Everyone is encouraged to write the Compiler, if even a tiny clue can be added! additional information, correction, especially if your line seems to be the same, etc.) Most everyone has much more information in their file, and most are happy to share with others. We have tried to use all the Charts that would possibly photo-copy (we do not have a typing service (nor a way to correct your chart, once it is received in our office... try to make sure your information is correct, before you release it). If a mistake is made and later discovered, we will try to make a NOTE in our ARKANSAS FAMILY HISTORIAN QUARTERLY. You may up-date your Chart after a reasonable length of time, if you can add a noticeable amount of information (just send another chart and mention it is an up-date from (the number, your chart was given). After it is published, that is the way it is!
