NOTE: Please use the addresses of the Compilers on this page, as some may have moved, (or the Post Office was discontinued, since the Chart was sent to us). If your letter should return to you, write: AGS, 4200 "A" Street, Little Rock, AR 72205, for a more current address. (All mail does not reach - the first time!). You are encouraged to write the Compiler, as they all have much more information in their files, and all will be happy to share data with you. Be sure to include a self addressed stamped envelope. (S.A.S.E.) when you hope for an answer to any genealogical question.

EACH FAMILY GROUP SHEET VOLUME IS \$3. (Please make check to: Arkansas Genealogical Society, Inc. (or A.G.S.) 4200 "A" Street, Little Rock, Arkansas 72205). This is our Sixth Family Group Sheet Volume issued by our Society. Others will be issued, from time to time as the information becomes available to our office (and finances permit). Special care should be given, and these Charts should be nicely typed, ready to photo-copy, when they are sent to our office. Our service does not include typing. Please also check the information very carefully, before sending it, as this information goes into many Libraries, both private and public, and the information is very valuable both now and will be for many future years. These Charts have been compiled by our members and readers of our Arkansas Family Historian and are published without charge (only need to wait for available space).

EDITOR'S NOTE:

This is our 6th Family Group Sheet Volume published by the Arkansas Genealogical Society, Inc. These Charts have been compiled by our members and readers (some read our ARKANSAS FAMILY HISTORIANS thru our large exchange section). At present we exchange with other Societies all over the United States and Canada, some eighty plus. This helps enlarge their Genealogical Section in their Libraries and also helps share much valuable information as well as, different ideas are gathered and shared.

Everyone is encouraged to write any one you think you might help by adding additional information to their chart (all are anxious to correct & add to their inf.)

Elaine Weir Cia, Editor
