PRESIDENT'S NOTE: Family Group Sheets are different from Ancestor Pedigree Charts. The Arkansas Genealogical Society has already published thirteen volumes of Ancestor Charts,, and others are in preparation. Acceptance has exceeded expectations. If this and succeeding volumes of Family Group Sheets experience similar receptions we'll all be happy.

Numerous Sheets have been submitted by some compilers. Our hope is that all will eventually be published. There is space in the first and this our second volume for only one or two per compiler. All members are encouraged to submit Sheets.

Marion Stark CRAIG, M. D., President
Arkansas Genealogical Society

EDITOR'S NOTE: If you are trying to keep your Ancestor Chart Volumes complete & now your Family Group Sheet Volumes, do not wait to order, as we are going to try to print as many different issues as our finances and printing time will allow, so our reprinting time will be very short, our 1978 year has been our best to date, but it has been a large task to keep enough issues printed for each of our members to get all their four quarterlies. Sincerely,

Elaine Weir Cia, Editor
