Dana (Hampel) Tueller, 950 N. San Antonio Rd. #17A, Los Altos, CA 94022  
Mary Ann Webber, 6215 Kavanaugh, Little Rock, AR 72207

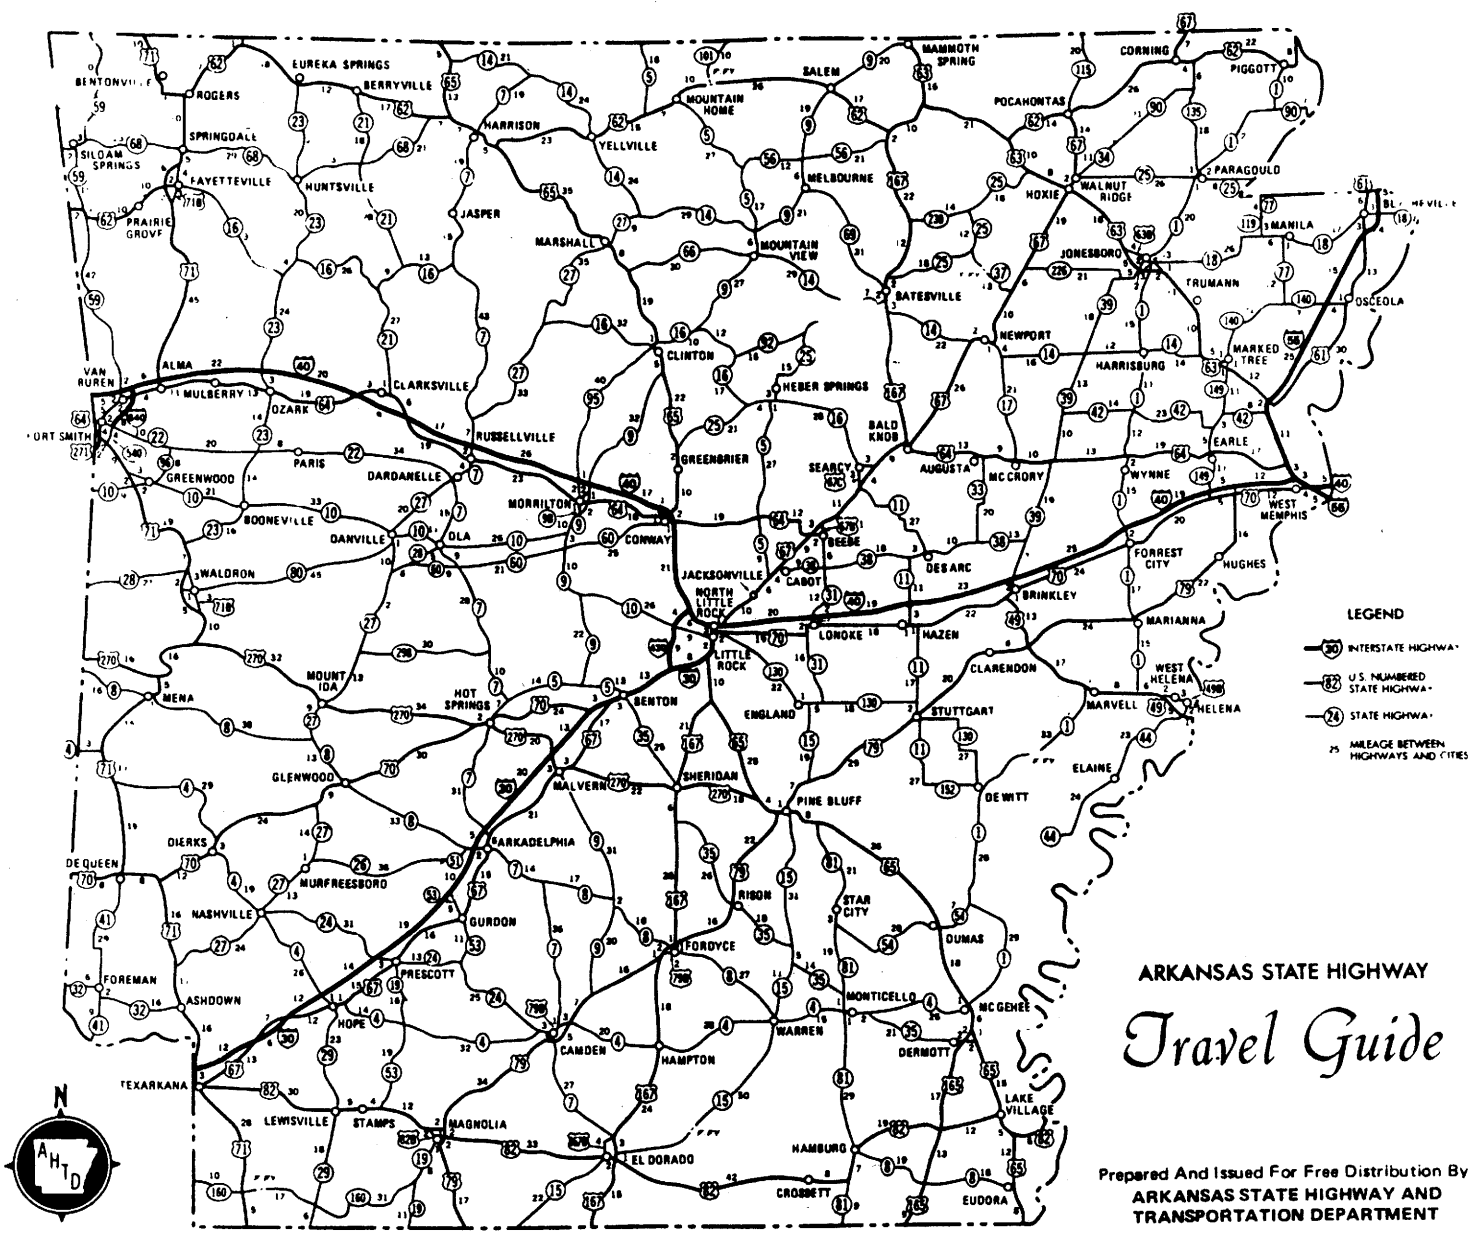

---

NOTE: Please use the addresses of the Compilers on this page, as some may have moved, (or the Post Office was discontinued, since the Chart was sent to us). If your letter should return to you, write: AGS, 4200 "A" Street, Little Rock, AR 72205, for a more current address. (All mail does not reach - the first time!) You are encouraged to write the Compiler, as they all have much more information in their files, and all will be happy to share data with you. Be sure to include a self addressed stamped envelope. (S.A.S.E.) when you hope for an answer to any genealogical question.

EACH FAMILY GROUP SHEET VOLUME IS \$3. (Please make check to: Arkansas Genealogical Society, Inc. (or A.G.S.) 4200 "A" Street, Little Rock, Arkansas 72205). This is our Fourth Family Group Sheet Volume issued by our Society. Others will be issued, from time to time as the information becomes available to our office.

Special care should be given, and these Charts should be nicely typed, ready to photo-copy when they are sent to our office. Our service does not include typing. Please check the information very carefully, before sending it, as this information goes into many Libraries, both public and private, and the information is very valuable both now and will be for many future years. These Charts have been compiled by our members and readers of our Arkansas Family Historian and are published without charge (only need to wait for available space).

EDITOR'S NOTE:

This is our Fourth Family Group Sheet Volume (several more are now being organized - much time and work is involved in these Family Group Sheet Volumes.) We finally came up with such a mountain of these very valuable Charts - but in such a bad condition!!!! Some even in pencil! Some with such a light type, etc. These have been put into a better condition and are being made ready to publish - but no more are being typed by our over-worked volunteers. They will be returned to the compiler for typing.

*Elaine Weir Cia, Editor*
