EDITOR'S NOTE:

Our many thanks again to Wanda Amo for this Index. If you have never tried to index, you might begin on one of our FAMILY GROUP SHEET VOLUMES...or better yet, try one of the ANCESTOR CHART VOLUMES there are so many names...and the spelling is another problem...but when you are running down any index...appreciate the fact, that many hours have been spent by someone to make research a little more easy for you! Another small job, is trying to number pages for a book!!! Thanks to little a, b, etc...I would never get those correct, especially when a picture comes in (or additional information after the entire book is numbered). Sincerely

Elaine Weir Cia, Editor
