many many thanks, for typing many of these and other Ancestor Charts, for several of our other Volumes. She is already busy typing more Charts for Volume X.

If you have not already sent your Ancestor Chart to be included in one of the future Volumes, better get busy, we would not like for anyone to be left out, but they will not be published always. We like to think, about our descendants finding some of these Volumes, maybe 100 years from today, and try to imagine how happy they will be to think their Ancestors looked ahead and tried to make their research a little more easy for them.

Type them if you can. Nice clean, typewriter keys, dark ribbon, and liquid paper (or some other good correction product). You keep the zerox copy and send us the original, the better the original, the better the copy is reproduced.

Many nice comments have been made already, about our continued effort to publish our Ancestor Charts. And they have made great contacts for many of our members. If you see a family name, you know someone is interested in researching, be sure to let them know, nice things happen when you share with others.

Sincerely,

Elaine Weir Cia

Elaine Weir Cia (Mrs. Mario B.)
