The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE. At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.

EDITOR'S NOTE: Our many thanks again to
our busy Exchange Chairman, Wanda Amo
for this INDEX!

EDITOR'S NOTE: This is our 19th ANCESTOR CHART VOLUME - published by the
ARKANSAS GENEALOGICAL SOCIETY, INC.

Our first ANCESTOR CHART VOLUME was very hard to gather (took us about five months to gather enough Charts for one Volume!). Then (as well as now (many of them needed to be re-typed). We do not have a typing service, and much more work needs to be done by your EDITOR, so it is necessary for everyone to send their CHARTS to us ready to be photo-copied. Once in a while we do try to use a chart that is hand printed, but those as a rule are hard to read and very hard to re-print. And when the entire volume is in need of something...the volume becomes something we would rather not send out from ARKANSAS...so we just decided to return any charts to the compiler (we do not want to take needless chances or error!)

Many many new members have been added to our ever-growing list of AGS Members...and some are being exposed to information and charts for the very first time...many tell us their nearest Library is over 100 miles away (and we really fee for them!)...others have time problems, and even tho the Library is only a few blocks away, the Library seems to keep the same hours, etc. These Ancestor and Family Group Sheet Volumes are very popular and many request "send as soon as published, and bill".

Serious researchers have expressed great interest in these Volumes. AND some few other Societies are publishing CHARTS both in their publications and in special additonal publications, which is a great help to every one.

We have a great machine (and thank goodness) some of the compilers really do take advantage of the margins and even go so far as to place a patch on the side and continue to type (wonder how that would look, with little spots sticking out here and there!!!) We can reduce the entire page, and get it all on the well known 8½ x 11 page, as the following page most likely has nothing to do with the preceeding page.

The 1980 year was filled with printing and re-printing (and we finally found it necessary to end our membership about two months early...just ran out of our publications. When you renew by the first of January, you are sure to receive all four Quarterlies, unless the mail man cannot find you, and with some few the mail service & your Editor does have a time!

We have not published ANCESTOR CHARTS OR FAMILY GROUP SHEET VOLUMES since the early part of 1980...had to catch up on other publications, but now we will print as time and finances will permit.

Elaine Weir Cia, Editor
