The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE: At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.

EDITOR'S NOTE: The Ancestor Charts in this Volume were turned in by the recent Genealogical Sessions held at the Laman Library in North Little Rock, Arkansas.

Some of the members of that Session have already turned in their Ancestor Charts, and they have been published in some of the earlier Volumes.

Other Groups are encouraged to send in their Ancestor Charts and may be, either published in a Volume, or at least all in one certain Volume. You may write for Blank Ancestor Charts prior to these Sessions. We would like to have as much Arkansas History as possible.

Sincerely
Blaine Weir Cia
(Mrs M.B. Cia, Jr.)

EDITOR'S NOTE: Our many thanks to Mrs. Wanda Amo for indexing this our Number Ten Ancestor Chart Volume. And our many thanks to Mrs. Wanda Durham for typing this index. If you have never indexed one of our Ancestor Chart Volumes, you might try that sometime! Also if you have not recorded information from a Cemetery, you might try a very small one for a beginning! All these projects are very time consuming, but very worth while, as many people would have no way to do many of these things, but with all our efforts combined, we are making great progress.

When these Ancestor Chart Volumes first began in 1975, 17 were gathered in a three months period! But our new members have filled in many Charts and some of the long-time members still send one along every now and then. These are not Charts that only take a few minutes. When they are completed they are very valuable, and many contacts have been made thru these and the Query Section. If you can help further any of this information, please do not wait - write a helpful note, as soon as possible, you may open up several generations, by just a small hint.

If you have not sent your Ancestor Chart yet, it is not too late now, but we are gathering Family Group Sheets, and hope to begin publishing them before long. Much time and thought has to be spent before one of these valuable Volumes can be printed. When we do start printing the Family Group Sheets, our Ancestor Charts will have to wait a little longer between Volumes. If you need more Ancestor Charts or Family Group Sheets, send your request along with your self addressed stamped envelope (S.A.S.E.) to: A. G. S. - 4200 "A" Street, Little Rock, AR 72205

REMEMBER TO ALWAYS SEND S.A.S.E. when you hope for an answer!
