To this date, there are 16 Volumes of Family Group Sheets. These are gathered, as members and readers find time to compile and send them to us. This is another project of our Society. These are published as they become available, and when our finances and time will permit. This is a great way to make contacts with others working on the same families, many clues as well as information have been gained from these Charts.

PLEASE CONTACT THE COMPILER if you can add or correct any of this information!

OUR MANY THANKS TO MRS. EMOGENE TINDALL for using her computer to index this Volume for us!
