This is our Seventh Family Group Sheet Volume, issued by our Society. Others will be issued, from time to time as the information becomes available to our office (and finances permit). Special care should be given, and these Charts should be nicely typed, ready to photo-copy, when they are sent to our office. Our service does not include typing. <p>Sorry. This is absolutely all the information I have at present. Most of these children moved to Texas, and points west. Some to Oklahoma and Missouri; some on to New Mexico finally California. Hope this helps.</p> <p>There is no family Bible to my knowledge, but as many of the sons and daughters lived to advanced years. My own grandmother was nearly 106, they were able to supply us with quite a lot of information. Sad to say, the court house in Perry County Tenn, was burned twice. Hickman County burned in 1880. Even Marion County, Ark.</p> <p>William Dabbs Griffin is supposed to have been buried with Masonic Rites, but alas even the state Masonic records burned after his death. He was not a Mason in Tenn, and I've been unable to locate the chapter where he is a member. His father and grandfather were also Masons, and hard shell Baptists.</p>

EDITOR'S NOTE:

This is our 7th Family Group Sheet Volume published by the Arkansas Genealogical Society, Inc. These Charts have been compiled by our members and readers (some read our Arkansas Family Historian publications thru our large exchange section). At present we exchange with other Societies all over the United States and Canada, some eighty plus. This helps enlarge their Genealogical Section in their Libraries and also helps share much valuable information as well as different ideas are gathered and shared.

Everyone is encouraged to write any compiler, if you can help add (or correct) additional information to their chart (they all have much more information in their files on many of these people (also some are at a dead stop, and need a helping hand!)).

These Charts have been compiled to the best of their knowledge (but at times, have been given incorrect information, by another person, etc.) Often old writing is so dim, it is not recorded correctly).

Bible Records, WILLS, Probate Records, Deeds, Marriage Records, old Newspaper clippings, cemetery inventories, census, etc., may be checked to document information.

Our many thanks to Wanda Amo, again for this index as well as the index for our Volume 6 Family Group Sheets

Wanda is also our Exchange Chairman (and helps in many other ways).

You might also mention these Chart Volumes to your local Library, as not all Societies are publishing these very valuable Family Group Sheet Volumes (and also Ancestor Chart Volumes, to this date we already have 15 Ancestor Chart Volumes in print!)
