EDITOR'S NOTE:

This is our first Volume of FAMILY GROUP SHEETS! Our membership list continues to grow each day & many of our members have found many unknown relatives thru our many many projects!

With the surname cards, and the Ancestor Chart Volumes and pages and pages of Queries many contacts will continue to be made for many year to come.

At present we have all the Ancestor Chart Volumes thru Volume Twelve in print, and hope to have Volume Thirteen in print before very much longer. Volume Two of the Family Group Sheets will also be ready before long. If you are trying to make your set complete, better not wait as our Volume VIII is about to be out of print. This Volume will not be reprinted for some time, possibly next year at best. As we will need to reprint our April-May-June 1978 issue before long. We are having a hard time this year keeping enough issues for everyone.

Sincerely,

Clair Weir Cia, Editor
