The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE. At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.

\*John B. Parrish was with his mother and one brother, Isaac in Lamar Co. Tx., 1860. Cannot locate them in 1850 in either Ark. or Tex. Also cannot locate the Keelings in Ark., 1870. Would appreciate any leads on either of these families.

EDITOR'S NOTE: This is our ANCESTOR CHART VOLUME THIRTEEN (XIII). Our membership has continued to grow and many of our members and readers are finding unknown relatives thru our many many projects.

If you have not sent your Ancestor Chart for publication (you are missing many contacts) but it is not too late - do it now! there will come a time when we will not publish them any longer. Type them if possible, with a good dark ribbon, and clean typewriter keys. Remember - the original must be good, or the copy will not be good. If you cannot type, write as clear as possible, and we hope some of our volunteer members will type them for you.

We have used up all our printing time, and finances for ANCESTOR CHARTS this year & and have printed two Volumes of FAMILY GROUP SHEETS, so Volume XIV we be ready in 1979.

Sincerely,

*Elaine Weir Cia, Editor*
