NOTE: Please use the addresses of the Compilers on this page, as some may have moved, (or the Post Office was discontinued, since the Chart was sent ot us). If your letter should return to you, write: AGS, 4200 "A" Street, Little Rock, AR 72205, for a more current address. (All mail does not reach - the first time!). You are encouraged to write the Compiler, as they all have much more information in their files, and all will be happy to share data with you. Be sure to include a self addressed stamped envelope. (S.A.S.E.) when you hope for an answer to any genealogical question.

EACH FAMILY GROUP SHEET VOLUME IS \$3. (Please make check to: Arkansas Genealogical Society, Inc. (or A.G.S.) 4200 "A" Street, Little Rock, Arkansas 72205). This is our Fifth Family Group Sheet Volume issued by our Society. Others will be issued, from time to time as the information becomes available to our office (and finances permit).

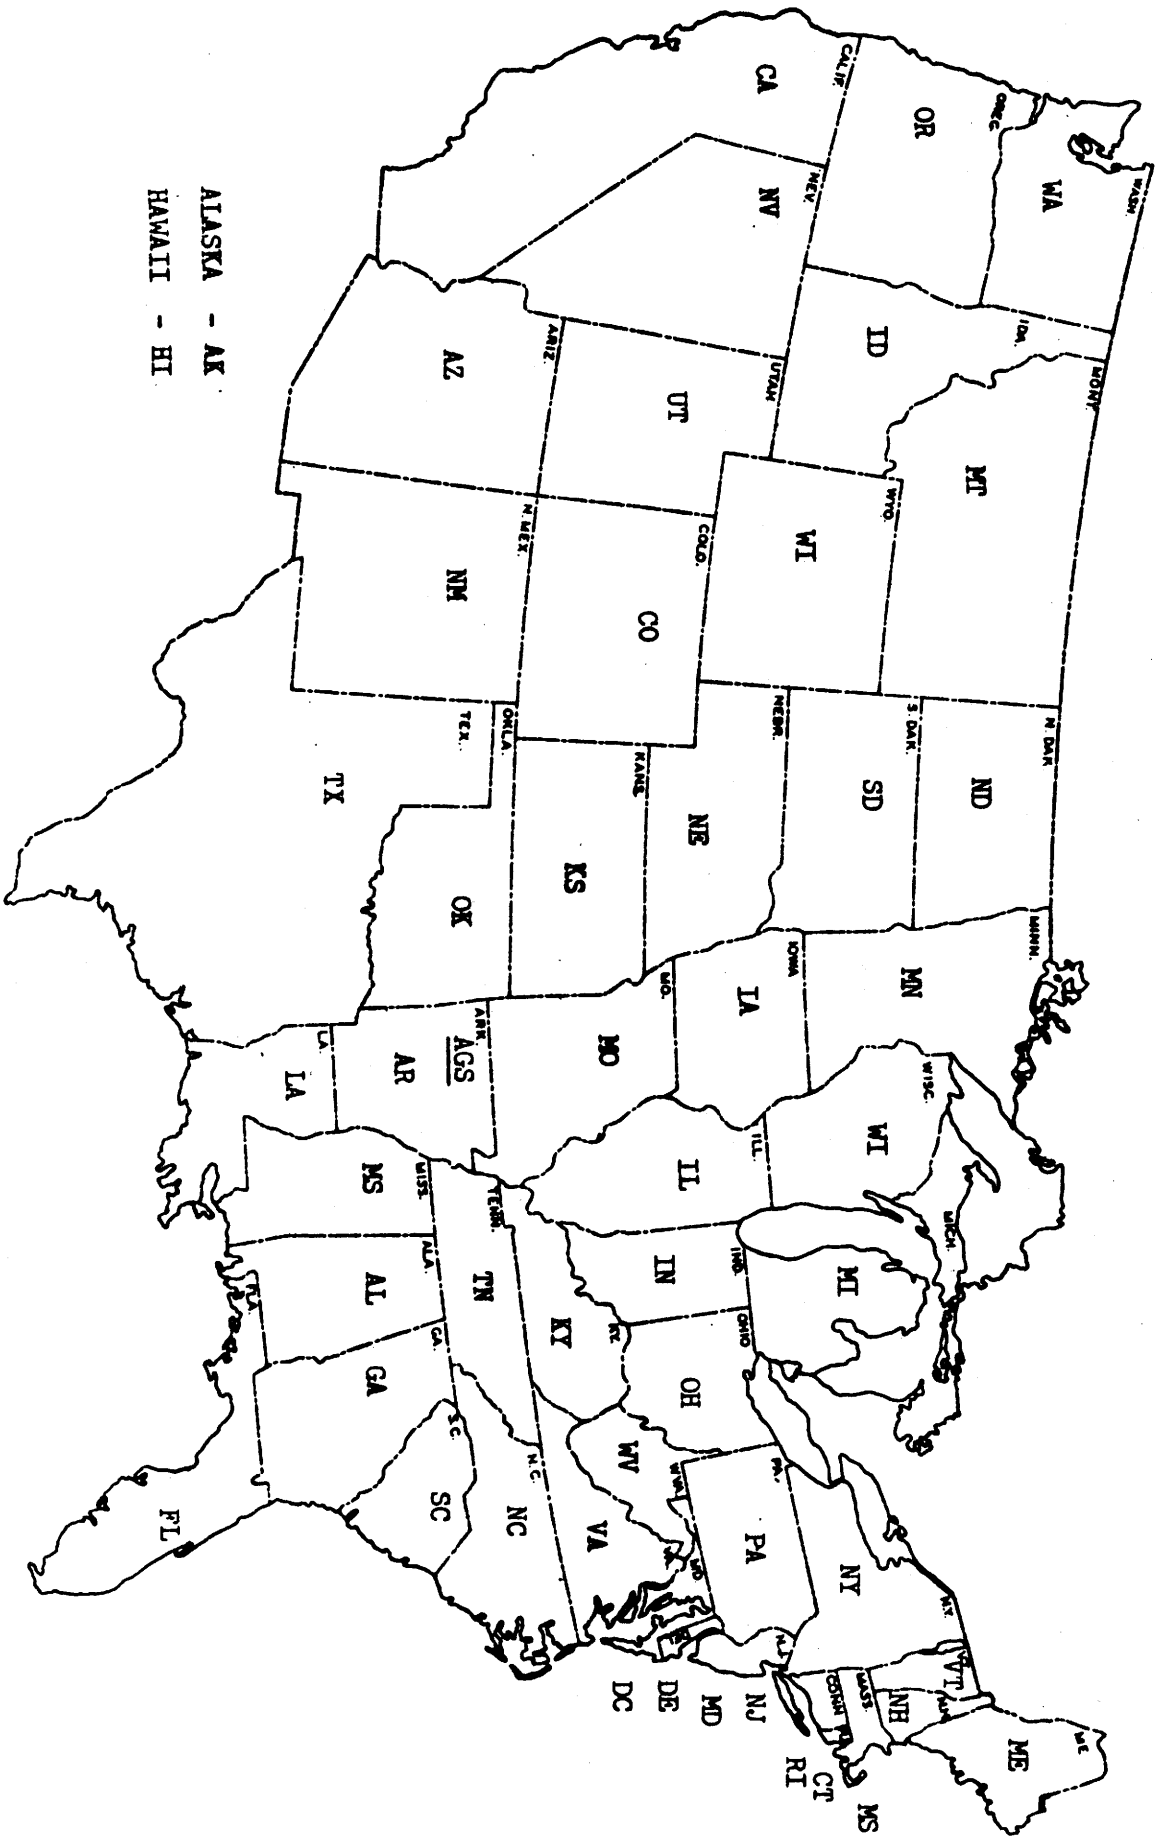

Special care should be given, and these Charts should be nicely typed, ready to photo-copy, when they are sent to our office. Our service does not include typing. Please check the information very carefully, before sending it, as this information goes into many Libraries, both public and private, and the information is very valuable both now and will be for many future years. These Charts have been compiled by our members and readers of our Arkansas Family Historian and are published without charge (only need to wait for available space).

EDITOR'S NOTE:

This is our 5th Family Group Sheet Volume published by the Arkansas Genealogical Society. These charts have been compiled by our members & readers (some read our ARKANSAS FAMILY HISTORIANS thru our large exchange section). At present we exchange with other Societies all over the United States and Canada, some eighty plus. This helps enlarge their Genealogical Section in their Libraries and also helps share much valuable information as well as different ideas are gathered and shared.

You are encouraged to write any one you think you might help by adding additional information to their chart (they all have much more information in their files on many of these people).

If you can help with corrections, please do not fail to help others! These charts are compiled to the best of their knowledge (but sometime they have been given the incorrect information, by another person, etc.) Often old writing is so dim, it is not recorded correctly).

Bible Records, Wills, Probate Records, Court Records, and many other records might be checked to document information.

Our many thanks to Wand Amo again for this index as well as the index for our Volume 4 Family Group Sheets. She helps with so many things, and is not always recognized!!! She is also our Exchange Chairman (many of you have corresponded with her.
